Jim Henson Brian Jay Jones,2016-05-10 NEW YORK TIMES BESTSELLER • For the first time ever—a comprehensive biography of one of the twentieth century’s most innovative creative artists: the incomparable, irreplaceable Jim Henson He was a gentle dreamer whose genial bearded visage was recognized around the world, but most people got to know him only through the iconic characters born of his fertile imagination: Kermit the Frog, Bert and Ernie, Miss Piggy, Big Bird. The Muppets made Jim Henson a household name, but they were just part of his remarkable story. This extraordinary biography—written with the generous cooperation of the Henson family—covers the full arc of Henson’s all-too-brief life: from his childhood in Leland, Mississippi, through the years of burgeoning fame in America, to the decade of international celebrity that preceded his untimely death at age fifty-three. Drawing on hundreds of hours of new interviews with Henson's family, friends, and closest collaborators, as well as unprecedented access to private family and company archives, Brian Jay Jones explores the creation of the Muppets, Henson’s contributions to Sesame Street and Saturday Night Live, and his nearly ten-year campaign to bring The Muppet Show to television. Jones provides the imaginative context for Henson’s non-Muppet projects, including the richly imagined worlds of The Dark Crystal and Labyrinth—as well as fascinating misfires like Henson’s dream of opening an inflatable psychedelic nightclub. An uncommonly intimate portrait, Jim Henson captures all the facets of this American original: the master craftsman who revolutionized the presentation of puppets on television, the savvy businessman whose dealmaking prowess won him a reputation as “the new Walt Disney,” and the creative team leader whose collaborative ethos earned him the undying loyalty of everyone who worked for him. Here also is insight into Henson’s intensely private personal life: his Christian Science upbringing, his love of fast cars and expensive art, and his weakness for women. Though an optimist by nature, Henson was haunted by the notion that he would not have time to do all the things he wanted to do in life—a fear that his heartbreaking final hours would prove all too well founded. An up-close look at the charmed life of a legend, Jim Henson gives the full measure to a man whose joyful genius transcended age, language, geography, and culture—and continues to beguile audiences worldwide. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY BOOKPAGE “Jim Henson vibrantly delves into the magnificent man and his Muppet methods: It’s an absolute must-read!”—Neil Patrick Harris “An exhaustive work that is never exhausting, a credit both to Jones’s brisk style and to Henson’s exceptional life.”—The New York Times “[A] sweeping portrait that is a mix of humor, mirth and poignancy.”—Washington Independent Review of Books “A meticulously researched tome chock-full of gems about the Muppets and the most thorough portrait of their creator ever crafted.”—Associated Press

Weekly Reader Presents Baby Fozzie on Cloud Nine Barry Keating,1987

Overcoming Your Child's Fear of Dogs Stefani M. Cohen,Cathy Malkin,2020-05-05 ￼￼￼￼ A must read for anyone who wants to help a child overcome their fear of dogs. - Amazon Customer ￼￼￼￼ Amazing step by step guide! T. _____ Based on decades of experience as a therapist, parenting coach and mother of a child who was afraid of dogs, I developed the Overcoming Fear of Dogs (OFOD) protocol. This is a step-by-step guide for parents (therapists will find it helpful as well) based on exposure therapy using a live dog. ♦ This book provides an easy to understand tool for parents to help their child overcome the fear of dogs. By using exposure therapy and my specifically designed exercises, parents will gradually increase their child's exposure to a real dog and thereby decrease their child's fear and resistance. This book helps parents understand how and why their child is afraid of dogs and most importantly how to help their child face the fear and overcome it. ♦ When a child has a strong fear of dogs it is important to address this fear as soon as possible. There is much to gain when children are able to overcome their fears. They develop self-confidence and self-esteem and feel empowered. Children who face their fears learn coping skills and self-control, two of the biggest predictors of success later in life. In addition, they learn to speak up and ask for help. ♦ By using the method in this book children will become more aware of their feelings and learn to express them clearly. • Mindfulness and relaxation exercises are included in the book to help this develop. • Anxiety and fear create the feeling of being out of control. ♦ My method helps kids feel in control and take back the leash when interacting with dogs. Most children do not outgrow this fear and they need to have supervised brief and positive experiences with dogs in order to feel safe and in control when interacting with them. Dogs are everywhere these days and it is impossible to avoid them. Kids who are afraid of dogs suffer socially and emotionally. They avoid sleepovers and play dates where a dog is in residence. They often refuse to go to a park in case they might encounter a dog. Some children will even endanger themselves by running into the street to avoid a dog. Children are afraid of things they don't understand and this book provides education for parents and children about dogs. The book includes information on how dogs communicate as well as how to read dogs and know when it is safe to interact with them and when it is best to stay away. ♦ My ultimate goal

is to enable children to feel comfortable around dogs so their lives aren't disrupted by the fear of them. While the book is designed for parents of children aged 5-12 my method can be used with older children and adults.
