Brian Jacques

Anime and Manga ,

Train Man Nakano Hitori, 2013-02-07 This is a true story of love for the internet generation - the international bestseller that sold over a million copies. This wonderfully unique book from Japan derives from a series of postings over a three-month period to a particularly computer-geeky thread of 2 Channel, the world's largest anonymous Message Board. The events all took place in Tokyo. One day a shy otaku computer geek mentioned on the message forum how he had met a girl on a subway train. As things developed he continued to post updates to the message board. He gained the nickname 'Train Man'. With each update from bashful Train Man, his fellow correspondents throw in own colourful speculations, boyish encouragements, tongue-in-cheek warnings, and fabulously inventive ascii text drawings. Train Man tries to take on board their comments as events unfold. Eventually he finds love with the girl, Hermes, and reveals to her the entire history of the thread. The true identity of Train Man remains a closely guarded secret.

Sushio the Idol SUSHIO., 2019-11-19 The complete collection of today's most talented animator. Sushio is a Japanese animator and illustrator who started his career as an animator at studio Gainax working their world-famous TV animation series Neon Genesis Evangelion (1995). After drawing animation for many renowned anime series and movies such as One Piece, in 2013 he did the character design of the internationally big hit anime series Kill La Kill which took him to the pinnacle of his career. This book is his long-awaited first commercial collection that looks back over his career to date. It features notable works from Kill La Kill, Gurren Lagann, Momoiro Clover Z, along with a panel illustration of Anime Matsuri 2015, his work overseas for an annual

anime convention held in Texas, and much more. This book also features Sushio's illustrations of AKIRA: two original illustrations depicting the imaginary post-AKIRA world, which was officially approved by Katsuhiro Otomo himself, and two illustrations taken from Otomo's tribute book. The illustrations from EVANGELION merchandise for the movie will amaze fans as never-before-seen rare works of Sushio. The book showcases not only full color illustrations but also rare rough sketches that provide an illuminating glimpse into Sushio's creative process. Fans will not want to miss this comprehensive account of one of today's most talented and prodigious animators.

End of the Circle Jack McKinney, 1990 A Warp In The Space-Time Continuum... The SDF-3 has remanifested from spacefold, but no one aboard has the faintest idea where they are. The ship appears to be grounded in some glowing fog, ensnared by light itself. Lang and Rem dub the phenomenon newspace -- but are at a loss to explain what it really is and who, or what, is keeping them there. For Lang, it seems like old times: The ship's Protoculture drives have disappeared. But other events are transpiring, unbeknownst to the stranded crew of the SDF-3. In Earthspace, the Ark Angel has been spared the fate suffered by the REF main fleet after the Invid transubstantiation. Vince and Jean Grant decide that the only logical course of action is to try and locate the SDF-3... On Haydon IV, something has awakened the Awareness -- and a mysterious change comes over the Haydonites. Exedore and the four Sterlings suddenly find themselves imprisoned beneath the surface -- as the planet leaves orbit, destination unknown... All of the pieces of this strange

Now Balsa must protect the boy -- the Prince Chagum -- on his quest to deliver the great egg of the water spirit to its source in the sea. As they travel across the land of Yogo and discover the truth about the spirit, they find themselves hunted by two deadly enemies: the egg-eating monster Rarunga . . . and the prince's own father.
