Petra Okeke-Bestman

Gazelle Rikki Ducornet,2007-12-18 As mesmerizing as a tale from the lips of Sheherazade, *Gazelle* traces the story of Elizabeth, a thirteen-year-old American girl whose adolescent passion is awakened in the exotic climate of 1950s Cairo. While her mother—whose beauty and sexual prowess both frighten and fascinate Elizabeth—moves into a hotel to pursue a string of lovers, her father, a historian, loses himself in a world of chess and toy soldiers. Elizabeth's imagination, primed by an explicit edition of *The Arabian Nights*, leads her to fantasies about her father's friend, a gentle, older man named Ramses Ragab, a perfume maker who visits their house regularly to play games of war and who opens her up to the mystery of hieroglyphics and the art of exotic scents.

Lion Vs. Gazelle Mary Meinking,2011-01-01 Discusses the physical characteristics and predatory behavior of lionesses in their hunt for gazelles and the things that gazelles do to escape from lionesses.

Gazelle Emma Ruggles,2021-04-17 *Gazelle: Amazing Photos and Fun Facts about Gazelle*

Gazelle-boy Jean Claude Armen,1974

The Gazelle's Dream Alison Betts,W. Paul van Pelt,2021-12-01 Once the world's prairies, grasslands, steppes and tundra teemed with massive herds of game: gazelle, wild ass, bison, caribou and antelope. Humans seeking to hunt these large fast-moving herds devised a range of specialised traps that share many characteristics across all continents. Typically consisting of guiding walls or lines of stones leading to an enclosure or

trap, game drives were designed for a mass killing. Construction of the game drive, organisation of the hunt and processing of the carcass often required group co-operation and in many cases game drives have been linked to seasonal gatherings of otherwise scattered groups, who may have used these occasions not only to hunt, but also for social, ritual and economic activities. *The Gazelle's Dream: Game Drives of the Old and New Worlds* is the first comparative study of game drives, examining this mode of hunting across three continents and a broad range of periods. The book describes the hunting of bison in North America, reindeer in Scandinavia, antelope in Tibet and an extensive array of examples from the greater Middle East, from Egypt to Armenia. *The Gazelle's Dream* will be of value to anyone with an interest in the history of hunting and wildlife management.

In the Country of Gazelles Fritz R. Walther, 1995
When Fritz Walther was a young boy growing up in Dresden, his grandfather took him to the zoo, where he immediately fell in love with gazelles and dreamed of going to Africa to study them. He finally realized this dream in the 1960s, when he began a series of research field trips in the Serengeti National Park. His work led to numerous important studies in animal behavior and communication, especially on Thomson's and Grant's gazelles. Now, almost thirty years after his field research, Walther gives us a memoir of his experiences - the challenges, problems, and romance of studying animals on the Serengeti at a time when it was still one of the great wild areas of the world. This is a book for everyone who loves nature, cares about the environment, and wants to learn how a dedicated scientist unlocks the secrets of animal behavior.

The Boy who Ran with the Gazelles Marianna Mayer, 2005 A young boy from a nomadic tribe follows the gazelle that has been his nurse, and together they join a gazelle herd in the desert.

Some Tame Gazelle Barbara Pym, 2013-01-22 A novel

of two sisters in postwar England that lets you “step into the Jane Austen–like lives of Harriet and Belinda Bede” (The Christian Science Monitor). Belinda and Harriet Bede live together in a small English village. Shy, sensible Belinda has been secretly in love with Henry Hoccleve—the poetry-spouting, married archdeacon of their church—for thirty years. Belinda’s much more confident, forthright younger sister Harriet, meanwhile, is ardently pursued by Count Ricardo Bianco. Although she has turned down every marriageable man who proposes, Harriet still welcomes any new curate with dinner parties and flirtatious conversation. And one of the newest arrivals, the reverend Edgar Donne, has everyone talking. A warm, affectionate depiction of a postwar English village, *Some Tame Gazelle* perfectly captures the quotidian details that make up everyday life. With its vibrant supporting cast, it’s also a poignant story of unrequited love.

Gazelle Michelle Hawkins, 2021-04-03 Do you know that in Arabic, Gazelle means love poem? And do you know that when Gazelles need to cool down, they will pant rapidly through their nasal passage? It is sometimes difficult to make our children understand the beauty of nature, to make them appreciate the small things, the beauty of a flower, the freshness of the air, the scent of grass. Often, we are not fortunate to be in contact with nature, far from a meadow, closed in the cities. Still, so often, while looking out from our balcony in a beautiful country house, we know how to observe but do not appreciate creation's beauty. Know the details and habits of zoo animals as common as it is surprising, through a simple path, which fuels your child's interest and curiosity. That's the purpose of this book. But beware, prepare for the challenge! You will have to be able to answer the questions that your child will ask you by showing off their deep knowledge in the microworld of the Gazelle: -Mom, do you know what family Gazelle are a part of? I do! -Hey dad, do you know what the most popular Gazelle is?

I do!-Grandpa, do you know what Gazelles mean in Arabic and Persian literature? I do!-Grandma, do you know what a female Gazelle is called? I do!-Sarah, you're my big sister, and you've studied a lot, but I bet you don't know what the biggest and rarest Gazelle is in the world! I know that.You don't need anything else; just one click on Buy Now, and you will let your child live a magical new adventure with his new friend Gazelle and the magic natural world of zoo animals.

The Gazelle Raymond P. Scheindlin,1999 From the tenth century to the thirteenth, the Jews of Spain belonged to a vibrant and relatively tolerant Arabic-speaking society, a sophisticated culture that had a marked effect on Jewish life, thought, artistic tastes, and literary expression. In this

companion volume to *Wine, Women, and Death*, we see how the surrounding Arabic culture influenced the new poetry that was being written for the synagogue service. The Hebrew poems here, accompanied by elegant English translations and explanatory essays are short lyrics of the highest literary quality.

The Beduins' Gazelle Frances Temple, 1998-01-17
When she and he were only babies, they were pledged in marriage. Now Atiyah has been sent away -- a political pawn in a war between the Beduin tribes in the year 1302. He vows to return to her as soon as he can. But while Atiyah is studying at the great university in Fez, Halima is lost in a sandstorm. Rescued by an enemy tribe, she is told that she must marry their powerful sheikh and live in his harem -- never to see her people again. Halima does what she can to resist, but she has no choice. In three moons' time she will become the youngest wife of the cruel and greedy Raisulu -- unless Atiyah can find her. But where in the vast sea of desert can he begin his search for his beloved? The last novel from award-winning author Frances Temple, this companion to *The Ramsay Scallop* is a romantic tale of intrigue, adventure, and true love, set against the backdrop of medieval Arabia. 'Temple's evocation of the Beduin—a grand, generous nation of poets and storytellers shaped by their religion and their hostile, sometimes beautiful, environment—is easily as vivid as the storyline. . . . This book glitters with the intelligence and skill of a gifted storyteller, and will sweep readers along on an exotic, satisfying adventure.'
