**The World of Patience Gromes** Scott C. Davis,2000 In 1970, Patience Gromes was an 83 year old widow who lived on State Street in Fulton, one of the poorest neighbourhoods of Richmond, Virginia. This non-fiction narrative traces the life of Patience Gromes, her family, her neighbours from the War between the States to the War on Poverty. Meet Patience's grandfather who escaped slavery 14 years before the Civil War. Experience the hard years of Reconstruction, the cruelty of De Jure Segregation, the triumph of Civil Rights. Probe the complexities and ironies of neighbourhood life under urban renewal and the War on Poverty.

**The Untold Story of Frankie Silver** Perry Deane Young,2012-05-04 Three days before Christmas in 1831, Frankie Silver killed her husband, Charles Silver, with an axe and burned his body in the fireplace. Author Perry Deane Young, whose ancestors were involved in the case, began collecting material about it as a teenager. As a college student, he was astounded to learn that most of what he had been told was actually false. Abused by her husband, Frankie killed in self defense. The laws of that time would not allow her to take the stand and explain what happened. She was unjustly hanged in July of 1833. Young proves the real crime is the way this poor woman has been misrepresented by balladeers and historians all these years. Perry Deane Young provides important historical background to this fascinating story Young is able to build suspense, even for a story many of his readers may already know By personalizing both Frankie Silvers story and his own search for it, Young has given readers an interesting and well-written book about history and the way it is created. --Lynn Moss Sanders in *Appalachian Journal* Most of my life Ive heard stories about a pretty mountain lady who was hanged for nothing more serious than murdering her husband. Here, and I can say at last after one and a half centuries, is the true account, thoroughly researched and beautifully presented. Its a highroad journey into this Appalachian mystery. --John Ehle, author of *The Land Breakers*, *The Road*, *The Journey of August King*

**Chronicles of Alluvia** JCM,2022-12-05 Who would have believed a job interview would result in being whisked away from earth, against their will, to a medieval world embroiled in chaos across dimensions, ruled secretly by an elite council who, in their omnipotence, had not considered there could be unforeseen consequences? Their plan was simply to rule the totality of Alluvia. The Certamen of Straterra, a continuum of organized and controlled conflicts regulated through a complex set of rules, commonly referred to as the game was intended to cause and maintain balance not empower an evil that would care more about conquest than rules, more about power than the welfare of any other being, or would challenge their authority and assume control with ruthless efficiency. Greyson and Miry, each considered a pawn in the game, were selected and imprisoned separately with the extraordinary expectation of each giving birth to three representatives drawn from their lineage who have the innate characteristics necessary to stand as a picket against an evil that had not been defeated in 250 rotations of the game. And so the journey begins in the land of Alluvia. A mysterious and chaotic world of multiple dimensions and considerable diversity in populations, Flora and Fauna. Embrace the journey through this world of dwarves and dragons, shapeshifters and shaman, ogres and elves, humans and halflings, mage born and seers. A journey that delves deep into the nuances of life, love, hurt, and hate...the despair of war and the joy of brief respites from the chaos. Be warned, those who choose to enter this world will not emerge unaffected...the folk you meet will seep into your heart and never quite let you go...

**Pedagogy as Encounter** Naeem Inayatullah,2022-04-28 Is teaching possible? Is learning possible? Pedagogy as Encounter proposes that new and diverse forms of learning will appear if we abandon teaching as an explicit goal. Through these largely autobiographical vignettes, all grounded in Lacanian theory and critical global political economy, the author inspires a radical form of pedagogy.

**Fatal Embrace** Cris Barrish, Peter Meyer, 2014-04-29 When Anne Marie Fahey, beautiful, ambitious secretary to the Governor of Delaware, disappeared in June of 1996, all eyes immediately turned to Thomas Capano, the high-powered attorney with whom Anne Marie had been having a clandestine love affair. Well-respected, politically connected, married, and a father of four, Thomas Capano denied knowing anything about Anne Marie's disappearance. But when his brother turned him in to investigators, Capano's image was shattered. During the murder trial, he emerged as a sordid womanizer, a volatile man with a short fuse, and ultimately, as a brutal murderer who shot Anne Marie and recruited her brother to help dispose of her body. Now acclaimed writer Peter Meyer and award-winning journalist Cris Barrish explore the astounding true story behind this sensational case in *Fatal Embrace*...how a simple flirtation in the corridors of power turned into a very fatal attraction...how Capano stuffed Fahey's body in a plastic cooler, dumped it in the sea-- and what lurid final act would keep it from ever being found...how, in an explosive murder trial that galvanized the nation and pitted brother against brother, Capano became his own worst enemy-- and was convicted of cold-blooded murder...
