24: Deadline James Swallow, 2014-08-05 James Swallow's 24: Deadline. This tie-in novel to Fox's groundbreaking TV show 24 answers the question of what happened to CTU agent Jack Bauer after the thrilling final moments of the last season. The time is 5:00 PM. One hour ago, federal agent Jack Bauer was declared a fugitive. If he wants to survive, he must get out of the country, and he doesn't have much time. With his former colleagues in the Counter Terrorist Unit now dead, under arrest, or shut down, Jack has no resources to call upon, no back-up, and nowhere to go—only his determination can drive him on. One thing remains clear to him: the promise he made to his daughter Kim. Jack vows that he will see Kim one last time to tell her he loves her...before he drops off the radar forever. Meanwhile, a hastily-assembled FBI task force set out to track down and capture Jack, even as a covert operations unit of Russia's SVR set out to do the same—only the remit of the Russians is to kill on sight. As the clock runs down, Jack must face old friends and past enemies in a desperate race to stay one step ahead of the hunters, leaving them with a grim warning— Stay out of my way, and I'll be gone within 24 hours. You'll never see me again. Come after me...and you'll regret it. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Isaiah 1-33, Volume 24 John D. W. Watts, 2018-06-12 The Word Biblical Commentary delivers the best in biblical scholarship, from the leading scholars of our day who share a commitment to Scripture as divine revelation. This series emphasizes a thorough analysis of textual, linguistic, structural, and theological evidence. The result is judicious and balanced insight into the meanings of the text in the framework of biblical theology. These widely acclaimed commentaries serve as exceptional resources for the professional theologian and instructor, the seminary or university student, the working minister, and everyone concerned with building theological understanding from a solid base of biblical scholarship. Overview of Commentary Organization Introduction—covers issues pertaining to the whole book, including context, date, authorship, composition, interpretive issues, purpose, and theology. Each section of the commentary includes: Pericope

Bibliography—a helpful resource containing the most important works that pertain to each particular pericope. **Translation**—the author's own translation of the biblical text, reflecting the end result of exegesis and attending to Hebrew and Greek idiomatic usage of words, phrases, and tenses, yet in reasonably good English. **Notes**—the author's notes to the translation that address any textual variants, grammatical forms, syntactical constructions, basic meanings of words, and problems of translation.

Form/Structure/Setting—a discussion of redaction, genre, sources, and tradition as they concern the origin of the pericope, its canonical form, and its relation to the biblical and extra-biblical contexts in order to illuminate the structure and character of the pericope. Rhetorical or compositional features important to understanding the passage are also introduced here. **Comment**—verse-by-verse interpretation of the text and dialogue with other interpreters, engaging with current opinion and scholarly research. **Explanation**—brings together all the results of the discussion in previous sections to expose the meaning and intention of the text at several levels: (1) within the context of the book itself; (2) its meaning in the OT or NT; (3) its place in the entire canon; (4) theological relevance to broader OT or NT issues. **General Bibliography**—occurring at the end of each volume, this extensive bibliography contains all sources used anywhere in the commentary.

B-24 Liberator Units of the Fifteenth Air Force Robert F Dorr, 2012-12-20 The B-24 was heavily utilised in the North African and Mediterranean theatres by the USAAF's Fifteenth Air Force, with operations over the Ploesti oilfields in Rumania being some of the most famous missions undertaken by the big American 'heavy' in World War 2. The stirring work of the Fifteenth Air Force is often overshadowed by the glamorous 'Mighty Eighth', yet the men flying the B-24 fought ceaselessly right through to VE Day. This is the third of five titles planned to chart the operational history of the Consolidated heavy bomber, and is the first single volume to exclusively cover the Fifteenth Air Force's B-24 units.

The Book of Ezekiel, Chapters 1–24 Daniel I. Block, 1997-08-26 To most modern readers the book of Ezekiel is a mystery. Few can handle Ezekiel's relentless denunciations, his unconventional antics, his repetitive style, and his bewildering array of topics. This excellent commentary by Daniel I. Block makes sense of this obscure and often misunderstood prophet and demonstrates the relevance of Ezekiel's message for the church today.

LaTeX in 24 Hours Dilip Datta, 2017-06-27 This book presents direct and concise explanations and examples to many LaTeX syntax and structures, allowing students and researchers to quickly understand the basics that are required for writing and preparing book manuscripts, journal articles, reports, presentation slides and academic theses and dissertations for publication. Unlike much of the literature currently available on LaTeX, which takes a more technical stance, focusing on the details of the software itself, this book presents a user-focused guide that is concerned with its application to everyday tasks and scenarios. It is packed with exercises and looks at topics like formatting text, drawing and inserting tables and

figures, bibliographies and indexes, equations, slides, and provides valuable explanations to error and warning messages so you can get work done with the least time and effort needed. This means LaTeX in 24 Hours can be used by students and researchers with little or no previous experience with LaTeX to gain quick and noticeable results, as well as being used as a quick reference guide for those more experienced who want to refresh their knowledge on the subject.

24/6 Tiffany Shlain,2019-09-24 In 24/6, Tiffany Shlain explores how turning off screens one day a week can work wonders on your brain, body, and soul. Internet pioneer and renowned filmmaker Tiffany Shlain takes us on a provocative and entertaining journey through time and technology, introducing a strategy for living in our 24/7 world: turning off all screens for twenty-four hours each week. This practice, which she's done for nearly a decade with her husband and kids (sixteen and ten), has completely changed their lives, giving them more time, productivity, connection, and presence. She and her family call it "Technology Shabbat." Drawn from the ancient ritual of Shabbat, living 24/6 can work for anyone from any background. With humor and wisdom, Shlain shares her story, offers lessons she has learned, and provides a blueprint for how to do it yourself. Along the way, she delves into the neuroscience, philosophy, psychology, and history of a weekly day of rest across cultures, making the case for why we need to bring this ritual back. A compelling personal story and a fascinating, far-reaching examination of the complex world we've created, 24/6 is a call to rebalance ourselves and our society.
