

Flying Flea

Sir Chris Hoy

The Flying Flea, Callie and Me Bill Wallace, Carol Wallace, 2014-07-15 Who ever heard of a cat that didn't eat birds? The house people had picked me out of my litter to be a mouser. Callie was getting too old for the job. So it was mine. But I didn't plan on getting dive-bombed by a mockingbird building her nest...or adopting the baby who fell out. No joke! I'm a cat, but I do not eat birds. Mice, yes. Birds, no. Flea -- that's what I named her - - couldn't even fly. She was so scared when she toppled onto my head that she said, Eat me...it's quicker than starving to death. She was pathetic. I had to help her. The first step was protecting Flea -- and me -- from the monster rats in the barn (that's saying a mouthful!) and Bullsnake under the woodpile. Next, Callie and I had to teach Flea to fly. After all, how could she stay up North with us when her bird family was flying to Florida. I'm not a Florida kind of cat. It's just too hot for us furry types. I know I'll miss my Flea. But she'll come back -- after she's seen the world!

One Mean Ant Arthur Yorinks, 2020-02-11 An astonishingly disagreeable ant meets his match in this pitch-perfect picture book comedy from Arthur Yorinks and Sergio Ruzzier. Was there ever an ant as mean as this mean ant? Not likely. This ant is so mean that leaves fall off trees when he walks by. This ant is so mean that grapes shrivel when he looks at them. But when this mean ant finds himself lost in the desert and meets a fly that defies explanation . . . well, nothing is the same again. With this first in a planned trilogy, celebrated picture book creators Arthur Yorinks and Sergio Ruzzier team up for a hilariously slapstick tale that will make a raucous read-aloud for any storytime.

Super Fly vs. Furious Flea! Todd H. Doodler, 2016-10-04 It's not easy to be thwarted by Super Fly twice, but Crazy Cockroach isn't giving up on his plans to take over the world. And his latest plan is truly evil: to turn Super Fly's loyal sidekick, Fantastic Flea, against him! It's always been Super Fly and Fantastic Flea versus the baddies, but what will happen when it's Super Fly versus Furious Flea? Is this the end for our dynamic duo and the human world as we know it? Stay tuned! Perfect for fans of chapter book series like Captain Awesome, this boisterous story told through black & white illustrations proves superheroes come in all shapes and sizes.

The First Home-Built Aeroplanes Arthur W. J. G. Ord-Hume, 2009 These days anybody can build his or her own aeroplane in their garage or shed but back in the 1930s it was a different story. Aircraft were considered too complex for the ordinary man, F J Camm, champion of do-it-yourself, thought otherwise and started Practical Mechanics magazine which told the reader how to make all sorts of things at home. In 1935 he published a series of articles on how to build the Flying Flea aircraft which created a sensation. Although this aircraft was not a success, it sowed the seeds of amateur flying in what today we know as D-I-Y Man. When the Flying Flea was grounded because of mishaps, Practical Mechanics again rose to the challenge with the tiny Luton Minor and told its readers exactly how to make one at home. The 1939-45 war stopped everything and when peace returned home-built aircraft were effectively banned until Arthur W J G Ord-Hume, a post-war pioneer in amateur aviation, revived the pre-War Minor design and battled with the authorities to get amateur aircraft flying again, with his new Luton Minor becoming the first British design to gain post-war approval. In this fascinating and unique book all of the Practical Mechanics home-built aircraft articles are reprinted just as they were published from the Flying Flea to the LA.4a Minor.

Acid for the Children Flea, 2019-11-05 New York Times BestsellerA #1 LA Times BestsellerA USA Today BestsellerOne of NPR's Favorite Books of 2019 The iconic bassist and co-founder of the Red Hot Chili Peppers tells his fascinating origin story, complete with all the dizzying highs and the gutter lows you'd want from an LA street rat turned world famous rock star. In *Acid for the Children*, Flea takes readers on a deeply personal and revealing tour of his formative years, spanning from Australia to the New York City suburbs to, finally, Los Angeles. Through hilarious anecdotes, poetical meditations, and occasional flights of fantasy, Flea deftly chronicles the experiences that forged him as an artist, a musician, and a young man. His dreamy, jazz-inflected prose makes the Los Angeles of the 1970s and 80s come to gritty, glorious life, including the potential for fun, danger, mayhem, or inspiration that lurked around every corner. It is here that young Flea, looking to escape a turbulent home, found family in a community of musicians, artists, and junkies who also lived on the fringe. He spent most of his time partying and committing petty crimes. But it was in music where he found a higher meaning, a place to channel his frustration, loneliness, and love. This left him open to the life-changing moment when he and his best friends, soul brothers, and partners-in-mischief came up with the idea to start their own band, which became the Red Hot Chili Peppers. *Acid for the Children* is the debut of a stunning new literary voice, whose prose is as witty, entertaining, and wildly unpredictable as the author himself. It's a tenderly evocative coming-of-age story and a raucous love letter to the power of music and creativity from one of the most renowned musicians of our time.

Flying Fergus 1: The Best Birthday Bike Sir Chris Hoy, 2016-02-25 The first in a fantastically fun, magical cycling adventure series from Sir Chris Hoy. Fergus Hamilton, a boy who always dreams big, gets a rusty old bike for his ninth birthday from his mum and granddad. It's not the flashy Sullivan Swift he'd longed for - but when it's all cleaned up and he takes it for a test run, he discovers something amazing. When the pedals turn backwards, Fergus and his dog, Chimp, are magically transported to Nevermore, a land where cycling is banned by the wicked King Woebegot. He meets the ever enthusiastic Princess Lily, has an amazing adventure bunny-hopping on his bike over the Swamp of Certain Death and outwitting the Knights of No-Nonsense and their Hounds of Horribleness, and lands back in the real world with a bump. Fergus still has to complete the time trial to join the local cycling team though - can Grandpa Herc and his best friend Daisy help him realise that he doesn't need magic to succeed, and that hard work, a bit of patience and some help from his friends can do the trick? With fantastic illustrations from Clare Elsom.
