BioWare's Mass Effect Jerome Winter, 2022-11-24 The videogame series *Mass Effect* is a remarkable rarity not only for being an original science-fictional franchise of recent vintage that has risen to such prominent commercial and critical success in popular culture but also for pushing the canonical boundaries of how science fiction as a genre will be experienced and understood in the future. This book analyzes the significance of the game for an understanding of the evolving SF genre and articulates an explanatory framework to limn its landmark reception in videogame history. This book both synthesizes the burgeoning body of scholarship on *Mass Effect* for a readership unfamiliar with either the game or the critical conversation on its salient importance, while simultaneously, for readers already invested in the science-fiction and videogame scholarship, mounting an extended inquiry as to why *Mass Effect* has served as such a representative milestone in videogame and genre history. The book should appeal to veteran science-fiction and videogame scholars and students as well as a wide variety of fans, consumers, gamers, and general readers.

Mass Effect 3 Legendary Edition - Strategy Guide GamerGuides.com, 2015-10-21

You are Commander Shepard, the first human spectre and elite soldier of the Alliance, tasked with uniting the galaxy in the fight to stop the Reapers destroying everything you hold dear. In your hands lies the fate of the entire Milky Way but luckily, this time, you are no longer alone. - Strategies guaranteed to get you through this epic story in one piece. - All side missions completed. - Fool-proof boss tactics. - Find every single weapon mod tucked away in the game. - The location of every war collectible, solar system, hidden fuel station and war asset uncovered in detail. - Full coverage of all three DLC packs *Leviathan*, *Omega* and *Citadel*.

Gaming Disability Katie Ellis, Tama Leaver, Mike Kent, 2022-12-30 This book explores the opportunities and challenges people with disabilities experience in the context of digital games from the perspective of three related areas: representation, access and inclusion, and community. Drawing on key concerns in disability media studies, the book brings together scholars from disability studies and game studies, alongside game developers, educators, and disability rights activists, to reflect upon the increasing visibility of disabled characters in digital games. Chapters explore the contemporary gaming environment as it relates to disability on platforms such as Twitch, Minecraft, and Tingyou, while also addressing future possibilities and pitfalls for people with disabilities within gaming given the rise of virtual reality applications, and augmented games such as *Pokémon Go*. The book asks how game developers can attempt to represent diverse

abilities, taking games such as BlindSide and Overwatch as examples. A significant collection for scholars and students interested in the critical analysis of digital games, this volume will be of interest across several disciplines including game studies, game design and development, internet, visual, cultural, communication and media studies, as well as disability studies.

Reincarnated as a Sword (Light Novel) Vol. 2 Yuu Tanaka,2019-06-27 ' People remain skeptical of Fran's abilities despite her achievements with Teacher, and so, accused of playing favorites, the Guild Master assigns the duo a difficult mission to prove

their worth. Fran and Teacher don't much care what anyone thinks of them, but once they venture into the snare-filled Spider's Lair, even they realize they may have bitten off more than they can chew... '

The Ludotronics Game Design Methodology J. Martin, 2023-08-24 This book supports readers to transition to more advanced independent game projects by deepening their understanding of the concept development process. It covers how to make concepts sufficiently viable, ambitious, and innovative to warrant the creation of a polished prototype in preparation of a publisher pitch. The book is divided into six sections. After a brief tutorial (Preliminary Phase), readers embark on a journey along the book's methodology. They travel through successive conceptual phases (Preparations, Procedures, Processes, and Propositions); advance through levels and action beats in each of these phases; master challenges (conceptual tasks) and overcome level bosses (design decisions) that become successively harder; collect items (fulfilled documentation tasks); and "win" the game by having progressed from a raw, initial idea to a full-fledged, polished game treatment. Additional resources for the book are available at ludotronics.net. This book is designed to support junior and senior year BA or MA students in game design programs, as well as novice indie developers and those in the early stages of their game design career.

Hell Bent: The Complete Series Odette C. Bell, The complete Hell Bent series. Follow Mary and Vincent on their quest to save their city from a violent tournament in this four-book boxset. There's a game in this town with a difference. Play to win, or you'll lose to the Devil. When Mary, a witch without power, encounters the most powerful vamp in the city, she can't run away fast enough. Seriously, trouble follows him like the plague. Or is that her? Vincent Flagstaff might be the most formidable vampire in Bridgetown, but power brings trouble. For thousands of years, his family has fought to keep the city safe from the Devil. But Lucifer requires sacrifices – blood, sweat, tears, and loss. He crafted a tournament for Bridgetown, one every strong family must send players to, or the city will fall. But Vincent has run out of players to represent him. The only way to get more? Make them family members. And the only way to do that? Marry them. When Mary comes to his attention, only one thing's on his mind. It's on the Devil's too, for both men have their eyes on the worst witch in town and they will until the end. Hell Bent follows a plucky witch and the vampire forcing her to fight for him in a battle to save the city from a dark tournament. If you love your urban fantasies with action, wit, and a splash of romance, grab Hell Bent: The Complete Series today and soar free with an Odette C. Bell boxset.

Reincarnated as a Sword (Light Novel) Vol. 11 Yuu Tanaka, Llo, 2022-11-17 Teacher and Fran return to Granzell after their adventures in the Beastman Nation, still on the search for Garrus--only to discover that he may have been abducted, and by a nobleman at that! The Otherworld Saga: Chains Of Uncertainty MSA Wilson, 2022-10-25 She drove the carving knife directly into the center of it, shattering the glass which encased the compass needle. She pushed the knife into it even further, trying to open it from the outside, as glass clattered to the floor. She had broken her most precious keepsake so her wish would be granted. There had to be something within it, something which would point her in the right direction, and all this time she truly believed she lacked the courage to find it. Now the power of the compass would become hers! Come on, just a little bit more, Quincy said, trying to remove the needle from the center. That was when the whole world seemed to come to a standstill. She kept trying to shimmy the knife in deeper until she could no longer move. She held her breath out of fear. She felt an immense pressure of heat, an overpowering presence of some sort. Her eyes followed the glowing light of the compass as it had risen from where she had shattered it on top of the wardrobe. It began

to burn brighter with heat and light. The metal that comprised the compass began to turn red-hot until it was molten white, superheated from the concentrated energy flow. She watched in awe as the compass reassembled itself after having been broken to pieces. The chains Quincy once wore around her neck began to move fluidly on their own, and the white-hot links wrapped themselves around that of her wrist and left hand as she cried out in excruciating pain. The molten metal melded with flesh as it began to sink beneath her skin. It felt as if her very hand was being torn apart and was melting to pieces. The sharp, unbearable pain was indescribable. Sparks began to fly from the burning compass as it flew closer toward the palm of her left hand. Quincy believed she was going to die. She could not breathe. She felt as if she were being burned alive from the inside out as her body became irradiated with the unbearable heat. The compass seeped into the scalding wound which had been gouged into her hand.

Reincarnated as a Sword (Light Novel) Vol. 12 Yuu Tanaka,Llo,2023-03-09 Fran and Teacher successfully destroyed the Sword of Mad Faith Fanatix, which was wreaking havoc in Granzell. However, its remaining shards have brainwashed Velmeria, and she's now going on a rampage through the city! Will the beastgirl and her sword have to challenge Fanatix to a rematch to stop the madness?

Swallow the Moon Bri Mooney,2023-01-16 **THERE WILL BE BLOOD** In a dystopian world ruled by oppression and despair, two individuals find themselves caught in a treacherous web of power and forbidden love. Garrus is determined to salvage the remnants of his shattered world. As the last hope for a dwindling rebellion, he walks a precarious path, his every move shadowed by the ruthless Vampire King and his merciless regime. But when fate intertwined his destiny with that of Sigríð, the infamous killer fueled by a burning vendetta, everything changed. Sigríð, a legendary and deadly Vampire, has long harbored a deep-seated hatred for the Vampire King and his reign of terror. Her heart beats with a single purpose—to avenge the losses she has suffered. When a risky encounter at a livestock auction throws her and Garrus together, their agendas collide with electrifying force. Though their initial encounter is marked by enmity and mistrust, an undeniable connection flickers between them. As they reluctantly embark on a perilous journey, each driven by their own motives, Garrus and Sigríð must navigate a treacherous landscape of danger and deception. Their lives intertwine in unexpected ways, testing the limits of their loyalties and beliefs. Bound by circumstance, they find solace and strength in each other, gradually unraveling the layers of their hardened exteriors to reveal vulnerability and passion. In the face of an oppressive regime, their forbidden love becomes a beacon of hope and defiance, challenging the very foundations of their shattered world. In this dystopian tale of dual perspectives, enemies become

unlikely allies, and the line between love and hate blurs amidst the chaos of revolution. Underworld meets Fallout
