*The Unofficial Guide to Opening a Franchise* Jason R. Rich,2007-03-22 The inside scoop... for when you want more than the official line! So you dream of escaping the 9-to-5 rat race, starting your own business, and becoming your own boss, but you don't have a clue where to start. Opening a franchise-based business can lower your start-up costs and reduce the time, hassle, and risk associated with getting a new business operational. A franchise offers training, support, a proven business model, and the closest thing possible to a turnkey solution for achieving success. There are more than 3,000 different franchise opportunities in more than seventy-five industries, including packaging and shipping, tax preparation, maid service, fitness, car care, and more. Featuring exclusive, in-depth interviews with a wide range of franchising experts, this book gives you a first-hand perspective plus valuable tips and strategies for success. It provides the guidance you need to choose the right franchise, select a prime location, market your business, and get it up and running efficiently. You'll learn all about financing, essential business skills, hiring and managing employees, working with suppliers, and even preparing for your grand opening. This guide includes: Vital Information on things to look for when evaluating franchise opportunities--and where to look Insider Secrets from successful franchisors, franchisees, and franchise consultants Money-Saving Techniques such as using a franchise attorney to help you review the UFOC (Uniform Franchise Offering Circular) and finalize your Franchise Agreement The Scoop on the latest trends, plus profiles of the top twenty-five franchises in America Handy Worksheets to help you examine your goals and opportunities, evaluate financing options, develop a realistic business plan, and more

**Franchise: The Golden Arches in Black America** Marcia Chatelain,2020-01-07 WINNER • 2021 PULITZER PRIZE IN HISTORY Winner • 2022 James Beard Foundation Book Award [Writing] The “stunning” (David W. Blight) untold history of how fast food became one of the greatest generators of black wealth in America. Just as *The Color of Law* provided a vital understanding of redlining and racial segregation, Marcia Chatelain’s Franchise investigates the complex interrelationship between black communities and America’s largest, most popular fast food chain. Taking us from the first McDonald’s drive-in in San Bernardino to the franchise on Florissant Avenue in Ferguson, Missouri, in the summer of 2014, Chatelain shows how fast food is a source of both power—economic and political—and despair for African Americans. As she contends, fast food is, more than ever before, a key battlefield in the fight for racial justice.

*The Franchise Ratings Guide* Gary Kowalski,2006 In America, a new franchise outlet opens every eight minutes-a rate that is accelerating both here and worldwide-yet to date, no publication has provided more than a cursory glimpse into the owners' experiences. The Franchise Ratings Guide is a deeper examination, revealing an industry in which deceit is common and a full 30% of franchise owners regret their purchase. The Franchise Ratings Guide provides essential and thorough advice on pre-purchase steps, in-depth, actual owner insight from more than 3,000 franchise owners, and reference data on each company surveyed, including contact, investment, and royalty information. It's got all the information you need to make an informed investment decision.

*Tips and Traps when Buying a Franchise* Mary E. Tomzack,1994 In this book, Tomzack steers potential franchise buyers around the pitfalls, guiding them towards making a lucrative purchase. Spelling out what it takes to succeed, she helps would-be franchisees determine if the option is right for them. She reveals how to: find the right franchise and avoid the wrong ones; find the right location; match a franchise with personal finances and lifestyle; avoid the five most common first-year pitfalls; find the best sources for financing; choose a prime location; ask the right questions, so potential buyers can be sure not to lose money; navigate the legal maze; buy equipment; recruit and train employees; and mount local promotions. In addition, Tomzack covers ground-floor opportunities in subfranchising, international and home-based franchises.

**Franchise** Mitchell York,2009-06 This book is a must-read for anyone who is considering owning a franchise. Business ownership is a life-changing event that must be carefully considered and this book is a great first step. -Angie Shaw, The Entrepreneur's Source As the American economic landscape shifts, seasoned corporate executives are looking at independent business ownership as a way to secure and control their futures, and franchised businesses are growing in their appeal. But pouring a large amount of money into a franchise does not guarantee success. In this book, you'll find out: How to determine if you can succeed as a franchise owner; What dangerous pitfalls to avoid as a buyer; The potential rewards of owning your own business; Whether or not the numbers make sense; Ways to raise money for your venture; And much more! If you are tired of the corporate world and want to escape the rat race, then let Mitchell York, a successful franchisee and professional certified coach, guide you through the many steps involved in deciding whether or not to buy a franchise and how to do it right. As the former president of LendingTree Inc. and other major companies, he now owns a profitable and growing franchised business, and he's sharing his secrets for success in Franchise: Freedom or Fantasy?

*The Franchise Fix* Aicha Bascaro,2018-03-06 The Franchise Fix helps franchisees set up their food franchise business for success. Investing on a proven food franchise does not guarantee success for the franchisee. To be a successful franchisee, franchisees must set up the right management systems to support their business as well as take advantage of everything the franchisor has to offer. The Franchise Fix is a step-by-step guide that shows franchisees how to do exactly that! Covering the winning systems and processes that food industry veteran Aicha Bascaro discovered from working with hundreds of successful franchisees across the US and around the world, The Franchise Fix helps franchisees take control of their food franchise and increase their profits.

Franchising Dreams Peter M. Birkeland,2004-02-01 McDonald's. Blockbuster Video. Jiffy Lube. Subway. Franchising has become an ever-present feature of the American landscape. One-third of the U.S. gross domestic product flows through franchises, and one out of every sixteen workers is employed by one. But how did franchising come to play such a dominant role in the American economy? What are the day-to-day experiences of franchisees and franchisers in the workplace? What challenges and pitfalls await them as they stake their claim to prosperity? These are just a few of the questions explored in Franchising Dreams, a documentary-like look into the frustrations and uncertainties that entrepreneurs face in their pursuit of the American dream. Peter M. Birkeland worked for three years in the front-line operations of franchise units for three companies, met with CEOs and executives, and attended countless trade shows, seminars, and expositions. All this firsthand experience gave him unprecedented access to the hopes and aspirations of franchisees. His book closely traces different franchisees and follows them as their dreams of wealth and independence buckle beneath the weight of frustrating logistics and contractual technicalities. Through extensive interviews and research, Birkeland not only discovers what makes franchisees succeed or fail, he uncovers the difficulties in running a business according to someone else's system and values. Bearing witness to a market flooded with fierce competitors and dependent on the inscrutable whims of consumers, he uncovers the numerous challenges that franchisees face in making their businesses succeed.
