

Geiko

Liza Dalby

Geiko and Maiko of Kyoto Robert van Koesveld, 2016-03-01 This is an intimate, intricately researched observation of Geiko and Maiko culture in Kyoto. The elegance and sophistication of these increasingly rare traditional Japanese artists is reflected in the meticulous design, respectful prose and gorgeous photographs.

Geisha Mineko Iwasaki, 2003-09 A Kyoto geisha describes her initiation into an okiya at the age of four, the intricate training that made up most of her education, her successful career, and the traditions surrounding the geisha culture.

Geisha of Gion Mineko Iwasaki, Rande Brown, 2012-12-11 The extraordinary, bestselling memoir from Japan's foremost geisha. 'A glimpse into the exotic, mysterious, tinged-with-eroticism world of the almost mythical geisha' Val Hennessy, Daily Mail '[An] eloquent and innovative memoir' The Times 'I can identify the exact moment when things began to change. It was a cold winter afternoon. I had just turned three.' Emerging shyly from her hiding place, Mineko encounters Madam Oima, the formidable proprietress of a prolific geisha house in Gion. Madam Oima is mesmerised by the child's black hair and black eyes: she has found her successor. And so Mineko is gently, but firmly, prised away from her parents to embark on an extraordinary profession, of which she will become the best. But even if you are exquisitely beautiful and the darling of the okiya, the life of a geisha is one of gruelling demands. And Mineko must first contend with her bitterly jealous sister who is determined to sabotage her success . . . Captivating and poignant, *Geisha of Gion* tells of Mineko's ascendancy to fame and her ultimate decision to leave the profession she found so constricting. After centuries of mystery Mineko is the only geisha to speak out. This is the true story she has long wanted to tell and the one that the West has long wanted to hear.

The Alluring World of Maiko and Geiko Judith Clancy, 2016-01-27

Geisha John Gallagher, 2003 Japan's geisha have fascinated and allured westerners for centuries. But just who are geisha? This book delves into their lives and history with detailed coverage of their training, their costumes, and the intricate world of tradition in which they live and work. This finely illustrated book looks at the gradations of rank, clothing, and makeup, as well as the subtle changes of geisha appearance through the seasons. It explores the network of dance schools, teahouses, temples, offices and traditional crafts, with calligraphers, dyers, and sake warmers among the many occupations serving in the hanamachi or flower towns, as geisha districts are known. The geisha craft itself draws on an array of traditional Japanese arts: dance, tea ceremony, traditional music, and games, all in the service of leisure. This book explains how this complex and often misunderstood world evolved, how it fits into modern Japan, and how it is adapting in order to survive there.-- From publisher description.

Little Songs of Geisha Liza Dalby, 2011-12-20 A fascinating look into the world of the Geisha through the 400-year-old art of Ko-Uta, the traditional song form sung to three-stringed shamisen music. It is a vivid evocation of the romanticism of feudal Japan. Traditional Japanese ko-uta are the musical embodiment of the geisha in the intoxicating flower and willow world. Literally, these are little songs sung by a geisha who accompanies herself on the three-stringed shamisen. Liza Dalby, fully trained in the arts of the geisha and fluent in Japanese, is a magnificent guide who brings alive the spirit of this delightful musical form. *Little Songs of the Geisha* presents beautiful calligraphy and vivid translations of twenty-five ko-uta, to which Liza Dalby adds lively explanatory notes illuminating the puns and Japanese literary devices which might otherwise elude the Western reader. To draw out the fullest essence of the floating world, *Little Songs of the Geisha* offers an appendix with traditional musical notations for the shamisen as well as in standard Western form.

The Alluring World of Maiko and Geiko

Geisha in Rivalry Kafu Nagai, 2011-08-30 *Geisha in Rivalry*, first published as *Udekurabe* in 1918, has a secure place among Kafu Nagai's masterpieces. Set against the backdrop of Tokyo's Shimbashi geisha district, a company of vivid characters play out their drama of illicit love, shady intrigue, and unrelenting rivalry. In the forefront are the geisha: some powerful and spiteful like the imperious Rikiji, some crude and obvious like the gaudy Kikuchiyo, some naive and pathetic like the heroine Komayo, and all engaged in finding a place for themselves in a world that offers no easy route of escape from their profession. Here, too, are the patrons of the geisha: the playboys, the actors, the successful businessmen, and the upstart gentlemen of late Meiji society. And here, again, are those who make the machinery of this world function: the geisha house proprietors, the teahouse mistresses, the actors' retainers, the servants. And, finally, here are the parasites of the demimonde, who live off its other denizens through guile and deceit. Through this often sordid but fascinating pageant move the figures of the geisha Komayo, her lovers, and the women who conspire to steal them from her.

The Gei of Geisha: Music, Identity and Meaning KellyM. Foreman, 2017-07-05 The Japanese geisha is an international icon, known almost universally as a symbol of traditional Japan. Numerous books exist on the topic, yet this is the first to focus on the 'gei' of geisha - the art that constitutes their title (gei translates as fine art, sha refers to person). Kelly M. Foreman brings together ethnomusicological field research, including studying and performing the shamisen among geisha in Tokyo, with historical research. The book elaborates how musical art is an essential part of the identity of the Japanese geisha rather than a secondary feature, and locates current practice within a tradition of two and half centuries. The book opens by deconstructing the idea of 'geisha' as it functions in Western societies in order to understand why gei has been, and continues to be, neglected in geisha studies. Subsequent chapters detail the myriad musical genres and traditions with which geisha have been involved during their artistic history, as well as their position within the traditional arts society. Considering the current situation more closely, the final chapters explore actual dedication to art today by geisha, and analyse how they create impromptu performances at evening banquets. An important issue here is geisha-patron artistic collaboration, which leads to consideration of what Foreman argues to be the unique and essential nexus of identity, eroticism and aesthetics within the geisha world.

Geisha iMinds,2014-05-14 Mystery and misconception surround the geisha. At first glance, she may appear to be rather average looking, heavily clad in a weighty costume and an excess of make-up. But behind this mask lies a range of artistic skills and social etiquettes of immense importance to Japanese culture past and present. The most common place to find a geisha today is in Kyoto, the former capital of Japan before Tokyo, or Edo, took over. Even so, it is rare to see a real geisha walking the streets there. There are Japanese girls who look like geisha wearing colorful kimonos with thick obis wrapped tightly around their waist, tottering along on pairs of wooden okobo.

Memoirs of a Geisha Arthur Golden, 1997 Sample Text

Geishas and the Floating World Stephen Longstreet, Ethel Longstreet, 2020-03-24 Geishas and the Floating World returns readers to a lost world of sensuality and seduction, rich with hedonism, abandon, and sexual and personal politics. Floating World refers to Japan's traditional Geisha pleasure districts, but also to the artistic and literary worlds associated with them. At the heart of the Floating World and the system it supported was an extensive network of talented courtesans and entertainers, typified by the still fascinating, enigmatic Geisha. Stephen and Ethel Longstreet bring the reader on an in-depth tour of the original and most infamous red-light district in Japan--the Yoshiwara district of old Tokyo that underwent tremendous changes during the more than three centuries of its existence. Beyond the erotic allure the district held, the Yoshiwara also fostered a rich culture and a much studied and revered artistic and literary tradition. This account is adorned with examples of fine woodblock prints and quotations from often bawdy, and always colorful, original sources that offer a gripping portrait of life within the pleasure zone. Geishas and the Floating World balances scholarly insights with a master storyteller's flair for the exploits and intrigues of people operating outside the confines of polite society. Stephen Mansfield's new introduction bridges time, examining gender realities and the Yoshiwara through contemporary eyes, highlighting often overlooked subtleties and the harsh realities associated with this glittering world.

A Woman Alone in the Heart of Japan Gertrude Adams Fisher, 1906

The Nightless City of the Geisha Joseph Ernest De Becker, 2002 First Published in 2005. Routledge is an imprint of Taylor & Francis, an informa company.

Autobiography of a Geisha 白蛇, 2003 Home to the New York Yankees, the Bronx Zoo, and the Grand Concourse, the Bronx was at one time a haven for upwardly mobile second-generation immigrants eager to leave the crowded tenements of Manhattan in pursuit of the American dream. Once hailed as a wonder borough of beautiful homes, parks, and universities, the Bronx became--during the 1960s and 1970s--a national symbol of urban deterioration. Thriving neighborhoods that had long been home to generations of families dissolved under waves of arson, crime, and housing abandonment, turning blocks of apartment buildings into gutted, graffiti-covered shells and empty, trash-filled lots. In this revealing history of the Bronx, Evelyn Gonzalez describes how the once-infamous New York City borough underwent one of the most successful and inspiring community revivals in American history. From its earliest beginnings as a loose cluster of commuter villages to its current status as a densely populated home for New York's growing and increasingly more diverse African American and Hispanic populations, this book shows how the Bronx interacted with and was affected by the rest of New York City as it grew from a small colony on the tip of Manhattan into a sprawling metropolis. This is the story of the clattering of elevated subways and the cacophony of crowded neighborhoods, the heady optimism of industrial progress and the despair of economic recession, and the vibrancy of ethnic cultures and the resilience of local grassroots coalitions crucial to the borough's rejuvenation. In recounting the varied and extreme transformations this remarkable community has undergone, Evelyn Gonzalez argues that it was not racial discrimination, rampant crime, postwar liberalism, or big government that was to blame for the urban crisis that assailed the Bronx during the late 1960s. Rather, the decline was inextricably connected to the same kinds of social initiatives, economic transactions, political decisions, and simple human choices that had once been central to the development and vitality of the borough. Although the history of the Bronx is unquestionably a success story, crime, poverty, and substandard housing still afflict the community today. Yet the process of building and rebuilding carries on, and the revitalization of neighborhoods and a resurgence of economic growth continue to offer hope for the future.

Geisha Kyoko Aihara, 2000 Kyoto's Hanamachi community - Maiko - Geiko - Artistic accomplishments - Banquets and performances - Modern life in the Hanamachis - Examines the role of the female entertainers who work in the teahouses of Japan and shows how it has changed in modern times.

Goju-Ryu Futari Geiko C. Michial Jones, 2015-12-10 Goju-Ryu Futari Geiko draws extensively on the authors 39 years of personal experience, training and research in Okinawan GojuRyu Karate-do. This work covers blocking drills, Sandan Gi, Ippon Kumite, Nihon Kumite, Rensoku Waza, flow drills, kakie and kumigata, ranging from simple to complex partner training drills that will benefit not only the novice but also the most experienced karate-ka. If you are looking for training drills from Old style Okinawan karate, look no further.

Rivalry Kafu Nagai, 2011 Komayo is a former geisha who, upon the death of her husband, returns to the world of flower and willow to escape poverty. A chance encounter with an old patron, Yoshioka, leads to a potentially profitable relationship: Yoshioka believes Komayo can restore his lost innocence; Komayo uses Yoshioka's patronage to compete in elaborate music and dance performances. As Komayo considers Yoshioka's offer, she falls in love with Segawa, a young actor who promises to turn the talented geisha into the finest dancer in the Shimbashi quarter. Komayo is eager to become the lead performer among her peers. Her ambition even tempts her to assume a third patron known as the Sea Monster, a repellent but wealthy antiques dealer. As she grows to realize a glittering career, Komayo becomes the target of her three lovers' bitter rivalry, which leaves her both thrilled and exhausted, brutalized and redeemed. Nagai Kafu's captivating tale moves from the intimate corners of the geisha house to the back rooms of assignation, from the dressing areas of the great kabuki theaters to the lonely country villa of a theater critic and connoisseur of Shimbashi women, detailing one woman's absorbing quest to find fame, affection, and financial security.

America's Geisha Ally Naoko Shibusawa, 2010-09-30 During World War II, Japan was vilified by America as our hated enemy in the East. Though we distinguished good Germans from the Nazis, we condemned all Japanese indiscriminately as fanatics and savages. As the Cold War heated up, however, the U.S. government decided to make Japan its bulwark against communism in Asia. But how was the American public made to accept an alliance with Japan so soon after the Japs had been demonized as subhuman, bucktoothed apes with Coke-bottle glasses? In this revelatory work, Naoko Shibusawa charts the remarkable reversal from hated enemy to valuable ally that occurred in the two decades after the war. While General MacArthur's Occupation Forces pursued our nation's strategic goals in Japan, liberal American politicians, journalists, and filmmakers pursued an equally essential, though long-unrecognized, goal: the dissemination of a new and palatable image of the Japanese among the American public. With extensive research, from Occupation memoirs to military records, from court documents to Hollywood films, and from charity initiatives to newspaper and magazine articles, Shibusawa demonstrates how the evil enemy was rendered as a feminized, submissive nation, as an immature youth that needed America's benevolent hand to guide it toward democracy. Interestingly, Shibusawa reveals how this obsession with race, gender, and maturity reflected America's own anxieties about race relations and equity between the sexes in the postwar world. America's Geisha Ally is an exploration of how belligerents reconcile themselves in the wake of war, but also offers insight into how a new

superpower adjusts to its role as the world's preeminent force.

Maiko Masquerade Jan Bardsley,2021-03-09 Maiko Masquerade explores Japanese representations of the maiko, or apprentice geisha, in films, manga, and other popular media as an icon of exemplary girlhood. Jan Bardsley traces how the maiko, long stigmatized as a victim of sexual exploitation, emerges in the 2000s as the chaste keeper of Kyoto’s classical artistic traditions. Insider accounts by maiko and geisha, their leaders and fans, show pride in the training, challenges, and rewards maiko face. No longer viewed as a toy for men’s amusement, she serves as catalyst for women’s consumer fun. This change inspires stories of ordinary girls—and even one boy—striving to embody the maiko ideal, engaging in masquerades that highlight questions of personal choice, gender performance, and national identity.

Reviewing **Geiko**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence. Its capacity to evoke emotions, stimulate contemplation, and stimulate metamorphosis is truly astonishing. Within the pages of "**Geiko**," an enthralling opus penned by a very acclaimed wordsmith, readers embark on an immersive expedition to unravel the intricate significance of language and its indelible imprint on our lives.
