Ukeria: the Prophecy of Cypher Mr. Uker,2012-03-19 A centuries old prophecy is about to be fulfilled and the only one that doesnt know about it, is the one man that has everything to do with it, CYPHER. In Ukeria, a land segregated by species and hate, an ancient prophecy has begun. Cypher emerges in a land that he doesnt recognize. He doesnt know who he is or where he came from. He meets an imp named Waljan who promises to take him back to his human village only to turn him over to the Groenuho tribe. While in captivity, he learns of the prophecy and the fear that he strikes amongst the people across the land, for he is the one that will destroy their world. After escaping death and the Groenuho, he meets other creatures that are willing to do whatever it takes to stop him from fulfilling the prophecy. Confused and lost he continues to find help from a select few of creatures, while trying to find his purpose in the land of Ukeria. In a struggle to escape death and avoid his part in the prophecy, Cypher turns out to be more than what the creatures of Ukeria could ever imagine.

Industrial Applications of Semantic Web Max A. Bramer,Vagan Terziyan,2005-08-25 The Semantic Web, that adds a conceptual layer of machine-understand able metadata to the existing content, will make the content available for processing by intelligent software allowing automatic resource integration and providing interoperability between heterogeneous systems. The Semantic Web is now the most important influence on the development of the Web. Next generation of intelligent applications will be capable to make use of such metadata to perform resource discovery and integration based on its seman tics. Semantic Web, aims at developing a global environment on top of Web with interoperable heterogeneous applications, agents, web services, data repositories, humans, and so on. On the technology side, Web-oriented lan guages and technologies are being developed (e.g. RDF, OWL, OWL-S, WSMO, etc.), and the success of the Semantic Web will depend on a wide spread industrial adoption of these technologies. Trend within worldwide activities related to Semantic Web definitely shows that the technology has emerging growth of interest both academic and industry during a relatively small time interval.
