Ten Fireflies Himanee Bhatia,2022-03-28 They say, our siblings are the friends chosen by us through blood. We can’t live with them, can’t live without them. They’re a pain in the neck and you want to smack them, but if anyone else does they’ve had it. Milleanials and their lives are often complicated. Just like their surname, these three have never done things conventionally. A story set in Delhi’s posh Vasant Vihar, with the eldest sibling, Gayatri, an accomplished gynecologist, who is now on the verge of a divorce, the middle child Rohan torn between following his passion for music or his high paying corporate job to the youngest one, Sheena, an aspiring actress trying to make her life in the tough world of films in Mumbai. What happens when these three plan a siblings trip to Goa? A riot of adventure and unforgettable experiences! So, I invite you to this journey of madness, and by the end of this book I guarantee you’re going to pick up the phone and call your sibling right away.
