Funny: The Book David Misch,2012-04-01 FUNNY: THE BOOK - EVERYTHING YOU ALWAYS WANTED TO KNOW ABOUT COMEDY

This Will Be Funny Someday Katie Henry,2021-01-19 The Marvelous Mrs. Maisel comes to high school in acclaimed author Katie Henry's coming-of-age YA contemporary about a girl who accidentally falls into the world of stand-up comedy. Perfect for fans of John Green and Becky Albertalli! Sixteen-year-old Izzy is used to keeping her thoughts to herself—in school, where her boyfriend does the talking for her, and at home, where it's impossible to compete with her older siblings and high-powered parents. When she mistakenly walks into a stand-up comedy club and performs, the experience is surprisingly cathartic. After the show, she meets Mo, an aspiring comic who's everything Izzy's not: bold, confident, comfortable in her skin. Mo invites Izzy to join her group of friends and introduces her to the Chicago open mic scene. The only problem? Her new friends are college students—and Izzy tells them she's one, too. Now Izzy, the dutiful daughter and model student, is sneaking out to perform stand-up with her comedy friends. Her controlling boyfriend is getting suspicious, and her former best friend knows there's something going on. But Izzy loves comedy and this newfound freedom. As her two parallel lives collide—in the most hilarious of ways—Izzy must choose to either hide what she really wants and who she really is, or finally, truly stand up for herself. * Rise: A Feminist Book Project Book of the Year * A YALSA Best Fiction for Young Adults Book of the Year *

I Funny James Patterson,Chris Grabenstein,2012-12-10 #1 bestselling author James Patterson doles out the laughs in the first book in the hit series! Middle-schooler Jamie Grimm faces bullies and self-doubt as he chases his dream of becoming the world's greatest comedian Jamie Grimm is a middle schooler on a mission: he wants to become the world's greatest standup comedian--even if he doesn't have a lot to laugh about these days. He's new in town and stuck living with his aunt, uncle, and their evil son Stevie, a bully who doesn't let Jamie's wheelchair stop him from messing with Jamie as much as possible. But Jamie doesn't let his situation get him down. When his Uncle Frankie mentions a contest called The Planet's Funniest Kid Comic, Jamie knows he has to enter. But are the judges only rewarding him out of pity because of his wheelchair, like Stevie suggests? Will Jamie ever share the secret of his troubled past instead of hiding behind his comedy act? Prepare to laugh and cheer along with Jamie in this highly-illustrated, heartfelt middle school story.

Do You Talk Funny? David Nihill,2016-03-08 Public speaking can be terrifying. For David Nihill, the idea of standing in front of an audience was scarier than cliff jumping into a thorny pit of spiders and mothers-in-law. Without a parachute or advanced weaponry. Something had to change. In what doesn't sound like the best plan ever, David decided to overcome his fears by pretending to be an accomplished comedian called Irish Dave for one full year, crashing as many comedy clubs, festivals, and shows as possible. One part of the plan was at least logical: he was already Irish and already called Dave. In one year, David went from being deathly afraid of public speaking to hosting a business conference, regularly performing stand-up comedy and winning storytelling competitions in front of packed houses. And he did it by learning from some of the best public speakers in the world: stand-up comedians. *Do You Talk Funny?: 7 Comedy Habits to Become a Better (and Funnier) Public Speaker* shows how the key principles of stand-up comedy can be applied to your speaking engagements and presentations to make you funnier, more interesting, and better looking. (Or at least two of the three.) Whether you are preparing for a business presentation, giving a wedding toast, defending your thesis, raising money from investors, or simply want to take on something you're afraid of, this book will take you from sweaty to stage-ready. You'll learn how to: - Craft a story and content that your audience will want to listen to - Find the funniest parts of your material and how to get to them faster - Deal with stage fright - Master the two most important parts of your performance: timing and delivery Ten percent of the author's proceeds from this book will go to Arash Bayatmakou via Help Hope Live until he is fully back on his feet and thereafter to one of the many facing the same challenges after suffering a severe spinal cord injury.

I Even Funnier James Patterson,Chris Grabenstein,2013-12-09 In James Patterson's follow-up to *I Funny*, middle schooler Jamie Grimm is ready for the national comedy semi-finals. . . but when his family and friends need his help, will he have to put his dreams on hold? In this follow up to the #1 New York Times bestseller *I Funny*, middle schooler Jamie Grimm has big dreams of being the best stand-up comic in the world-and he won't let the fact that he's wheelchair-bound stand in his way. After winning the New York state finals in the Planet's Funniest Kid Comic Contest, Jamie's off to Boston to compete in the national semi-finals. But when one of his best buddies runs into trouble at school and a sudden family health scare rears its head, Jamie has to put his comedic ambitions on hold and stand by the people he cares about. Can Jamie pass up the big competition for the sake of his friends and family?

I Funny James Patterson,Chris Grabenstein,2012-12-10 #1 bestselling author James Patterson doles out the laughs in the first book in the hit series! Middle-schooler Jamie Grimm faces bullies and self-doubt as he chases his dream of becoming the world's greatest comedian Jamie Grimm is a middle schooler on a mission: he wants to become the world's greatest standup comedian--even if he doesn't have a lot to laugh about these days. He's new in town and stuck living with his aunt, uncle, and their evil son Stevie, a bully who doesn't let Jamie's wheelchair stop him from messing with Jamie as much as possible. But Jamie doesn't let his situation get him down. When his Uncle Frankie mentions a contest called The Planet's Funniest Kid Comic, Jamie knows he has to enter. But are the judges only rewarding him out of pity because of his wheelchair, like Stevie suggests? Will Jamie ever share the secret of his troubled past instead of hiding behind his comedy act? Prepare to laugh and cheer along with Jamie in this highly-illustrated, heartfelt middle school story.

That Reminds Me: Finding the Funny in a Serious World Michael Close,2012-12-01 Michael Close is an inveterate joke teller whose stories have brought gales of laughter from audiences around the world. For more than twenty years, Michael's friends and colleagues have eagerly awaited a collection of jokes from his enormous repertoire. *That Reminds Me* is that compilation - more than 250 of the best clean (and not so clean) jokes you've ever read. But this is much more than a joke book. Michael shares heartfelt reminiscences of the funny people who have enriched his life, stories of crazy personal experiences, and thoughts on the importance of finding the funny in your own life. This is the perfect book for anyone who needs a good laugh. Foreword by Penn Jillette [The jokes in this collection range from squeaky clean to R-rated. Words that you can't use on network television appear occasionally. If such language offends you, please don't purchase this book.]

This Book Can Read Your Mind Susannah Lloyd,2020-01-06 You have opened a very special book. This book can do something that has NEVER been achieved before. This

book can read your mind. I will just need you to think of something, but whatever you do, don't think of anything SILLY. You know, like a pink elephant... When the page is turned, sure enough, a pink elephant appears! This funny interactive book plays on the idea that when you're told NOT to think of something, somehow it is all you can think about. As the book continues, and more and more silliness ensues, the scientist is distraught but there is plenty of fun in store for the reader!

I Funny TV James Patterson,Chris Grabenstein,2015-12-14 Jamie Grimm has hit the big time in book four of the #1 bestselling I Funny series! Jamie Grimm has finally accomplished his dream of proving himself the Planet's Funniest Kid Comic, and the sky's the limit from there. Enter a couple of TV executives with a huge plan for Jamie: a new show about Jamie and his oddball friends! But when Jamie struggles to learn the acting ropes, will it be an early curtain call for the biggest show of the decade?

It's Kind of a Funny Story Ned Vizzini,2010-09-25 Like many ambitious New York City teenagers, Craig Gilner sees entry into Manhattan's Executive Pre-Professional High School as the ticket to his future. Determined to succeed at life—which means getting into the right high school to get into the right college to get the right job—Craig studies night and day to ace the entrance exam, and does. That's when things start to get crazy. At his new school, Craig realizes that he isn't brilliant compared to the other kids; he's just average, and maybe not even that. He soon sees his once-perfect future crumbling away.

What's So Funny? Tim Conway,Jane Scovell,2013-10-29 Six-time Emmy Award-winning funny man Tim Conway, best known for his roles on The Carol Burnett Show, offers a straight-shooting and hilarious memoir about his life on stage and off as an actor and comedian. In the annals of TV history, few entertainers have captured as many hearts, tickled as many funny bones, and brought as many families together in living rooms across America as Tim Conway. In What's So Funny? he brings his hilarious hijinks from the screen to the page. Conway's often-improvised humor, razor-sharp timing, and hilarious characters have made him one of the funniest and most authentic performers to grace the stage and studio. As Carol Burnett has said, "there's no one funnier" than Tim Conway. Now, Conway takes us on a seventy-year, rags-to-riches journey that is touchingly comical and ultimately inspiring, from his pranks in small Ohio classrooms during the Great Depression to his pitch-perfect performances on national TV and in major motion pictures. Along the way, Conway shares hilarious and often moving accounts of the glory days of The Carol Burnett Show; his famous partnerships with entertainment greats like Harvey Korman, Don Knotts, and Dick Van Dyke; and his friendships with stars like Betty White, Bob Newhart, and, of course, Carol Burnett, who also provides an intimate foreword to the book. As Conway continues to tour the country giving live comedy performances that enchant his always eager audiences, What's So Funny? brings his warmth, humor, and heart to delight and inspire fans everywhere.

Funny Business ,2000-09 Funny Business is a compilation of humour. It exposes students to different styles of writing and text types, such as first- and third-person narrative; explanatory, informative and descriptive texts; poetry and lists. Contrasts and comparisons can be made among thematically linked fiction extracts, poems, non-fictions and new writing.

Furiously Happy Jenny Lawson,2015-09-22 In Furiously Happy, #1 New York Times bestselling author Jenny Lawson explores her lifelong battle with mental illness. A hysterical, ridiculous book about crippling depression and anxiety? That sounds like a terrible idea. But terrible ideas are what Jenny does best. As Jenny says: Some people might think that being 'furiously happy' is just an excuse to be stupid and irresponsible and invite a herd of kangaroos over to your house without telling your husband first because you suspect he would say no since he's never particularly liked kangaroos. And that would be ridiculous because no one would invite a herd of kangaroos into their house. Two is the limit. I speak from personal experience. My husband says that none is the new limit. I say he should have been clearer about that before I rented all those kangaroos. Most of my favorite people are dangerously fucked-up but you'd never guess because we've learned to bare it so honestly that it becomes the new normal. Like John Hughes wrote in The Breakfast Club, 'We're all pretty bizarre. Some of us are just better at hiding it.' Except go back and cross out the word 'hiding.' Furiously Happy is about taking those moments when things are fine and making them amazing, because those moments are what make us who we are, and they're the same moments we take into battle with us when our brains declare war on our very existence. It's the difference between surviving life and living life. It's the difference between taking a shower and teaching your monkey butler how to shampoo your hair. It's the difference between being sane and being furiously happy. Lawson is beloved around the world for her inimitable humor and honesty, and in Furiously Happy, she is at her snort-inducing funniest. This is a book about embracing everything that makes us who we are - the beautiful and the flawed - and then using it to find joy in fantastic and outrageous ways. Because as Jenny's mom says, Maybe 'crazy' isn't so bad after all. Sometimes crazy is just right.

Me Funny ,2012-01-06 Humor has always been an essential part of North American aboriginal culture. This fact remained unnoticed by most settlers, however, since non-aboriginals just didn't get the joke. For most of written history, a stern, unyielding profile of "the Indian" dominated the popular mainstream imagination. Indians, it was believed, never laughed. But Indians themselves always knew better. As an award-winning playwright, columnist, and comedy-sketch creator, Drew Hayden Taylor has spent 15 years writing and researching aboriginal humor. For Me Funny, he asked a noted cast of writers from a variety of fields – including such celebrated wordsmiths as Thomas King, Allan J. Ryan, Mirjam Hirsch, and Tomson Highway – to take a look at what makes aboriginal humor tick. Their hilarious, enlightening contributions playfully examine the use of humor in areas as diverse as stand-up comedy, fiction, visual art, drama, performance, poetry, traditional storytelling, and education.

That's Not Funny! Jeanne Willis,2014-01-01 The most action-packed banana-peel gag ever! What happens when mischievous Hyena puts a banana peel on unsuspecting Giraffe's path? A lot of hilarious chaos, it turns out. Kids will laugh and laugh at the crazy chain of events Hyena's practical joke sets in motion. In the end though, the joke's on Hyena, and readers will learn the smelly consequences of laughing too much at others' misfortunes.

Before & Laughter Jimmy Carr,2021-09-30 *A memoir and self-help manual by one of the country's most treasured comedians - for anyone who feels stuck in a rut but doesn't have the tools or self-belief to shake things up* In his mid-twenties, Jimmy was bored, boring, unfulfilled and underachieving. He wasn't exactly depressed, but he was very sad. Think of a baby owl whose mum has recently died in a windmill accident. He was that sad. This book tells the story of how Jimmy turned it around and got happy, through the redemptive power of dick jokes. Written to take advantage of the brief window between the end of lockdown and Jimmy getting cancelled for

saying something unforgivable to Lorraine Kelly, this book is as timely as it is unnecessary. Because you might be interested in Jimmy's life but he's damn sure you're a lot more interested in your own, *Before & Laughter* is about both of you. But mainly him. It tells the story of Jimmy's life - the transformation from white-collar corporate drone to fake-toothed donkey-laugh plastic-haired comedy mannequin - while also explaining how to turn your own life around and become the you you've always dreamt of being. At just £20, it's cheaper than Scientology, quicker than therapy, and significantly less boring than church. *Before & Laughter* contains the answers to all the big questions in life, questions like: · What's the secret to happiness? · Is Jimmy wearing a wig? · What happened with that tax thing? · What's the meaning of life? · Is Jimmy's laugh real? · Can those teeth bite through vibranium? And for readers in the West Country: yes, there are pictures (actually, sorry, there are no pictures, but there's a book about a hungry caterpillar you'll love). Because it's Jimmy Carr - recently scientifically proved to be the funniest comedian in the UK - there are jokes, jokes and more jokes throughout. If laughter really was the best medicine, the NHS would be handing out this book in Nightingale Hospitals. Fascinating, thoughtful and insightful - are all words that appear in the book.

Funny How It Works Out Manon Mathews, 2020-07-07

Closing Time Joseph Heller, 2010-10-26 A darkly comic and ambitious sequel to the American classic *Catch-22*. In *Closing Time*, Joseph Heller returns to the characters of *Catch-22*, now coming to the end of their lives and the century, as is the entire generation that fought in World War II: Yossarian and Milo Minderbinder, the chaplain, and such newcomers as little Sammy Singer and giant Lew, all linked, in an uneasy peace and old age, fighting not the Germans this time, but The End. *Closing Time* deftly satirizes the realities and the myths of America in the half century since WWII: the absurdity of our politics, the decline of our society and our great cities, the greed and hypocrisy of our business and culture -- with the same ferocious humor as *Catch-22*. *Closing Time* is outrageously funny and totally serious, and as brilliant and successful as *Catch-22* itself, a fun-house mirror that captures, at once grotesquely and accurately, the truth about ourselves.

What's So Funny? Aris Parker, 2010-12-15 This book attempts to bring joy and relief from the chaos and confusion of everyday life. I think people will get a kick out of this book because it's hilarious in a corny type of way. As the author I even had to laugh at the funny stories so it has to be funny. All kidding aside, this book is entertaining and educational, as well since it could be instrumental in bridging the gap between readers of different languages, cultures, customs and backgrounds with funny sayings spoken in our daily lives. You may ask what's so funny about this book. What's not to like about this book? Go ahead and take a gander, you will see how this barrel of laughs can make a difference in this serious world. Again, I know you'll get a good laugh because I found it quite amusing myself. So read the book and laugh your heart out!

That Rabbit Belongs To Emily Brown Cressida Cowell, 2015-04-02 A stunning reissue of this classic picture book. When the Queen steals Emily Brown's favourite toy and erstwhile companion, a toy rabbit called Stanley, Emily sets out to get him back and teach that naughty queen a valuable lesson! Winner of the 2006 Nestle Gold Award, chosen for the Richard & Judy Christmas book party, a Bookaboo Book Club book as seen on CITV and read by Amanda Holden. 'Charming, funny and gets my vote as the best picture book of the year.' - Financial Times Written by Cressida Cowell, the bestselling author of the *How to Train Your Dragon* series.
