Sword of Fire John R. Beck,2013-04-30 Twelve year old Jerad goes on a quest to see the flaming sword guarding the Garden of Eden. But the giant Nephilim also want the sword and will ride their mighty dinosaurs over anything in their way to get it.

The Needle Or The Sword Allan Cornford,2021-10-14 Written from the Biblical perspective of Ruin-Restoration, a glimpse into the primordial world of gargantuan life-forms that perished back in the heavens of old, and PRIOR to the 6 days of Genesis. The evidence for which has either been misconstrued, deliberately covered up, or wilfully ignored. Is the earth that we dwell upon even what each of us have been taught from infancy to believe it is? To what extent have we all been affected by the official narrative? Or is the official narrative a form of indoctrination? And if so, should we believe the official narrative today? And if so, where might a belief in the official narrative lead us?

Genesis of Chaos J. D. Fisher,2021-09-09 I wasn't always this way, an assassin lurking in the shadows. Life dealt me a cruel hand? Was it fate? Was it destiny? I happen to think I played my hand as best as I could... for better or for worse?When an evil sword of great power appeared in the Shadowlands, the fates of many would be determined as the wicked blade transformed them into what they could never have imagined. With the explosion of this vicious sword, its small shards dispersed far and wide over the Shadowlands. As the shards were discovered, one by one, they craved chaos in the darkened hearts of those who unexpectedly found them. Now, its dormant evil lies in wait to be fully reborn. This was only the beginning of the Chaotic Order, the birth of the Genesis of Chaos?

The Two-Edged Sword John L. McKenzie,2009-01-01 Moving from Genesis through the Hebrew prophets, McKenzie has produced a moving picture of Hebrew religion produced by divine revelation. Throughout the work he confronts biblical ideas with modern thought and modern thought with biblical ideas. Themes include the Hebrew view of history, the backdrop of ancient Near Eastern religions and literary forms, and the unique role of Israel as a society governed immediately by the will of God. In short, McKenzie offers an engaging interpretation of the Old Testament which will challenge scholars and delightfully instruct the general reader.

The Sword Keeper Joe Vasicek,2017-09-23 Only those who rise to their calling discover why they were chosen. A thousand years ago, an order of twelve magic swords kept the world at peace. Each sword had a personality, a mind, and a memory. Through the bonds they shared with their bearers, the wisdom and skill of generations was preserved. But the swords became corrupted. They turned on each other, shattering the order and plunging the world into war. The twelfth sword went into hiding until the day of prophecy, when the last sword bearer would free the world of men. That day has come, and the sword bearer of prophecy is a mere tavern girl. Tamuna Leladze never sought for this honor. Raised by her aunt Sopiko, her only knowledge of foreign lands came from the travelers who passed through her aunt's tavern. She always dreamed of adventure, but never thought she would answer its call. But when a wandering knight arrives at the end of the harvest season, all that begins to change. The old knight is the keeper of the sword Imeris, who has chosen her in the eleventh hour. For far to the north, a terrible empire has unleashed a reign of blood, fire, and steel. Led by an evil brotherhood more ancient than the sword itself, their darkness will soon sweep the land. As events carry Tamuna far from her village home, she cannot help but wonder if the sword has made a mistake.

The Genesis of the Sword Lynda Thrift,2024-03-28 In the shadow of the Dark Ages, the North East coast of Britain trembles under the threat of relentless Viking raids. Villages are pillaged, families torn apart, and the dread of Norsemen keeps every heart captive. Erik, once a Viking himself, deserted his brethren, repelled by the very cruelty he was once part of. Having forged a peaceful existence as a blacksmith, Erik treasures his newfound life and the family that now defines him. But the spectre of his past haunts him, for his old comrades seek vengeance for his perceived betrayal, threatening all he cherishes. Driven by desperation and love, Erik employs his skills to create a masterpiece-a magnificent sword birthed from fire and determination. With an ethereal amber stone embedded in its hilt, gifted by his loving wife, this sword is no ordinary weapon. It pulses with a profound promise: to shield and defend. Imbued with mystic energy, it vows protection not just for Erik's kin but for generations of his clan to come. Yet, the sword's true destiny awaits the arrival of its destined Keeper. Only then will its full power be unleashed, and the legacy of protection truly begin. Dive into The Genesis of the Sword, a tale of valour, love, and a weapon that transcends time.

BIBLE DIFFICULTIES Edward D. Andrews,2020-02-08 THE BIBLE: ERRORS! MISTAKES! INCONSISTENCIES! CONTRADICTIONS! Critics claim that the Bible is filled with so-called errors, mistakes, inconsistencies, and contradictions. Some even speak of thousands of errors. The truth is there is not even one demonstrated error in the original text of the Bible. Of course, we would never say that there are no difficulties in our Bibles. The Bible is loaded with thousands of difficult, challenging passages, many of which become obstacles in the development of our faith. These difficulties arise from differences in culture, language, religious and political organizations, not to mention between 2,000 to 3,500 years of separation between the Bible author and the modern-day reader. Calling attention to these difficulties and sifting out the misconceptions, Andrews defends the full or absolute inerrancy of Scripture. He clarifies the so-called errors or mistakes and what might seem like apparent contradictions. He arms the Christian with what they need to defend their faith in the Bible. Honestly, whenever Christians find difficulty in the Bible, acknowledge it. Do not try to obscure it. Do not try to dodge it. The best way to deal with Bible critics and the Bible Difficulties is to understand all the ways that Bible Difficulties can come about. And then have dozens of Bible difficulties answered as examples. Herein is the defense of God's Word that Christians have been waiting for.

Jack and Mack in the Quest for the Sword of Fire John R. Beck,2019-04-16 Twelve-year-old Jack goes on a problem-plagued pilgrimage to see the Sword of Fire guarding the Garden of Eden and ends up facing a sinister giant seeking immortality.

Genesis Understood Lance Thomas Wynn,2016-08-12 Did the giants exist? They are written in the Bible, history, and archeology. As you can see, Cain is six feet taller than the dump truck. 14 The wicked have drawn out the sword, and have bent their bow, to cast down the poor and needy, and to slay such as be of upright conversation. 15 Their sword shall enter into their own heart, and their bows shall be broken. 16 A little that a righteous man hath is better than the riches of many wicked. 17 For the arms of the wicked shall be broken: but the LORD upholdeth the righteous. 18 The LORD knoweth the days of the upright: and their inheritance shall

be for ever. 19 They shall not be ashamed in the evil time: and in the days of famine they shall be satisfied. 20 But the wicked shall perish, and the enemies of the LORD shall be as the fat of lambs: they shall consume; into smoke shall they consume away (Psalm 37:1420, King James Version).

The Sword of Shannara Terry Brooks,2000-10-06 The Sword of Shannara is the first volume of the classic series that has become one of the most popular fantasy tales of all time. Long ago, the wars of the ancient Evil ruined the world. In peaceful Shady Vale, half-elfin Shea Ohmsford knows little of such troubles. But the supposedly dead Warlock Lord is plotting to destroy everything in his wake. The sole weapon against this Power of Darkness is the Sword of Shannara, which can be used only by a true heir of Shannara. On Shea, last of the bloodline, rests the hope of all the races. Thus begins the enthralling Shannara epic, a spellbinding tale of adventure, magic, and myth . . . **BONUS:** This edition contains an excerpt from Terry Brooks's The Measure of the Magic.

THE SHARP SWORD R.O. Gunther [Dryfuss W. Driftwood],2014-07-22 This is the third in the series of three volumes featuring the adventures of our hero, Charles. The first two were: The Life and Times of Charles and Charles-Spy Extraordinaire! In those two publications Humor and adventure are rampant. Charles’s world travels forced his contact with the bad-guys. In these encounters, Charles' unique personality and astonishing ability always won-out. He and close companions became members of the International Good-Guy Spy Agency, with headquarters in The Hague, Holland. It's the good guys against the bad guys, Guys! However, the closing Chapters reveal that Charles had become awakened to a terrible reality: they had failed to defeat the bad guys of the world. This fact shocked him into deep depression. While at home in England and at his emotional lowest; King, fellow agent and archaeologist, came. Charles was startled when he was informed that research in Bible lands had disclosed an incredible conclusion. That famous old book, The Bible, is in reality—accurate world history! Charles, jolted, “Why! That's impossible; the Bible is an old religious book that practically nobody pays any attention to.” But, he had been shaken out of his lethargy. His drive, now, was to research King's unbelievable assertion; which drive launched the production of The Sharp Sword. Personal opinion, pride, are cast aside. Could God exist? Could God be the source of this incredible work? Can it answer our most imposing questions? The life and times of Charles takes a drastic turn for the best as he sharply researches the Bible. Is it really God’s two edged sword, activated for us today?! The reader is invited to join right in, participate—become a fellow researcher.

Genesis 1-2-3 Dwight O. Troyer,2007-12 Since I have been studying the Bible I have had a desire to prove to the Jewish people and the rest of the world that Jesus is the Anointed One. No other person fulfills the interwoven complexities of the living Word of God. When I first started to study Genesis I only had an inward intuition that there was more to the scriptures about creation than I was being taught. Much of what I was taught in time was filtered, stretched, and shaken; some of what I believed to be true was thrown on the discarded pile of unscriptural religious knowledge. Kenneth Hagin used this story to prove a spiritual point. Watching cows graze in a field, he noticed occasionally one would get a stick in his mouth along with all the tender grass. The cow would simply spit out the sticks and eat the good stuff. I have eaten of the good stuff and grazed on the Word of God in Genesis chapters 1-2-3. I have spit out my share of sticks. Sometimes it is tough to spit out the stick, when one is comfortable with what one believes. Christians tend to be close-minded from the mere thought of digging a little deeper. Intellectuals have conquered the territory of creation and have represented the Christian believers to be something from the dark ages of illiteracy. I hope that one reads this book with the intent to eat the hay and spit out the sticks of disagreement, knowing that my heartfelt desire is to bring fresh insight to a dead and dying world so that Holy Spirit will prune the vines of your minds and all that read will go forth with boldness and bring forth more fruit for the Kingdom of God. In doing this all of mankind will surely know that Jesus is Lord!

The Sword in Anglo-Saxon England Hilda Roderick Ellis Davidson,1998 This study concerns the importance of the sword in Anglo-Saxon and Viking society, with reference to surviving swords and literary sources, especially Beowulf.

The Annotated Sword of Shannara: 35th Anniversary Edition Terry Brooks,2012-11-13 THE PHENOMENAL EPIC OF GOOD AND EVIL LIKE IT’S NEVER BEEN EXPERIENCED BEFORE Thirty-five years ago, Terry Brooks brought to life a dazzling world in The Sword of Shannara. Nineteen more Shannara volumes would follow, making the series one of the most popular fantasy epics of all time. Now comes a fully annotated collector’s edition of the novel that started it all—featuring never-before-shared insights into the classic tale, an all-new introduction by the New York Times bestselling author, and replicas of the original sketches for some of the long-lost, black-and-white paintings by the Brothers Hildebrandt that decorated the original edition, and a replica of the original Hildebrandt central color plate on the back of the jacket.. Long ago, wars ravaged the world. In peaceful Shady Vale, half-elfin Shea Ohmsford knows little of such troubles. Then the giant, forbidding Allanon reveals that the supposedly dead Warlock Lord is plotting to destroy everything in his wake. The sole weapon against this Power of Darkness is the Sword of Shannara, which can be used only by a true heir of Shannara. On Shea, last of the bloodline, rests the hope of all the races. Soon a Skull Bearer, dread minion of a mighty evil, flies into the Vale, seeking to destroy Shea. To save his home, Shea must flee, drawing the Skull Bearer after him in menacing pursuit. Thus begins the enthralling Shannara epic, a spellbinding tale of adventure, magic, and myth. **PRAISE FOR TERRY BROOKS** “The Sword of Shannara is an unforgettable and wildly entertaining epic, animated by Terry Brooks’s cosmically generative imagination and storytelling joy. This was one of my favorite fictional worlds growing up, and I look forward to many return trips.”—Karen Russell, New York Times bestselling author of Swamplandia! “Terry Brooks has been my constant companion over a lifetime of exploring my beloved fantasy genre. I say with all honesty I would not be writing epic fantasy today if not for Shannara. If Tolkien is the grandfather of modern fantasy, Terry Brooks is its favorite uncle.”—Peter V. Brett, New York Times bestselling author of The Desert Spear “I can’t even begin to count how many of Terry Brooks’s books I’ve read (and reread) over the years. From Shannara to Landover, his work was a huge part of my childhood.”—Patrick Rothfuss, New York Times bestselling author of The Name of the Wind “Terry Brooks is a master of the craft and a trailblazer who established fantasy as a viable genre. Not only do I owe him for many hours of reading pleasure, I owe him my job. He is required reading.”—Brent Weeks, New York Times bestselling author of The Night Angel Trilogy “The Shannara books were among the first to really capture my imagination. I didn’t just enjoy reading the novels—the world became so real that I would spend hours creating Shannara fan-fiction in my mind. My daydreams and therefore my stories will always owe a debt to Terry Brooks.”—Brandon Mull, #1 New York Times bestselling author of the Beyonders and Fablehaven series
