

Gemini Surplice

S Marginson

Gemini Dorothy Dunnett, 2010-08-11 Scotland, 1477: Nicholas de Fleury, former banker and merchant, has re-appeared in the land that, four years earlier, he had brought very close to ruin in the course of an intense commercial and personal war with secret enemies—and, indeed, with his clever wife Gelis. Now the opportunity for redemption is at hand, but Nicholas soon finds himself pursuing his objectives amid a complex, corrosive power struggle centering on the Scottish royal family but closely involving the powerful merchants of Edinburgh, the gentry, the clergy, the English (ever seeking an excuse to pounce on their neighbor to the north), the French, the Burgundians. His presence soon draws Gelis and their son Jodi to Scotland, as well as Nicholas's companions and subordinates in many a past endeavor—Dr. Tobias and his wife Clémence, Mick Crackbene, John le Grant, and Andro Wodman among them. Here, too, Nicholas meets again with others who have had an influence, for good or evil, in his life: King James III of Scotland and his rebellious siblings; the St. Pols: Jordan, Simon, and young Henry; Mistress Bel of Cuthilgurdy and David de Salmeton; Anselm Adorne and Kathi his niece. Caught up in, and sometimes molding, the course of great events, Nicholas exhibits by turns the fierce silence with which he masks his secrets, and the explosive, willful gaiety that binds men, women, and children to him. And as the secrets of his birth and heritage come to light, Nicholas has to decide whether he desires to establish a future in Scotland for himself and his family, and a home for his descendants. *Gemini* brings to a dazzling conclusion Dorothy Dunnett's House of Niccolò series (synopsized in this volume), in which this peerless novelist has vividly re-created the dramatic, flamboyant world of the early Renaissance in historical writing of scrupulous authenticity and in the entrancing portrait of her visionary hero. Now, in a book infused with wit and poetry, emotion and humor, action and mystery, she brings Nicholas de

Fleury at last to choose his heart's home, where he can exercise all his skills as an advisor to kings and statesmen, as a husband, a father, and a leader of men—and where, perhaps, we will discern a connection between him and that other remarkable personality, Francis Crawford, whose exploits Lady Dunnett recorded so memorably in *The Lymond Chronicles*.

Gemini William Kelley, 2000-07-27 *Gemini* is the story of young Bascomb McGoslin and his search for love and spiritual fulfillment—a search which became a desperate flight from the life and the world he had known before. Behind Bascomb's headlong escape was June Cyzmanski—a willful, beautiful creature as hungry for love as he, but with an honesty he had not yet achieved. Torn by his passion for Cyz and by his guilt over their love affair, Bascomb was impelled to seek absolution for his sins within the religious life. *Gemini* is many things. It is a bold and honest portrait of a man trapped by his own keen intelligence in a nightmare of doubt and ignorance. It is a fascinating and faithful recreation of seminary life. And, above all, it is a haunting story of love—between man and woman, man and God. William Kelley was born in 1929, the fourth of seven children. His first novel, *Gemini* was a best seller when first published in 1959. He has an extensive background as both writer and producer, having written numerous movies and series for television as well as 7 novels. He received an Academy Award for best screenplay in 1986 for *Witness*.

Gemini Stephanie True Peters, 2003

Gemini, 2007

Gemini the Twins William Tyler Olcott, 2005-12-01 This scarce antiquarian book is a facsimile reprint of the original. Due to its age, it may contain imperfections such as marks, notations, marginalia and flawed pages. Because we believe this work is culturally important, we have made it available as part of our commitment for protecting, preserving, and promoting the world's literature in affordable, high quality, modern editions that

are true to the original work.

Dear Popsy Eric Bishop-Potter,2013-11-01 Welcome to St Cloud's, an exclusive public school where the boys prefer rouge to rugger and bondage to bunsen burners. Here, courtesy of new boy Basil Leaf and the postcards he writes to his long-suffering father, you'll meet the 'criminally pretty' Gemini Tarquogon, who paints his nails scarlet and wears frocks and feathers; Courtney Durham, who runs up curtains on his sewing machine; Hugo Bletchworth, keen on leatherwear and flagellation; Father Absolute, Basil's gin-swilling Father Confessor; Rory O'Brien, St Cloud's rugger coach and Courtney Durham's 'close companion'. Then there are Basil's camp followers, so to speak: Nipper Thompson, a spirited jockey sacked by his guv'nor for wearing earrings at the morning gallop; Maurice Le Vere, a former ballet dancer and owner of The Last Faerie, a notorious watering hole; Sir Geoffrey Grassington, a local magistrate and the proprietor of a palace of pleasure, wherein Basil and his chums bring comfort to wealthy gentlemen of unusual tastes, until the men from MI5 move in... Dear Popsy is an outrageous, madly comic book, brimming with zip and exuberance. Michael Palin, of Monty Python fame, said: 'Very, very funny, wonderful turns of phrase, carries on where Decline and Fall left off, I think I am jealous.'* And Goodreads' reviewers have given it five-star ratings. Dear Popsy was first published by Andrew Deutsch and later by Penguin. This is the third edition of this popular book
