**Bonnets and Aprons** Kerri Bennett Williamson, 2006-06-19 Upon the sudden death of her mother, nineteenth century Fionna ardently endeavors to fill that honored role for her younger siblings. When their father remarries, tentative hopes that their father's new wife will come to benefit their family with added happiness, are trampled by the harsh reality of their bitter stepmother's selfishness and their father's continuing indifference. Sacrificing her own romantic prospects for the greater good of her younger siblings, Fionna struggles to guide her sometimes imprudent sisters towards better matches than their vain flirtations might secure them. As time and circumstances pass, Fionna stoically resigns herself to life as a spinster, as her younger sisters begin to marry off and move away one by one. Fionna ultimately fears that her selfless dedication to her brothers and sisters may have forever closed the door to a future with the one man she ever loved.

**Lyrics of a Dreamer's Heart** Fionna M. Wright, 2012 Life is a continuous series of lessons in love, pain, healing, and growth. Author Fionna Wright has never been comfortable talking about her deepest emotions and thoughts, but those feelings were real and needed to be processed. At a young age, she found comfort and healing in writing. It has always been her truth, her escape, and her safe place. She has written Lyrics of a Dreamer's Heart for other dreamers like her those who seldom share their deepest thoughts but live by them nonetheless. Though writing was her passion, until now, it was also her secret. She did not share her passion with many people and only recently began to embrace it as something that she could share with others with the hope of helping them. After a substantial amount of pain, heartache, self-exploration, and healing, she made the decision to share her experiences with others who may be going through similar challenges in their lives. Lyrics of a Dreamer's Heart is an honest, pure, raw look into her heart and soul through her life's journey. Purest Love Worldly restrictions and judgments cannot obstruct love in its purest form. Searching for love in its purest form can be destructive. Finding love in its purest form can be healing. Find love for all

**A Grass Bank Beyond** Fionna Carothers, 2014-07-03 In Four Ducks on a Pond, Nicholas the Cat, assisted by novelist Annabel Carothers, observed his family of humans and animals during one year on the Ross of Mull in the early 1950s. More than fifty years later, Annabel's daughter Fionna discovered the manuscript in a desk drawer and, while preparing it for publication, was inspired to expand on the theme. A Grass Bank Beyond covers an extended period before mains services and frequent ferries brought about change to the Ross. Fionna remembers the freedom she enjoyed roaming the island on foot, bicycle, pony, or boat. On family outings she absorbed stories and legends about the island, attended agricultural shows and local concerts, and saw the Queen arrive for an official visit to Mull at the height of a great storm. With warmth and gentle humour she describes the solutions which overcame problems living in this beautiful but remote place.

*The Darkness Within* Fionna Barr,2012-03-15 Angela, Beatrice and Millie are three little girls living in Holland in the 1950s. Their mother is a manic depressive making life frightening and traumatic for them. When their father leaves, Mummy takes fate into her own hands with near-tragic result. The girls are taken away from her and go to live with Daddy and his new wife Aunt Agatha. Aunt Agatha treats them cruelly while Daddy, unable to cope with any more domestic upset, refuses to get involved to protect his daughters. Then Mummy dies in suspicious circumstances. Angela, Beatrice and Millie all escape in their own way through jobs, marriage and even moving abroad. For a while all seems well till Millie is diagnosed with a brain tumour. Angela and Beatrice look after her as best they can and she recovers only to be diagnosed with early-onset dementia as a result. Again Angela and Beatrice unite in their care for Millie but while they try to stimulate her mind through pictures and stories of the past they unearth many unanswered questions about the fate of Mummy: What motivated her? How did she die? Have any of them inherited her disturbed mind-set? Will they ever find the answers and finally have peace of mind and closure? When Daddy dies he leaves no clues and it is up to the girls to find out what really happened. But has time erased vital evidence? The reason Fionna is writing this book is that it is a fictionalised account of true events. For her the writing was cathartic and gave her a better understanding of the circumstances of the past. It also gave her a better insight into the psyche of her sisters. Fionna is a published author (short stories) and is well-qualified to write a comprehensive novel.
