

Gambit

Tom Blenk

The Queen's Gambit Walter Tevis,2014-09-29 Netflix's most watched limited series to date! The thrilling novel of one young woman's journey through the worlds of chess and drug addiction. When eight-year-old Beth Harmon's parents are killed in an automobile accident, she's placed in an orphanage in Mount Sterling, Kentucky. Plain and shy, Beth learns to play chess from the janitor in the basement and discovers she is a prodigy. Though penniless, she is desperate to learn more—and steals a chess magazine and enough money to enter a tournament. Beth also steals some of her foster mother's tranquilizers to which she is becoming addicted. At thirteen, Beth wins the chess tournament. By the age of sixteen she is competing in the US Open Championship and, like Fast Eddie in *The Hustler*, she hates to lose. By eighteen she is the US champion—and Russia awaits . . . Fast-paced and elegantly written, *The Queen's Gambit* is a thriller masquerading as a chess novel—one that's sure to keep you on the edge of your seat. "The Queen's Gambit is sheer entertainment. It is a book I reread every few years—for the pure pleasure and skill of it." —Michael Ondaatje, Man Booker Prize-winning author of *The English Patient*

Gambit Rex Stout,2011-08-03 Jerin is a mental freak—a man capable of successfully playing a dozen simultaneous chess games against first-rate players while he himself is out of sight of any of the boards. It is while thus engaged that he is killed. A millionaire—his opponent in more realms than chess—is accused, and Nero Wolfe is given what appears to be the most hopeless case he and Archie Goodwin have ever tackled. You need to know nothing about chess to follow this tale, but some understanding of beautiful mothers and daughters will help. "It is always a treat to read a Nero Wolfe mystery. The man has entered our folklore."—The New York Times Book Review A grand master of the form, Rex Stout is one of America's greatest mystery writers, and his literary creation Nero Wolfe is one of the greatest fictional detectives of all time. Together, Stout and Wolfe have entertained—and puzzled—millions of mystery fans around the world. Now, with his perambulatory man-about-town, Archie Goodwin, the arrogant, gourmandizing, sedentary sleuth is back in the original seventy-three cases of crime and detection written by the inimitable master himself, Rex Stout.

The Rice Gambit Isaac Leopold Rice,1898

The Gambit Book of Instructive Chess Puzzles Graham Burgess,2011 Solving tactical puzzles is one of the most effective ways to improve your chess. This convenient book provides 300 exercises, with instructive points highlighted in the solutions. There is something here for everyone. The puzzles in the first two chapters are based on a clear-cut tactic or checkmate, such as those explained in *Gambit's* best-sellers *How to Beat Your Dad at Chess* and *Chess Tactics for Kids*. The endgame challenges highlight tactics and principles in action. In practice it is vital to defend resiliently and seek counterattacking chances - there is an innovative chapter on these rarely-covered themes as well as puzzles where the reader must decide how to punch home an attack. Later chapters help readers develop a vital skill: the ability to make tough chessboard decisions. Attack, sacrifice, grab material, defend or simplify - it's for you to decide! Principles and guidelines are emphasized, together with common sources of error. The final section of puzzles will prove a stern challenge even for the best players, with the reader exposed to the full complexity of modern chess - with a few helpful hints along the way.

The Club Player's Modern Guide to Gambits Nikolai Kalinichenko,2019-10-04 This is no ordinary opening book. This practical guide describes only such openings in which White or Black sacrifices material at an early stage of the game. They are called gambits (in Old Italian, gambetto means tripping). The justification for such sacrifices can differ quite a lot. In most cases, the side that sacrifices material tends to get ahead of the opponent in development and/or opens lines to attack the enemy king. However, there are also gambits aimed at the occupation of the center (Blumenfeld Gambit), depriving the opponent of castling (Cochrane Gambit or Traxler Variation), weakening the opponent's pawn structure (Anti-Moscow Variation), luring an opponent's piece to an unfavorable position (sacrificing the b2-pawn), obtaining a certain positional compensation (Volga Gambit), etc. Gambits are often associated with the romantic chess of the 19th century. Indeed, that was the heyday of such sharp openings as the King's Gambit or Evans Gambit, but even nowadays, many games begin with one of the well-known or even innovative gambits. This should come as no surprise: gambits help to reveal the true essence of chess, "the triumph of spirit over matter." The concept of this book is to examine practical games and give theoretical insights in the notes rather than in stand-alone articles. Practice has shown this to be the most effective way of mastering new material. More often than not, recent games by the world's top players have been chosen as an illustration, played in the last few years in particular. However, the most important classic games are mentioned as well. The present book analyzes almost 50 of the major gambit lines and systems. Almost 140 games are given in full, with many game fragments selected to illustrate the important deviations. And there is a special section about types of sacrificial themes, such as sacrificing the b2-pawn, sacrificing on f7, etc. Readers who may wish to employ one of the examined gambit variations on a regular basis should, no doubt, study the specific books on that very opening, although in most cases the lines and ideas given are sufficient for a beginner or club player to include the system in his or her opening repertoire and give it a try.

Gambit Karna Small Bodman,2018-06-26 "A truly frightening story with the crystal ring of truth and authenticity; well written, well plotted and as topical as a novel can get." —Nelson DeMille, New York Times bestselling author "Not only does Bodman know the White House inside and out, she also knows how to tell a gripping, fast-paced tale of political intrigue filled with the kind of delicious insider detail most other novelists have to make up." —Joseph Finder, New York Times bestselling author "A nail-biter...You will not turn out the lights until you have read through to the last page." —The Washington Times "Bodman's insider knowledge of government operations and the scary plausibility of the story line make this worth reading." —Library Journal In this second book of the White House national security thriller series, Dr. Cameron Talbot, a famous expert on missile defense systems, returns to investigate how American airplanes could plummet from the sky—though nothing shows up on radar and none of the usual terrorist suspects have claimed responsibility. With the country in a panic and the economy taking a nose-dive, the beautiful scientist finds herself once again enmeshed in international plots as well as a romantic triangle in the highest levels of government.

The Gambit Story Frederic C. E. Oder,2012 This volume is the story of a photographic satellite called GAMBIT, which was developed to perform at even better resolutions than CORONA and work against specified targets -- an operation usually referred to as surveillance mode. GAMBIT fulfilled this surveillance function from July 1963 to April 1984.

Gambit David Hagberg,2021-04-27 The next Kirk McGarvey novel, *Gambit*, is an international thriller with non-stop action, perfect for fans of Jason Bourne. "If you like thrillers full of international intrigue, Hagberg is a major find." —Dean Koontz, New York Times bestselling author An American billionaire and a Russian oligarch want Kirk McGarvey dead. First they send a South African assassin, and when Mac kills him, they commission a Canadian sniper for the kill. When Mac put him down, they hire a team of highly specialized Chinese killers called "Scorpions." When Mac dispatches them, they send a squad of Russian special ops armed to the teeth with high-tech firepower. Mac's only chance of survival is to turn on the tables on the people behind this assassination conspiracy, that is, if he can find them. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Springer's Gambit W. L. Ripley,2001-06-25 Aspen-- the American Riviera-- where the rich and the beautiful go to play. Quiet streets, breathtaking mountains, and one of the lowest crime rates in America. But that's about to change. Real estate speculator Max Shapiro has been cleaning the San Francisco mob's money for three decades. Then the hammer drops-- he's dying of cancer and is on borrowed time. Resentful of the mob's hold and not wishing to die with an IV hose in his arm, Max tells the mob he isn't paying any more tribute, hoping they'll send someone to kill him. While vacationing in Aspen, however, Max gets a call from his doctor. Good news. Max isn't dying after all. But it's too late to call off the mob's killers. Max's only hope is the enigmatic Cole Springer-- an ex-Secret Service agent with a penchant for creative thinking-- broke and in danger of losing his Aspen nightclub. Shapiro needs a bodyguard and Springer needs money, so they cut a protection deal. Enter Gerry Knucks Nugent, a cerebral and deadly hit man in the midst of a midlife crisis who has been sent to kill Shapiro. A mob boss dies in 'Frisco, there is a struggle for power, and an emergency cache of three million dollars ends up in the hands of Nicky Tortino, a merciless Bay Area crime lord. The shift in the underworld command sends shock waves rippling across the western United States, affecting even Shapiro and Nugent. Meanwhile, Springer's active mind runs to larger themes than merely protecting Shapiro, and he begins to formulate a scheme to save Shapiro and get his hands on the three million. Springer's scam depends upon recruiting Nugent, and Nugent is widely feared-- even by his ruthless bosses on the West Coast. Bay Area underboss Nicky Tortino travels to Aspen to get Shapiro to

launder the three million, and also to have both Springer and Shapiro killed. The law closes in and Springer is running out of time and options. Beset on all sides, Springer designs an elaborate sting to extricate Shapiro and himself from the deadly web that has formed around them. But can he trust Nugent?

The Gambit, 1930

King's Gambit George C. Chesbro, 1976-12 Chess, espionage, and redemption are the themes of King's Gambit, the novel that began a remarkable career. Chesbro writes wonderfully strange mystery novels. . . . In Chesbro's hands (the events) are not only possible but real enough to make you nervous . . . perfectly calculated, nail-biting tension.--Boston Sunday Herald.

Gambit Chess Openings Eric Schiller, 2002-11-19 Gambits, where one side sacrifices material for an advance in development, are the most exciting and popular openings in chess! This book contains every important gambit opening and variation ever played - more than two thousand opening strategies in all! Each gambit is covered in detail with a diagram showing the standard position representative of the gambit, the move orders taken to get there, and an explanation in plain language of the thinking behind the moves. More than one hundred games show you how the ideas behind the gambit influence the development of the game. 784 pages

The Blumenfeld Gambit Jan Przewoznik, Malcolm Pein, 1991

The Final Gambit Jennifer Lynn Barnes, 2022-08-30 OVER 3 MILLION COPIES SOLD OF THE #1 BESTSELLING SERIES! Avery's fortune, life, and loves are on the line in the game that everyone will be talking about. To inherit billions, all Avery Kylie Grambs has to do is survive a few more weeks living in Hawthorne House. The paparazzi are dogging her every step. Financial pressures are building. Danger is a fact of life. And the only thing getting Avery through it all is the Hawthorne brothers. Her life is intertwined with theirs. She knows their secrets and they know her. But as the clock ticks down to the moment when Avery will become the richest teenager on the planet, trouble arrives in the form of a visitor who needs her help—and whose presence in Hawthorne House could change everything. It soon becomes clear that there is one last puzzle to solve, and Avery and the Hawthorne brothers are drawn into a dangerous game against an unknown and powerful player. Secrets upon secrets. Riddles upon riddles. In this game, there are hearts and lives at stake—and there is nothing more Hawthorne than winning. **Get ready for the next chapter in the Inheritance Games saga—pre-order The Grandest Game now!!

The King's Gambit Tom Blenk, 2009-07 Michael Mueller has waited twenty years. He is finally the right age. He is more prepared than any player in history. All he needs is an opponent. It is time to start the game. The Kings of New York City are dying and Michael, obsessed with Bobby Fischer and the game of chess, is killing them at specific sights on certain dates across the grid of New York City's chess board. The killer wants the ultimate match, in front of the biggest crowd, in the world's most renowned city. New York City Homicide Detective Paul Worton has seen it all in his thirty years on the force, but when he and his squad are sent to Carnegie Hall to solve the murder of New York City Philharmonic Director Vincent Antonelli, he may have met his match. This first brutal execution blossoms into a string of sensational deaths connected by one distinct clue which signals the presence of a diabolical serial killer. The stakes are enormous in the final game as New York City landmarks become killing grounds and pressure from the public, the media, and the top brass scream for the capture of the Chess Board Killer. In this race against time, will Worton be able to sift through the moves and counter moves and piece together enough clues to stop this psychopath, or will Mueller fulfill his dream and become the most renowned chess player of all time?

The Double Queen's Gambit Alexey Bezgodov, 2015-11-24 Alexey Bezgodov provides a complete chess opening repertoire for Black against 1.d4. After replying with 1...d5, the former Russian Chess Champion advises you to take up the Double Queen's Gambit and play 2...c5! against both 2. c4 and 2. Nf3. In The Double Queen's Gambit Black's attitude is as active and ambitious as that of White in the Queen's Gambit. This ambition may seem premature at first sight, but many strong grandmasters have already successfully played this system. After thoroughly investigating and analysing this opening, Bezgodov has gained a lot of experience in practical grandmaster play. The system not only turned out to be playable but also brought him success, and not just because of its surprise value. Bezgodov's conclusion is that there is no clear and compelling way for White to reach an advantage. The fresh ideas and the clear explanations in The Double Queen's Gambit may change your view on modern chess opening theory. Bezgodov provides dozens of exercises to test your understanding of his system.

Pawn's Gambit Timothy Zahn, 2016-01-05 A collection of career-launching short fiction by #1 New York Times bestselling author Timothy Zahn, including the Hugo Award-winning novella Cascade Point. Timothy Zahn shows an unparalleled mastership of science fiction in the fifteen tales gathered here. "The Price of Survival" features an alien ship that arrives in our solar system without hostile intentions but with a desperate need whose fulfillment could destroy humanity. "The Giftie Gie Us" tells the story of two lonely survivors who find love among the ruins of a post-apocalyptic United States. And in "Pawn's Gambit," a human and his alien opponent face off over a game that will decide which one of them will return home. This collection also includes the Hugo Award-winning novella Cascade Point and nine other works of science fiction, post-apocalyptic drama, and humorous fantasy previously unpublished in book form. Timothy Zahn is the author of the #1 New York Times bestseller Star Wars: Heir to the Empire and has won multiple awards for his work. With nonstop action, suspenseful plots, and high-tech twists, the stories in Pawn's Gambit are science fiction at its best.

Gambit John Layman, 2005-03-23 Collects Gambit #1-6. Ever wonder what Gambit gets up to when he's not out saving the world with the X-Men? Welcome to the exciting but treacherous terrain of the New Orleans underworld, where Gambit's skills and mastery are unquestioned but this time, his confidence might be his downfall!

Pawn's Gambit Rob J. Hayes, 2021-01-26 Yuu wants nothing more than to forget the mistakes of her past. The Gods have other plans. Once a renowned strategist and general, five years ago Yuu made a mistake that cost her everything. Now she is on the run, royal bounty hunters snapping at her heels. But what if there was a way to get back what she lost, a way to bring back a murdered prince? Every century, the gods hold a contest to choose who will rule from the Heavenly Jade Throne. Each god chooses a mortal champion, and the fate of all existence hangs in the balance. On a battlefield full of heroes, warriors, assassins, and thieves can Yuu survive long enough to learn the rules of the game, let alone master it? Pawn's Gambit is a stand alone story set in the award-winning Mortal Techniques universe. It's a wuxia adventure filled with heroes, gods, spirits, and magic.

The Scotch Gambit Alex Fishbein, 2017-07-26 Seize the Initiative Right from the Start! Are you bored with slow maneuvering in systems such as the the Italian game with d2-d3 and the anti-Berlin? Do you enjoy confrontation in the center and sharp, tactical play? Alex Fishbein shows how the Scotch Gambit can give you exciting yet sound positions where you aim at the enemy king. In the Scotch Gambit, White immediately strikes in the center and attacks the f7-pawn, provoking concessions from Black. An imbalance typically results, where White has attacking chances on the kingside. The Scotch Gambit will help you develop a finer feeling for the initiative and improve your combinational vision. You will also better understand strategic concepts, such as weak squares of one color and pawn structure nuances. Fishbein, an experienced player and author, takes you into a modern grandmaster's research lab. Here, all ideas are scrutinized and prepared for use against an opponent who is similarly armed with the latest theory and technology. The most critical responses for Black receive special emphasis. Alex Fishbein is an American grandmaster. His peak world ranking was #150. He was competitive in each of his four U.S. Championship appearances, including in 2004 when he won the Bent Larsen prize for the most uncompromising chess. A lifelong 1.e4 player, Fishbein is known for interesting and creative play.

Gambit Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Gambit PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and

access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Gambit PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Gambit free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Gambit Books

What is a Gambit PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Gambit PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Gambit PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Gambit PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Gambit PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in

a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
