Garuda Indonesia Jozef Mols,2022-06-20 On January 26, 1949, Garuda Indonesia was officially established as Indonesia’s government-owned flag carrier. To begin with, the airline focused on domestic and regional travel. However, in 1962, the Dutch-occupied island of Dutch New Guinea was added to the Indonesian territory and Garuda faced the huge challenge of starting up flights to the very remote and isolated settlements of Irian Jaya. Fortunately, the airline had the assistance of another Indonesian government-owned airline, Merpati, which would later become a feeder and subsidiary of Garuda. In the mid-1980s, a massive reorganization led to Garuda offering international flights, which required the modernization of the entire fleet. The late ’90s saw a new management having to cope with the disastrous effects of the Asian financial crisis closely followed by the deregulation of the aviation industry in 2000, which greatly increased competition in the domestic market. Over subsequent years, Garuda has faced many more challenges, from the effects of the 9/11 terrorist attacks and the Bali bombings to the 2003 SARS epidemic and the COVID-19 pandemic. However, despite these setbacks, it has successfully transitioned from a small domestic carrier to a player on the international stage. This fully illustrated volume looks at Garuda’s turbulent history from its involvement in Indonesia’s postwar struggle for independence to operations during the 2020 COVID-19 pandemic.

Nichiren Goshō - Book Two Sylvain Chamberlain-Nyudo,2016-01-20 Printed in LARGE font for easier read. At the Threefold Lotus Swoon Press, our only mission is to correctly transmit the Buddha's precious and clear teachings as he intended, for the enlightenment (awakening) of all people regardless of status, capacity, or age. A scholarly effort to remove Western translators' misguided attempts to use familiar terms from Western religions to explain Asian concepts. This introduced mysticism and contradictory language to obfuscate what is otherwise a perfect teaching.

The Writings of Nichiren Daishonin Soka Gakkai,2023-09-01 An authoritative translation of 172 of Nichiren's writings presented in chronological order. The collection includes Nichiren's five major works as well as other treatises setting forth his doctrine, writings remonstrating with government officials, and letters offering advice, encouragement, or consolation to believers. The translations are based on those of Burton Watson, formerly of Columbia University and an award-winning translator of Chinese and Japanese literature. Edited by the Soka Gakkai's Goshō Translation Committee, these are the translations used by English-speaking Soka Gakkai members the world over.
