He must kill Haaris, the terrorists' leader, the man they call "the Messiah"—code name: The Fourth Horseman. This edition of the book is the deluxe, tall rack mass market paperback.

Beyond Retribution Christopher D. Marshall, 2001
Recently a growing number of Christians have actively promoted the concept of restorative justice and attempted to develop programs for dealing with crime based on restorative principles. But is this approach truly consistent with the teaching of Scripture? To date, very little has been done to test this claim. *Beyond Retribution* fills a gap by plumbing the New Testament on the topics of crime, justice, and punishment. Christopher Marshall first explores the problems involved in applying ethical teachings from the New Testament to mainstream society. He then surveys the extent to which the New Testament addresses criminal justice issues, looking in particular at the concept of the justice of God in the teachings of Paul and Jesus. He also examines the topic of punishment, reviewing the debate in social thinking over the ethics and purpose of punishment -- including capital punishment -- and he advocates a new concept of restorative punishment. The result of this engaging work is a biblically based challenge to imitate the way of Christ in dealing with both victims and offenders. - Publisher

Retreat and Retribution in Afghanistan 1842

Margaret Kekewich, 2011-06-13 The blow to British pride and confidence caused by the crushing defeat of their army in Afghanistan during the winter of 1841/2 compares in its impact to the disaster in New York on 11 September 2001. The British had replaced a popular and effective monarch with a weak one in the mistaken belief that he would keep the Russians at bay. Two years later, nearly all the British and Indian soldiers in the region were killed in a popular uprising. Margaret Kekewich's perceptive new study of the conflict describes the British defeat, their reoccupation of Afghanistan in the spring of 1842, then their final withdrawal at the end of the year. Her account, which is based on the graphic diaries written by two British eyewitnesses, gives a fascinating insight into the conflict in Afghanistan 150 years ago. The story is told by, first, Lady Sale who together with over 100 women, children and soldiers was captured and imprisoned by the Afghans. The second account comes from the Reverend Allen, a young chaplain to the army that invaded Afghanistan in April 1842 to avenge British humiliation and rescue the prisoners. Both these eyewitnesses deplored the follies that had led to war and defeat and also the suffering that was inflicted on many innocent Afghans. At a time when British forces are deeply engaged in another war in Afghanistan, Margaret Kekewich offers a balanced

and thought-provoking new perspective on a previous conflict in the region.

Dictionary of the Old Testament: Wisdom, Poetry and Writings TREMPER LONGMAN III, PETER

ENNS, 2020-05-21 The Old Testament books of wisdom and poetry carry themselves differently from those of the Pentateuch, the histories or the prophets. The divine voice does not peal from Sinai, there are no narratives carried along by prophetic interpretation nor are oracles declaimed by a prophet. Here Scripture often speaks in the words of human response to God and God's world. The hymns, laments and thanksgivings of Israel, the dirge of Lamentations, the questionings of Qohelet, the love poetry of the Song of Songs, the bold drama of Job and the proverbial wisdom of Israel all offer their textures to this great body of biblical literature. Then too there are the finely crafted stories of Ruth and Esther that narrate the silent providence of God in the course of Israelite and Jewish lives. This third Old Testament volume in IVP's celebrated Black Dictionary series offers nearly 150 articles covering all the important aspects of Job, Proverbs, Ecclesiastes, Psalms, Song of Songs, Lamentations, Ruth and Esther. Over 90 contributors, many of them experts in this literature, have contributed to the 'Dictionary of the Old Testament: Wisdom, Poetry and Writings'. This volume maintains the quality of scholarship that students, scholars and pastors have come to expect from this series. Coverage of each biblical book includes an introduction to the book itself as well as separate articles on their ancient Near

Eastern background and their history of interpretation. Additional articles amply explore the literary dimensions of Hebrew poetry and prose, including acrostic, ellipsis, inclusio, intertextuality, parallelism and rhyme. And there are well-rounded treatments of Israelite wisdom and wisdom literature, including wisdom poems, sources and theology. In addition, a wide range of interpretive approaches is canvassed in articles on hermeneutics, feminist interpretation, form criticism, historical criticism, rhetorical criticism and social-scientific approaches. The 'Dictionary of the Old Testament: Wisdom, Poetry and Writings' is sure to command shelf space within arm's reach of any student, teacher or preacher working in this portion of biblical literature.

The Castle of Roviego Mary Pickard, 1805

Retribution Jennifer Fallon, 2017-05-22 The thrilling sequel to THE LYRE THIEF Since fleeing Winterneest to avoid King Hablet's wrath when he discovers the truth about her parentage, leaving her slave, Charisee, to take her place, Rakaia has been on quite an adventure. She has met the demon child, traveled the continent with the charming minstrel, Mica the Magnificent, enjoying more freedom than she ever imagined trapped in the harem in Talabar. But her freedom has come at a cost. Mica has committed an unthinkable crime, worse even, than stealing the golden lyre, and she is now his unwilling accomplice, sailing the high seas on a Tri-lander pirate ship, doing everything she can to avoid upsetting the man she once thought she loved, but has now realized is quite

insane. Meanwhile, Charisee, still pretending to be Rakaia, is trying to make the best of her new life as the Lady of Highcastle. But Rakaia's past will catch up with her, even as her own lies are in danger of being exposed. As Adrina struggles to hold Hythria together, and Marla tries to deal with the fallout from the shocking events that take place in the Citadel during the treaty negotiations, Wrayan Lightfinger and the apprentice sorcerer, Julika Hawksword, must travel to Sanctuary to find out why the fortress is back. What they will discover is shocking and will affect the entire world, even though they don't realize it.

The Hermeneutics of the 'Happy' Ending in Job 42:7-17 Kenneth Numfor Ngwa, 2012-02-14 The hermeneutics employed in this work is partly referred to as hindsight hermeneutics, and upholds the resonance and dissonance between the Epilogue of the Book of Job and the preceding sections. Within the Theophany-epilogue continuum, rebuke and approval, retribution and its suspension, divine transcendence and accessibility are all held together. The dramatically discordant traditions in the preceding section are not interpreted as competing alternatives but as complementary possibilities for understanding the nature of the divine-human relationship and responding to the threat and reality of chaos and suffering.

Retribution Al Rennie, 2015-01-05 When Al's daughter is beaten and her children are taken, he realizes how out of touch he has been. He is snapped into a new reality when his son-in-law
