Consorting with the Shadow: Phantasms and the Dark Side of Female Consciousness Alison Armstrong, 2019-04-22
Incorporating essays, short stories, film and book analyses, *Consorting with the Shadow* examines the psychological bond between women and the archetypal creatures of imagination, the vampires, shape-shifters, and other monsters we fear, love, and wish to emulate.

Things We Say in the Dark Kirsty Logan, 2019-10-03
'Gripping . . . You won't put it down' Sunday Telegraph A shocking collection of dark stories, ranging from chilling contemporary fairytales to disturbing supernatural fiction. Alone in a remote house in Iceland a woman is unnerved by her isolation; another can only find respite from the clinging ghost that follows her by submerging herself in an overgrown pool. Couples wrestle with a lack of connection to their children; a schoolgirl becomes obsessed with the female anatomical models in a museum; and a cheery account of child's day out is undercut by chilling footnotes. These dark tales explore women's fears with electrifying honesty and invention and speak to one another about female bodies, domestic claustrophobia, desire and violence. 'A brilliant collection of stories . . . All will burrow their way into your brain and not let go' Stylist 'Shimmers with menace . . . Fans of Angela Carter and Shirley Jackson take note' i Newspaper KIRSTY LOGAN WAS SELECTED AS ONE OF BRITAIN'S TEN MOST OUTSTANDING LGBTQ WRITERS by Val McDermid for the International Literature Showcase in 2019

The Other Black Girl Zakiya Dalila Harris, 2021-06-01
A Hulu Original Series Coming Soon "Riveting, fearless, and vividly original" (Emily St. John Mandel, New York Times bestselling author), this instant New York Times bestseller explores the tension that unfurls when two young Black

women meet against the starkly white backdrop of New York City book publishing. Twenty-six-year-old editorial assistant Nella Rogers is tired of being the only Black employee at Wagner Books. Fed up with the isolation and microaggressions, she's thrilled when Harlem-born and bred Hazel starts working in the cubicle beside hers. They've only just started comparing natural hair care regimens, though, when a string of uncomfortable events elevates Hazel to Office Darling, and Nella is left in the dust. Then the notes begin to appear on Nella's desk: LEAVE WAGNER. NOW. It's hard to believe Hazel is behind these hostile messages. But as Nella starts to spiral and obsess over the sinister forces at play, she soon realizes that there's a lot more at stake than just her career. Having joined Wagner Books to honor the legacy of *Burning Heart*, a novel written and edited by two Black women, she had thought that this animosity was a relic of the past. Is Nella ready to take on the fight of a new generation? "Poignant, daring, and darkly funny, *The Other Black Girl* will have you stressed and exhilarated in equal measure through the very last twist" (Vulture). The perfect read for anyone who has ever felt manipulated, threatened, or overlooked in the workplace.

Women in the Dark Katherine Manthorne, 2020-09-28
Recover the stories of long-overlooked American women who, at a time when women rarely worked outside the home, became commercial photographers and shaped the new, challenging medium. Covering two generations of photographers ranging from New York City to California's mining districts, this study goes beyond a broad survey and explores individual careers through primary sources and new materials. Profiles of the photographers animate their careers by exploring how they began, the details of running their own studios, and their visual output. The featured photos vary in form--daguerreotype, tintype, carte de visite,

and more--and subject, including Civil War portraits, postmortem photography, and landscape photography. This welcome resource fills in gaps in photographic, American, and women's history and convincingly lays out the parallels between the growth of photography as an available medium and the late-19th-century women's movement.

The Dark Sister Rebecca Goldstein, 2004 If you like the fiction of Henry James, the psychology of his brother William, and have a taste for Gothic mysteries you will enjoy *The Dark Sister*. The novel is a curious mixture of the Victorian repressiveness about sex, intricate stories within stories, and Jewish humor. With a new afterword

Women of Darkness II Kathryn Ptacek, 1990 This compilation of new, original tales from some of the top female horror authors includes works by Lisa W. Cantrell, Nina Kiriki Hoffman, Tanith Lee, Melanie Tem, and Chelsea Quinn Yarbro

Woman in the Dark Dashiell Hammett, 2022-10-19 On a dark night a young woman seeks refuge at an isolated house. She is hurt and frightened. The man and woman who live there take her in. But their decency is utterly unequipped to deal with the *Woman in the Dark*, or with the designs of the men who want her.

The Dark Sides of a Woman Queen Goddess, 2006-11-28 In this collection of inspirational short stories, author Queen Goddess explains valuable moral lessons in a realistic and modern setting. *White Ain't Always Right!*-Instead of Arlene asking for a good honest man whether he be a Black man, Latin man, Indian man or Asian man, Arlene asked for a white man. She got him. Boy did she get him. *Chocolate Tropical Delights*-Ming's parents took their daughter's sexual preference very hard. Nevertheless, they had no other choice but to accept their daughter's gay lifestyle. *Mama's Boy Toy*- when children are subjected to physical

and sexual abuse many of them will become very reckless and violent. Unfortunately, many may end up in prison or experience mental instability. However, there is hope as in the case of Sammy Jr. When someone has experienced or suffered childhood abuse and finally finds the courage to face their darkness and seek counseling, healing is then possible. Stick Up Kidz- life is short, so live each day like it's your last day, and do unto others, as you would have them do unto you. Tomorrow is promised to no one. It took a robbery for Donna to realize that.

Venus in the Dark Janell Hobson, 2013-10-18 Western culture has long been fascinated by black women, but a history of enslavement and colonial conquest has variously labeled black women's bodies as exotic and grotesque. In this remarkable cultural history of black female beauty, Janell Hobson explores the enduring figure of the Hottentot Venus. In 1810, Saartjie Baartman was taken from South Africa to Europe, where she was put on display at circuses, salons, and museums and universities as the Hottentot Venus. The subsequent legacy of representations of black women's sexuality-from Josephine Baker to Serena Williams to hip-hop and dancehall videos-continues to refer back to this persistent icon. This book analyzes the history of critical and artistic responses to this iconography by black women in contemporary photography, film, literature, music, and dance.

I Want What Most White Women Got Veronica Blakely, 2006-12 This book of poetry looks at relationships in the African American community and how some black males choose women who are light-skinned or white over their dark-skinned female counterparts.

100+ Black Women in Horror Sumiko Saulson, 2018-03-07 Containing the biographies of over one

hundred black women who write horror, 100+ Black Women in Horror is a reference guide, a veritable who's who of female horror writers from the African Diaspora. It is an expansion of the original 2014 book 60 Black Women in Horror. February is African American History Month here in the United States. It is also Women in Horror Month (WiHM). This list of black women who write horror was compiled at the intersection of the two. It consists of an alphabetical listing of the women with biographies, photos, and web addresses, as well as interviews with 17 of these women and an essay by David Watson on LA Banks and Octavia Butler.

A Dark Skin Woman's Revenge Rashida

Strober,2016-07-13 What's it really like to be dark skinned and female living in the world? Award winning Actress and playwright, Rashida Strober answers this question like no other in the book version of the original play, A Dark Skin Woman's Revenge.

Places in the Dark Thomas H. Cook,2009-10-21 It is autumn 1937 when a mystery woman appears in Port Alma, a sea village nestled on the chilly coast of Maine. A fragile, green-eyed beauty, the woman arrives with little more than the clothes on her back and a wealth of unspoken secrets. Before a year goes by, she will flee Port Alma on the same bus that brought her there. But before she goes, she will irrevocably alter the lives of two brothers — leaving one dead, and the other perched on the edge of madness. There is much that Dora March has hidden. But in Port Alma, Maine, there are other secrets, too....

The Radium Girls Kate Moore,2017-04-18 A New York Times, USA Today, Wall Street Journal, and Amazon Charts Bestseller! For fans of Hidden Figures, comes the incredible true story of the women heroes who were exposed to radium in factories across the U.S. in the early 20th century,

and their brave and groundbreaking battle to strengthen workers' rights, even as the fatal poison claimed their own lives... In the dark years of the First World War, radium makes gleaming headlines across the nation as the fresh face of beauty, and wonder drug of the medical community. From body lotion to tonic water, the popular new element shines bright. Meanwhile, hundreds of girls toil amidst the glowing dust of the radium-dial factories. The glittering chemical covers their bodies from head to toe; they light up the night like industrious fireflies. With such a coveted job, these shining girls are the luckiest alive — until they begin to fall mysteriously ill. And, until they begin to come forward. As the women start to speak out on the corruption, the factories that once offered golden opportunities ignore all claims of the gruesome side effects. And as the fatal poison of the radium takes hold, the brave shining girls find themselves embroiled in one of the biggest scandals of America's early 20th century, and in a groundbreaking battle for workers' rights that will echo for centuries to come. A timely story of corporate greed and the brave figures that stood up to fight for their lives, these women and their voices will shine for years to come. Written with a sparkling voice and breakneck pace, *The Radium Girls* fully illuminates the inspiring young women exposed to the wonder substance of radium, and their awe-inspiring strength in the face of almost impossible circumstances. Their courage and tenacity led to life-changing regulations, research into nuclear bombing, and ultimately saved hundreds of thousands of lives...

At the Dark End of the Street Danielle L. McGuire, 2011-10-04 Here is the courageous, groundbreaking story of Rosa Parks and Recy Taylor—a story that reinterprets the history of America's civil rights movement in terms of the sexual violence committed

against Black women by white men. An important step to finally facing the terrible legacies of race and gender in this country.” —The Washington Post Rosa Parks was often described as a sweet and reticent elderly woman whose tired feet caused her to defy segregation on Montgomery’s city buses, and whose supposedly solitary, spontaneous act sparked the 1955 bus boycott that gave birth to the civil rights movement. The truth of who Rosa Parks was and what really lay beneath the 1955 boycott is far different from anything previously written. In this groundbreaking and important book, Danielle McGuire writes about the rape in 1944 of a twenty-four-year-old mother and sharecropper, Recy Taylor, who strolled toward home after an evening of singing and praying at the Rock Hill Holiness Church in Abbeville, Alabama. Seven white men, armed with knives and shotguns, ordered the young woman into their green Chevrolet, raped her, and left her for dead. The president of the local NAACP branch office sent his best investigator and organizer—Rosa Parks—to Abbeville. In taking on this case, Parks launched a movement that exposed a ritualized history of sexual assault against Black women and added fire to the growing call for change.

The Dark Fantastic Ebony Elizabeth

Thomas, 2020-09-22 Reveals the diversity crisis in children's and young adult media as not only a lack of representation,

but a lack of imagination Stories provide portals into other worlds, both real and imagined. The promise of escape draws people from all backgrounds to speculative fiction, but when people of color seek passageways into the fantastic, the doors are often barred. This problem lies not only with children's publishing, but also with the television and film executives tasked with adapting these stories into a visual world. When characters of color do appear, they are often marginalized or subjected to violence, reinforcing for audiences that not all lives matter. The Dark Fantastic is an engaging and provocative exploration of race in popular youth and young adult speculative fiction. Grounded in her experiences as YA novelist, fanfiction writer, and scholar of education, Thomas considers four black girl protagonists from some of the most popular stories of the early 21st century: Bonnie Bennett from the CW's *The Vampire Diaries*, Rue from Suzanne Collins's *The Hunger Games*, Gwen from the BBC's *Merlin*, and Angelina Johnson from J.K. Rowling's *Harry Potter*. Analyzing their narratives and audience reactions to them reveals how these characters mirror the violence against black and brown people in our own world. In response, Thomas uncovers and builds upon a tradition of fantasy and radical imagination in Black feminism and Afrofuturism to reveal new possibilities. Through fanfiction and other modes of counter-storytelling, young people of color have reinvisioned fantastic worlds that reflect their own experiences, their own lives. As Thomas powerfully asserts, "we dark girls deserve more, because we are more."
