In The Flag Book you'll uncover the hidden meanings of flags- from country and state colours to flags used in sports, on ships and aeroplanes, and by the most dastardly of Caribbean pirates.

**Flag** Marc Leepson, 2005 Journalist and historian Marc Leepson uncovers scores of little-known, fascinating facts as he traces the evolution of the American flag from the colonial period to the twenty-first century. Flag sifts through the historical evidence to--among many other things--uncover the truth behind the Betsy Ross myth and to discover the true designer of the Stars and Stripes. It details the many colorful and influential Americans who shaped the history of the flag--Page 4 of cover.

**The Origin and Evolution of the United States Flag** R. C. Ballard Thruston, 1926 Before we can thoroughly understand the origin and development of our flag it is necessary to go back many years and study the origin and development of that flag from which ours has been evolved.--p. 1.

A LITTLE FLAG BOOK H. W. ROOD,1919

History of the National Flag of the United States of America Schuyler Hamilton,2019-12-10 As one can guess from the title, the following book revolves around the history of how the U.S. flag comes about. The national flag of the United States of America, often referred to as the American flag or the U.S. flag, consists of thirteen equal horizontal stripes of red (top

and bottom) alternating with white, with a blue rectangle in the canton (referred to specifically as the union) bearing fifty small, white, five-pointed stars arranged in nine offset horizontal rows, where rows of six stars (top and bottom) alternate with rows of five stars.

Due to their age, these books may have missing pages or inferior quality. Our aim is to preserve these books and make them available to the public so that they do not get lost.

**The Flag of the United States** Milo Milton Quaife, 1942

**The True Story of the American Flag** John H. Fow, 2020-04-09 History is the best incentive to make men love their country; it encourages that patriotism which never falters, even at the cannon's mouth. The sight of a flag or the music of a band merely enthuses as long as one is in sight or the other can be heard; but history and its knowledge are lasting and a source of pride. So, therefore, let it be true in all its details, no matter who may fall from the high pedestals upon which they have been placed by vain-glorious descendants.
