**Peter Porker, The Spectacular Spider-Ham** Tom Defalco, Steve Mellor, Steve Skeates, Michael Carlin, Mike Mellor, 2019-06-26 Collects Marvel Tails #1 and Peter Porker, The Spectacular Spider-Ham #1-17. Go whole hog with the Spectacular Spider-Ham's animal antics! What started as a porcine parody one-shot soon became a hilarious ongoing series full of anthropomorphized adventurers! Peter Porker is a photographer for J. Jonah Jackal's Daily Beagle □ but when danger strikes, he

fighters crime alongside hirsute heroes such as Hulk Bunny, Captain Americat and the Fantastic Fur! Can Spider-Ham triumph over fearsome foes like Ducktor Doom, Bull-Frog, the King-Pig and the Bee-yonder – while keeping the young Beagle Brigadiers out of trouble and still managing to bring home the bacon? Plus: Thr, Dog of Thunder stars in –Tails of Arfgard–! Here comes Deerdevil, Mammal Without Fear! Nick Furry, Agent of S.H.E.E.P.! Goose Rider! The invincible Iron Mouse! Croak and Badger! The astonishing Ant-Ant! And more zoological puns!

**Deconstructing South Park** Brian Cogan,2011-12-16

Deconstructing South Park: Critical Examinations of Animated Transgression is an edited collection by Brian Cogan that looks at the long and controversial run of one of the most subversive programs on television. South Park, while denounced by many as simply scatological, is actually one of the most nuanced and thoughtful programs on television. The contributors to South Park reveal that, through the lens of four foul-mouthed nine year olds, Trey Parker and Matt Stone have created one of the most astute forms of social and political commentary in television history. Deconstructing South Park, itself the most ambitious deconstruction of popular culture to date, analyzes how South Park is not only entertainment, but a commentary on American culture that tackles controversial issues far beyond the depth of most television. Specifically, the medium of animated sitcom allows the show's creators to contribute to cultural conversations regarding disability studies, religion, sexuality, celebrity, and more. If South Park deconstructs American culture, then Cogan and his contributors deconstruct the deconstructionists and reveal South Park in all its hilarious and often contradictory complexity.

*Joan of Arc* ,2013-01-01 This sourcebook collects together for

the first time in English the major documents relating to the life and contemporary reputation of Joan of Arc. Also known as La Pucelle, she led a French Army against the English in 1429, arguably turning the course of the war in favour of the French king Charles VII. The fact that she achieved all of this when just a seventeen-year-old peasant girl highlights the magnitude of her achievements and also opens up other ways of looking at her story. For many, Joan represents the voice of ordinary people in the fifteenth century; the victims of high politics and warfare that devastated France. Her story ended tragically in 1431 when she was put on trial for heresy and sorcery by an ecclesiastical court and was burned at the stake. This book shows how the trial, which was organised by her enemies, provides an important window into late medieval attitudes towards religion and gender, as Joan was effectively persecuted by the established Church for her supposedly non-conformist views on spirituality and the role of women. Presented within a contextual and critical framework, this book encourages scholars and students to rethink this remarkable story. It will be invaluable reading for those working in the fields of medieval society and heresy, as well as the Hundred Years' War.

*2.5 Dimensional Seduction Vol. 1* Yu Hashimoto, 2022-02-08 I have no interest in real girls! So claims Okumura, the president of the school's manga club. He's your typical otaku, obsessed with a sexy (fictional) 2D manga character known as Liliel. Then the new school year starts, and a (real!) 3D girl named Lilysa whose passion is cosplay joins the club. Lilysa convinces Okumura to become her photographer—and guess who her favorite manga character is? Not only that, but Lilysa is into modeling the fetishy stuff! The boundaries between 2D and 3D start to blur as this hot-blooded romantic comedy unfolds.

The Music of Dolphins Karen Hesse, 2016-08-30 “This powerful exploration of how we become human and how the soul endures is a song of beauty and sorrow, haunting and unforgettable.”  
—School Library Journal (starred review) A Publishers Weekly Best

Book of the Year A School Library Journal Best Book of the Year An ALA Best Book for Young Adults A Book Links Best Book of the Year A New York Public Library Children's Title for Reading and Sharing

Mila becomes famous around the world when she is rescued from an unpopulated island off the coast of Florida. Years ago, Mila went missing from a boat crash, and she has been raised by dolphins from the age of four. Researchers teach Mila language and music. But she also learns about rules and expectations, about locked doors and broken promises, disappointment and betrayal. The more Mila finds out about what it means to be human, the more she longs for her home in the ocean . . . "As moving as a sonnet, as eloquently structured as a bell curve, this book poignantly explores the most profound of themes—what it means to be human . . . All together, a frequently dazzling novel." —Publishers Weekly (starred review) "Her mind and spirit shaped by the dolphins who raised her, a feral child views herself and her human captors from a decidedly unusual angle in this poignant story . . . A probing look at what makes us human, with an unforgettable protagonist." —Kirkus Reviews "Mila's rich inner voice makes her a lovely, lyrical character." —VOYA Magazine

**American Gods** Neil Gaiman, 2002-04-30 Shadow is a man with a past. But now he wants nothing more than to live a quiet life with his wife and stay out of trouble. Until he learns that she's been killed in a terrible accident. Flying home for the funeral, as a violent storm rocks the plane, a strange man in the seat next to him introduces himself. The man calls himself Mr. Wednesday, and he knows more about Shadow than is possible. He warns Shadow that a far bigger storm is coming. And from that moment on, nothing will ever be the same...

**Aftershock** David Matas, 2005-09-03 Verbal attacks against Israel for human rights violations have turned into physical attacks against the Jewish community worldwide. How has that happened? This book attempts to explain the phenomenon. Anti-Zionists, whose primary goal is destruction of the State of Israel, use

accusations of the worst forms of human rights violations against Israel to delegitimize the state. These accusations criminalize the Jewish population worldwide for actual or presumed support of the State of Israel. The contemporary international human rights system and the existence of the State of Israel are twin legacies of the Holocaust. The failure of the human rights system to prevent attacks on Israel and the Jews is an aftershock of the Holocaust.

*Racism and Human Rights* Ralph Walden, 2004-06-01 The topical and thought-provoking articles in this volume have been contributed by leading authorities and discuss some of the key issues currently facing the human rights community. The issues discussed include, among others, human rights and the Security Council, slavery, racism on the internet, and religion and human rights.

*Digimon Adventure* Yuen Wong Yu, Akiyoshi Hongo, Marissa Heng, 2001

**Kanta and the Deer** Daisaku Ikeda, 2001-11 A beautiful children's story originally published in Tokyo, Japan, in 1989. This English translation by Kyoko Selden has charming color illustrations by Christina Sun. The book tells the story of a little boy named Kanta, who lives way up in the mountains, and a magic deer. While out in the snow with his relatives, hunting wild asparagus, Kanta finds a young deer that is weeping in the shadow of a tree. He takes the fawn home, names him Poyu, and raises him through the summer. But there is something unusual about Poyu. He grows so much faster than the rest of the deer. It is like magic. When hunting season returns with the snow, Poyu disappears and Kanta must find him again.
