Reimagining Delilah's Afterlives as Femme Fatale Caroline Blyth,2017-10-05 The story of Samson and Delilah in Judges 16 has been studied and retold over the centuries by biblical interpreters, artists, musicians, filmmakers and writers. Within these scholarly and cultural retellings, Delilah is frequently fashioned as the quintessential femme fatale - the shamelessly seductive 'fatal woman' whose sexual treachery ultimately leads to Samson's downfall. Yet these ubiquitous portrayals of Delilah as femme fatale tend to eclipse the many other viable readings of her character that lie, underexplored, within the ambiguity-laden narrative of Judges 16 - interpretations that offer alternative and more sympathetic portrayals of her biblical persona. In Reimagining Delilah's Afterlives as Femme Fatale, Caroline Blyth guides readers through an in-depth exploration of Delilah's afterlives as femme fatale in both biblical interpretation and popular culture, tracing the social and historical factors that may have inspired them. She then considers alternative afterlives for Delilah's character, using as inspiration both the Judges 16 narrative and a number of cultural texts which deconstruct traditional understandings of the femme fatale, thereby inviting readers to view this iconic biblical character in new and fascinating lights.

The New Woman's Film Hilary Radner,2017-01-20 With the chick flick arguably in decline, film scholars may well ask: what has become of the woman's film? Little attention has been paid to the proliferation of films, often from the independent sector, that do not sit comfortably in either the category of popular culture or that of high art--films that are perhaps the corollary of the middle-brow novel, or smart-chick flicks. This book seeks to fill this void by focusing on the steady stream of films about and for women that emerge out of independent American and European cinema, and that are designed to address an international female audience. The new woman's film as a genre includes narratives with strong ties to the woman's film of classical Hollywood while constituting a new distinctive cycle of female-centered films that in many ways continue the project of second-wave feminism, albeit in a modified form. Topics addressed include: The Bridges of Madison County (Clint Eastwood, 1995); the feature-length films of Nicole Holofcener, 1996-2013; the film roles of Tilda Swinton; Rachel Getting Married (Jonathan Demme, 2008); Blue Jasmine (Woody Allen, 2013); Frances Ha (Noah Baumbach, 2012), Belle (Amma Asante, 2013), Fifty Shades of Grey (Sam Taylor-Johnson, 2015) and Jane Campion's Top of the Lake (Sundance Channel, 2013-).

Hommages à la Femme Ray Bazile,2016-08-05 Au-delà des vagues turbulentes de la vie, la femme est patiente, courageuse et spirituelle. Comme une nouvelle lune, les saisons peuvent altérer son image, mais malgré toutes ces contraintes, elle demeure éternellement Femme. Ce recueil de poèmes invite l'être le plus symbolique de la création à se redécouvrir et prendre possession de son héritage sacré. Sans relâche, tambour battant, elle doit continuer le combat quotidien contre toutes les forces d'injustice. À l'homme qui veut réellement changer, nous l'invitons - si ce n'est pas déjà fait - à pendre sa place auprès d'elle et joindre cette nouvelle croisade qui n'est autre qu'un devoir civique et une obligation morale ! Comme le chante si bien Jean Ferrat, "La femme est l'avenir de l'homme."

Dames in the Driver's Seat Jans B. Wager,2005-09-01 With its focus on dangerous, determined femmes fatales, hardboiled detectives, and crimes that almost-but-never-quite succeed, film noir has long been popular with moviegoers and film critics alike. Film noir was a staple of classical Hollywood filmmaking during the years 1941-1958 and has enjoyed a resurgence in popularity since the 1990s. Dames in the Driver's Seat offers new views of both classical-era and contemporary noirs through the lenses of gender, class, and race. Jans Wager analyzes how changes in film noir's representation of women's and men's roles, class status, and racial identities mirror changes in a culture that is now often referred to as postmodern and postfeminist. Following introductory chapters that establish the theoretical basis of her arguments, Wager engages in close readings of the classic noirs The Killers, Out of the Past, and Kiss Me Deadly and the contemporary noirs L. A. Confidential, Mulholland Falls, Fight Club, Twilight, Fargo, and Jackie Brown. Wager divides recent films into retro-noirs (made in the present, but set in the 1940s and 1950s) and neo-noirs (made and set in the present but referring to classic noir narratively or stylistically). Going beyond previous studies of noir, her perceptive readings of these films reveal that retro-noirs fulfill a reactionary social function, looking back nostalgically to outdated gender roles and racial relations, while neo-noirs often offer more revisionary representations of women, though not necessarily of people of color.

The Muslim World in Post-9/11 American Cinema Kerem Bayraktaroğlu,2018-08-10 Focusing on the decade following 9/11, this critical analysis examines the various portrayals of Muslims in American cinema. Comparison of pre- and post-9/11 films indicates a stereotype shift, influenced by factors other than just politics. The evolving definitions of male, female and child characters and of setting and landscape are described. The rise of the formidable American female character who dominates the weak Muslim male emerges as a common theme.

Women of the Left Bank Shari Benstock,2010-06-28 A "valuable and intriguing" study of the lives and works of literary women who shaped expatriate Paris (NPR). Focusing on some two dozen American, English, and French women whose talent shaped the Paris expatriate experience in the early twentieth century, from Anais Nin to Alice B. Toklas and beyond, this book shines new light on how gender was experienced and expressed during an important moment in modern literary history. Shari Benstock . . . weaves together, with great skill, the histories of an extraordinary group of talented women—publishers like Sylvia Beach, Caresse Crosby, Margaret Anderson, and Jane Heap, novelists Jean Rhys, Gertrude Stein, and Edith Wharton. She examines in some depth the writing produced by poets, journalists and novelists, thus combining literary criticism and social history in a seamless running narrative." —NPR "Through their writings, including unpublished and newly available documentary sources of the period, Djuna Barnes, Nancy Cunard, Jean Rhys, Gertrude Stein, Edith Wharton and others are revealed as significant in the development of modernism, imagism and other avant-garde movements in which they were overshadowed or ignored by their male counterparts. . . . Benstock tracks the sexually liberated lifestyles and the creative originality of these women with a wealth of documentation." —Publishers Weekly "An inspiration, setting a standard for literary history and feminist criticism that will be difficult to surpass." —American Literature

Cherchez la femme Erika Fülöp,2011-05-25 Throughout history, the most fundamental values at the basis of societal organization and culture were determined and sanctified almost exclusively by men—including the values traditionally associated with women, such as corporeal beauty, purity, motherhood, or empathy. However, from ancient times, and increasingly toward the end of the second millennium, women have succeeded in finding ways to overcome such limits and have made their contributions to the revision of values and to the establishment of new ones. Cherchez la femme offers a selection of essays inquiring into the nature of aesthetic, linguistic, cultural, and social values created, informed, or reformed by women in the French-speaking world, as well as studies on how the discourse of (male) power used female figures to strengthen its own position. With topics ranging in time from Semiramis's ancient legend to today, and in space from Québec to Haiti, metropolitan France, and New Caledonia, the volume shares the richness and fruitfulness of the female perspective in art, culture, theory, and political action.

Devils in Daylight Jun'ichirō Tanizaki,2024-03-16 One morning, Takahashi, a writer who has just stayed up all night working, is interrupted by a phone call from his old friend Sonomura: barely able to contain his excitement, Sonomura claims that he has cracked a secret cryptographic code based on Edgar Allan Poe's The Gold-Bug and now knows exactly when and where a murder will take place—and they must hurry if they want to witness the murder, because it's later that very night! Sonomura has a history of lunacy and playing the amateur detective, so Takahashi is of course reluctant to believe him. Nevertheless, they stake out the secret location, and through tiny peepholes in the knotted wood, become voyeurs at the scene of a shocking crime... Atmospheric, erotic, and tense, Devils in Daylight is an early work by the master storyteller who "created a lifelong series of ingenious variations on a dominant theme: the power of love to energize and destroy" (Chicago Tribune).

"Ces forces obscures de l'âme" Christine Margerrison,2008-01-01 This is the first major investigation of Camus's prose fiction to explore the

developing presentation of women, from the author’s earliest writings to his last, unfinished novel. Avoiding the traditional relegation of this subject to an emotional or private sphere, it traces Camus’s intellectual development in order to demonstrate the centrality of this subject to Camus’s work as a whole. If the Absurd, constructed over the body of the “real” woman, liberates the writer to follow a “true path” of literary creation, the impending loss of his Algerian homeland impells a return to “all that he had not been free to choose”, the ties of blood. These conflictual and unresolved ties are here investigated, in conjunction with the presentation of mythical female figures expressing Camus’s darkest fears, partly voiced in other writings, concerning that “other” Algeria for which he would never fight. Exploring complex interconnections between sexuality, “race” and colonialism, this volume is pertinent to all who are interested in the writings of Camus, particularly those seeking relevant new ways of approaching his work.

Waste Matters Sarah K. Harrison,2016-08-12 How do those pushed to the margins survive in contemporary cities? What role do they play in today’s increasingly complex urban ecosystems? Faced with stark disparities in human and environmental wellbeing, what form might more equitable cities take? Waste Matters argues that contemporary literature and film offer an insightful and timely response to these questions through their formal and thematic revaluation of urban waste. In their creation of a new urban imaginary which centres on discarded things, degraded places and devalued people, authors and artists such as Patrick Chamoiseau, Chris Abani, Dinaw Mengestu, Suketu Mehta and Vik Muniz suggest opportunities for an inclusive urban politics that demands systematic analysis. Waste Matters assesses the utopian promise and pragmatic limitations of their as yet under-examined work in light of today’s pressing urban challenges. This book will be of great interest to scholars and students of English Literature, Postcolonial Studies, Urban Studies, Environmental Humanities and Film Studies.
