*The Mirror Is Not Working* Gene Bert, 2009 It took the passing of an old friend to get Zach Barron back together with his first love. When he pulled into the old rickety funeral parlor he had no idea his days of peace and quiet would be shattered in more ways than one. The soft voice of Nicky standing behind him gave him chills down his spine. Time couldn't shadow the enchantment he felt in his heart. After a brief re-acquainting, Zach agrees to escort Nicky to New Jersey for a wedding. When Nicky and the bride fail to return from the beach, Zach explodes into action before something terrible happens. His search takes him to New York where he completely undermines an F.B.I. ongoing investigation. He endangers the lives of not only himself but of Nicky and the bride, the F.B.I agents, and others as he stirs up a sleeping terrorist cell. They manage to escape driving to Annapolis Maryland only to realize they are the hunted. Terrible consequences await them. Zack has to keep vigilant and rely on his training and a sharp mind to keep them alive. When Zach uncovers a plot for a National tragedy, he enlists his rivals in the F.B.I, as well as the coast guard, and the air force for help. Gene Bert certainly rivets together the romance, action, suspense and characters in this fast paced edge of your seat thriller. Gene Bert draws upon a combination of personal experience, recent events and imagination to bring his works to life.
