Frytanic Greg Nerenberg,2015-04-16 The Condiment Dragons reign over the colossal, food-themed world of Condiment Continent. Led by Keegan-The-Ketchup and Roxy-The-Relish, they watch over this mythical land and its outlandish population of citizen gnomes. But, there's a problem. Several, actually. The rival Dressing Dragons, scattered offshore across the Thousand Islands, harass the wacky gnome populace of Condiment Continent at whim. Regular patrols of the countryside by the Condiment Dragons serve to curb attacks from the evildoers, but only to a point. From Calicornia to the New York Island, from the Breadwood Forest to the Gulf Cream Waters, the Dressing Dragons wreak havoc upon Condiment Continent virtually at will. Today's an exciting one, as the Souper Bowl is being held in Matzo Balltimore on the shores of Lake Souperior. Condiment Dragons Keegan, Roxy, and Dip-The-Dip have flown in from the Food Pyramid for today's game. Let's hope Dressing Dragons Caesar-The-Caesar and Rusty-The-Ranch don't do anything to spoil the fun...

Finger Folk Marilyn Lohnes, 1999 Become a master of the popular fingerplays technique with this extensively illustrated, step-by-step guide. Contains 25 complete, ready-to-use programs on popular animal and holiday topics, quick-and-easy craft and finger puppet patterns (choose quick Fun Foam or elaborate sewn characters) and easily learned rhyming fingerplays. The book offers advice on combining fingerplays with other storytelling methods and includes several creative activities for classrooms or libraries, simple instructions on how to plan entertaining and enriching programs, and an annotated list of topic-related books, songs and musical resources.

Hand, Hand, Fingers, Thumb Al Perkins, 2016-09-06 Illus. in full color. A madcap band of dancing, prancing monkeys explain hands, fingers, and thumbs to beginning readers.

I Love to Finger Paint! Jennifer Lipsey, 2006 Sometimes all it takes is a little hands-on playfulness to get children involved in art. So forget the brushes--this third entry in the My Very Favorite Art Book series puts its finger on what kids find fun. The colorful array of creative activities will have budding painters amazed at all the

different ways they can use their fingers, hands, and even their feet to make both realistic and abstract pictures. It won't be long before proud youngsters produce galleries of blot masterpieces, dinosaurs, fingerprint people, animals, and crazy creatures. Plus, they'll learn some simple how-tos for mixing colors and making their own paints. And the text is kept to a minimum, so even pre-readers can follow along.

My Fantastic Foam Klutz,2017-01-09 Kids can create colourful works of art with simple step-by-step instructions to build people, pets and more, with over 200 fantastic foam shapes. This book and craft kit includes a sketchpad full of removable pages, which makes it easy for little hands to layer the foam and decorations with ease.

Upon Further Review Mike Pesca,2018-05-15 From Mike Pesca, host of the popular Slate podcast The Gist, comes the greatest sports minds imagining how the world would change if a play, trade, injury, or referee's call had just gone the other way. Intriguing...thought provoking...delightful. --The Washington Post No announcer ever proclaimed: Up Rises Frazier! Havlicek commits the foul, trying to steal the ball! or The Giants Lose the Pennant, The Giants Lose The Pennant! Such moments are indelibly etched upon the mind of every sports fan. Or rather, they would be, had

they happened. Sports are notoriously games of inches, and when we conjure the thought of certain athletes - like Bill Buckner or Scott Norwood - we can't help but apply a mental tape measure to the highlight reels of our minds. Players, coaches, and of course fans, obsess on the play when they ask, What if? Upon Further Review is the first book to answer that question. Upon Further Review is a book of counterfactual sporting scenarios. In its pages the reader will find expertly reported histories, where one small event is flipped on its head, and the resulting ripples are carefully documented, the likes of... What if the U.S. Boycotted Hitler's Olympics? What if Bobby Riggs beat Billie Jean King? What if Bucky Dent popped out at the foot of the Green Monster? What if Drew Bledsoe never got hurt? Upon Further Review takes classic arguments conducted over pints in a pub and places them in the hands of dozens of writers, athletes, and historians. From turning points that every sports fan rues or celebrates, to the forgotten would-be inflection points that defined sports, Upon Further Review answers age old questions, and settles the score, even if the score bounced off the crossbar.

Vivid Language and Elaboration Judy Gould,Evan Jay

Gould,Mary F. Burke,2010-09-01 Teach writing skills, such as how to use vivid language and elaborate, using the Four Square method, which has been proven to work in classrooms just like yours. The Four Square method can be used with all forms of writing and will fit any reading or language arts program. This step-by-step approach is built around a simple graphic organizer that first shows students how to collect ideas and then helps them use those ideas to create clear and polished prose. Open-ended reproducibles make the technique accessible to writers of all ability ranges. It is also great for content area writing.

Taller, Slimmer, Younger Lauren Roxburgh, 2016-02-02 From the A-list bodyworker, trainer, and alignment expert dubbed "the body whisperer" by Goop comes Taller, Slimmer, Younger—a powerfully simple daily foam roller routine to help you sculpt longer, leaner muscles, stand an inch taller, look ten pounds slimmer, and renew your body and mind. Are you ready to roll? **ALIGN YOUR BODY, ALIGN YOUR LIFE** There's a new buzzword in the fitness

world: fascia. It's the connective tissue that wraps around your muscles and organs and helps keep everything in place. But in our increasingly busy and often stressful lives, tension and toxins are often stored within our fascia, resulting in serious long-term consequences including poor posture, excess weight, acute anxiety, and chronic pain. Fitness and alignment expert Lauren Roxburgh—who has worked with such stars as Gwyneth Paltrow, Gabby Reece, Melissa Rauch, and Baron Davis—has the solution to keep your fascia supple, flexible, and strong. Using only a foam roller, you can reshape and elongate your muscles for a leaner, younger look, while also releasing tension, breaking up scar tissue, and ridding yourself of toxins. In just fifteen minutes a day, Roxburgh's 21-day program will guide you through a simple series of unique rolling techniques that target ten primary areas of the body, including the shoulders, chest, arms, legs, hips, butt, back, and stomach. The result is a healthy, balanced, aligned body that not only looks but feels fantastic. Advance praise for *Taller, Slimmer, Younger* “As an athlete with a lifelong passion for fitness and wellness, I am always looking to get an edge in my body, and Lauren Roxburgh has helped me do just that. Lauren's philosophy will rejuvenate your body and spirit, helping you look and feel

lighter and brighter, reducing stress and tension, while dramatically improving your stance in your body and also in your life!”—Gabby Reece, U.S. beach volleyball champion “This book is sure to become the body bible for anyone who wants to live a healthy, fit, and balanced life.”—Melissa Rauch, actress, *The Big Bang Theory* and *True Blood* “Lauren’s method has rejuvenated my spirit, giving me more energy and strength, which has allowed me to perform better on and off the court.”—Baron Davis, two-time NBA all-star “Lauren’s method sculpts the body’s soft tissues, slimming and streamlining whatever part you work. She’s a ‘body whisperer!’”—Goop “If you’ve never tried foam rolling, I highly recommend it. [Lauren Roxburgh’s] program is designed to improve posture, release tension and stress, activate and strengthen the core, and heal from the inside out. When I was a model, I used a foam roller to lengthen my muscles. I’m so excited to get back into it once I give birth! Oh, and Goop dubbed her ‘The Body Whisperer.’ Enough said.”—MollySims.com

Caring for Elderly People: Understanding and Practical Help; Third Edition Susan Hooker, 2024-02-22 The book concerns itself primarily with elderly people who are either living alone or with relatives. In addition to setting out the practical steps to be taken in

the treatment of illness (such as Parkinson's disease, stroke, bronchitis, etc.), the author explains why elderly people cannot cope with apparently simple operations, and why they act in a certain way. An extensive list of aids and gadgets, ancillary and community services, is designed to provide supportive advice to relatives and professionals alike, and to encourage the maximum possible self-reliance in the elderly.

Laker Girl Jeanie Buss, Steve Springer, 2013-09-01 The never-before-told story of the Buss family and of one woman's rise to the top in a man's world, *Laker Girl* is an unprecedented glimpse into the glamorous world of the Los Angeles Lakers. It is also a behind-the-scenes journal of the 2009&–10 Lakers season, a year in which the franchise captured its 16th world championship. By the time Jeanie was 19, she was already a high-ranking executive with World Team Tennis. Today, she is the Lakers' executive vice president of business operations and one of the most influential women in professional sports. Along the way, she's rubbed elbows with everyone from Michael Jordan, John McEnroe, and Shaquille O'Neal to Ryan Seacrest, Khloe Kardashian, Hugh Hefner, and

Jack Nicholson. And she's done it all in her own unique, inimitable style. In this updated edition, Buss discusses her recent engagement to Phil Jackson and looks back on the Lakers' eventful past three seasons—an era that has included multiple coaching changes, changes in the front office, a new TV deal, and much more.
