*The Fox & Little Tanuki, Volume 1* Tagawa Mi,2020-03-17 It is said that there are some special animals occasionally born with great powers. Senzou the black fox is one of those... but instead of using his powers for good, he abused his strength until the Sun Goddess imprisoned him for his bad behavior. Three hundred years later, he's finally been released, but only on one condition — he can't have any of his abilities back until he successfully helps a tanuki cub named Manpachi become an assistant to the gods. Unfortunately for Senzou, there's no cheating when it comes to completing his task! The magic beads around his neck make sure he can't wander too far from his charge or ignore his duties, and so... Senzou the once-great Fox Spirit must figure out how to be an actually-great babysitter to an innocent little tanuki or risk being stuck without his powers forever!

*The Macedonian Front, 1915-1918* Basil Gounaris,Michael Llewellyn-Smith,Ioannis Stefanidis,2022-03-31 The ‘Macedonian question’ has been much studied in recent years as has the political history of the period from the Balkan Wars in 1912-13 to the Treaty of Lausanne in 1923. But for a variety of reasons, connected with the political division of Greece and the involvement of outside powers, the events at and behind the Macedonian front have been side-lined. The recent commemorations of the centenary of the end of the First World War in the UK illustrate how by comparison with the enormous and moving emphasis on the western front, Macedonia has been not wholly but largely ignored. This volume illuminates this comparatively neglected period of Greek history and examines the strategic and military aspects of the war in Macedonia and the political, social, economic and cultural context of the war.
