Fred the Red Frog Robert St. John,2014

Ta Ra Fergie Pete Molyneux,2013-06-03 In December 1989, United fanatic Pete Molyneux raised a banner calling for Alex Ferguson's head, sparking the most famous protest in Old Trafford's 103 years. For manager and supporter alike it was their darkest hour. Pete never gave up on his team and, thank God, Fergie stayed. Ta Ra Fergie tells Pete's story of his time following United at home and abroad since 1963, attending over 2,000 matches. This is the story of United from a fan's perspective. It covers Busby's European triumph, the despair of relegation and the tortuous false dawns of the 1980s to that elusive title win and Alex Ferguson's twenty-six-year-reign. Watching United has brought countless thrills, but for Pete it has also had a darker side that led to heartache and tragedy.

Will and the Red Ball Gloria Dunshee,2009-05 Join Will and his trusty red ball as they make their way alone through the hustle and bustle of New York City ...

Are You Watching, Liverpool Jim White,2012-03-31 In the year England failed to qualify for the World Cup, it seemed Manchester United were destined to carry all before them, hoovering up domestic football trophies with the enthusiasm of a kleptomaniac. Jim White followed the colossi of English football through a campaign of stratospheric highs and catastrophic lows. From Istanbul to Ipswich, Budapest to the Boleyn Road, he travelled with the team and with the fans, getting to the heart of the most formidable football machine this country has ever seen.

Fred Stone Armond Fields,2002-01-22 Fred Stone was one of America's most versatile and talented of Broadway's colorful entertainers. Audiences quickly discovered he could do anything and everything, from tightrope walking and acrobatics to song-and-dance, musical comedies, and straight drama. This work chronicles his extraordinary life and career. He was born in a log cabin August 19, 1873, in Valmont, Colorado, to a family that was part of the covered-wagon migration into the virtually unknown West. He joined a traveling circus at age 11 and two years later, joined a different one as a self-taught tightrope walker. During his teens, Stone performed on the variety stage, and at age 22, met Dave Montgomery, with whom he performed for over twenty years, including Broadway musicals, notably as the scarecrow in *The Wizard of Oz*. After Montgomery's tragic death in 1917, Stone continued to perform and shared his continued success with his closest friend Will Rogers, and Annie Oakley, Broadway producer Charles Dillingham, Western artists Charles Russell and Ed Borein, and author Rex Beach. Stone appeared in some 18 movies, from 1918 to 1940, including such western classics as *The Westerner* and *Trail of the Lonesome Pine*. In 1950, he retired from show business and during the last years of his life suffered from increasing blindness and heart trouble. He died at his Los Angeles home in 1959.

Finks Joe Gilford,2013-11-12 On the verge of TV stardom, comic Mickey Dobbs meets actress and activist Natalie Meltzer, and their romance blossoms—as does the risk that they'll be blacklisted for their political activities. In the face of the House Un-American Activities Committee, tasked with exposing communist subversion in New York's entertainment world, Mickey and Natalie endure the absurd and tragic process that victimized entertainers and turned friends and colleagues against each other. For some, the blacklist will mean a decade without work. For others, it will spell the end of their careers. And those who willingly testify—naming others to the committee—will be branded as finks. In *Finks*, Joe Gilford documents the struggle his parents, entertainers Jack Gilford and Madeline Lee Gilford, endured when they were called to testify.

Dinner with Stalin and Other Stories David Shrayer-Petrov,2014-04-28 These fourteen stories by the acclaimed master of Jewish-Russian fiction are set in the former USSR, Western Europe, and America. Dinner with Stalin features Soviet Jews grappling with issues of identity, acculturation, and assimilation. Shrayer-Petrov explores aspects of antisemitism and persecution, problems of mixed marriages, dilemmas of conversion, and the survival of Jewish memory. Both an author and a physician, Shrayer-Petrov examines his subjects through the double lenses of medicine and literature. He writes about Russian Jews who, having suffered in the former Soviet Union, continue to cultivate their sense of cultural Russianness, even as they—and especially their children—assimilate and increasingly resemble American Jews. Shrayer-Petrov's stories also bear witness to the ways Jewish immigrants from the former USSR interact with Americans of other identities and creeds, notably with Catholics and Moslems. History of the Yale Law School Anthony T. Kronman, 2008-10-01 The entity that became the Yale Law School started life early in the nineteenth century as a proprietary school, operated as a sideline by a couple of New Haven lawyers. The New Haven school affiliated with Yale in the 1820s, but it remained so frail that in 1845 and again in 1869 the University seriously considered closing it down. From these humble origins, the Yale Law School went on to become the most influential of American law schools. In the later nineteenth century the School instigated the multidisciplinary approach to law that has subsequently won nearly universal acceptance. In the 1930s the Yale Law School became the center of the jurisprudential movement known as legal realism, which has ever since shaped American law. In the second half of the twentieth century Yale brought the study of constitutional and international law to prominence, overcoming the emphasis on private law that had dominated American law schools. By the end of the twentieth century, Yale was widely acknowledged as the nation's leading law school. The essays in this collection trace these notable developments. They originated as a lecture series convened to commemorate the tercentenary of Yale University. A distinguished group of scholars assembled to explore the history of the School from the earliest days down to modern times. This volume preserves the highly readable format of the original lectures, supported with full scholarly citations. Contributors to this volume are Robert W. Gordon, Laura Kalman, John H. Langbein, Gaddis Smith, and Robert Stevens, with an introduction by Anthony T. Kronman.
