

George Lucas

Dana Meachen Rau, Christopher Rau

George Lucas Dana White,2000-01-01 Traces the life of the man who became well-known for his Star Wars movies, from his childhood in California to his career in films.

Who Is George Lucas? Pam Pollack,Meg Belviso,Who HQ,2014-05-01 As a child his passions were comics and cars, but George Lucas grew up to be one of the most successful filmmakers of all time. He is a producer, screenwriter, director and entrepreneur whose company Lucasfilms pioneered the movie effects that changed the world of animation. He founded Industrial Light and Magic, which transformed special sound and visual effects throughout the Hollywood film industry. He is best known, of course, as the creator of the Star Wars movie, television, gaming, toy and merchandise empire, as well as the archeologist-adventure series Indiana Jones. Discover the man behind the magic in *Who Is George Lucas?*

George Lucas Brian Jay Jones,2016-12-06 The essential biography of the influential and beloved filmmaker George Lucas. On May 25, 1977, a problem-plagued, budget-straining independent science-fiction film opened in a mere thirty-two American movie theaters. Conceived, written, and directed by a little-known filmmaker named George Lucas, the movie originally called *The Star Wars* quickly drew blocks-long lines, bursting box-office records and ushering in a new way for movies to be made, marketed, and merchandised. It is now one of the most adored-and successful-movie franchises of all time. Now, the author of the bestselling biography Jim Henson delivers a long-awaited, revelatory look into the life and times of the man who created Luke Skywalker, Han Solo, and Indiana Jones. If *Star Wars* wasn't game-changing enough, Lucas went on to create another blockbuster series with *Indiana Jones*, and he completely transformed the world of special effects and the way movies sound. His innovation and ambition forged Pixar and Lucasfilm, Industrial Light

& Magic, and THX sound. Lucas's colleagues and competitors offer tantalizing glimpses into his life. His entire career has been stimulated by innovators including Steven Spielberg and Francis Ford Coppola, actors such as Harrison Ford, and the very technologies that enabled the creation of his films-and allowed him to keep tinkering with them long after their original releases. Like his unforgettable characters and stories, his influence is unmatched.

George Lucas: The Imagination Behind Star Wars Rebecca Felix,2016-08-15 This title examines the remarkable life of George Lucas. Readers will learn about his family background, childhood, and education, his career as a movie producer and director, and his famous works. Color photos and informative sidebars accompany easy-to-read, compelling text. Features include a timeline, fast facts, list of famous works, and a critical evaluation activity. Checkerboard Library is an imprint of Abdo Publishing, a division of ABDO.

Skywalking Dale Pollock,2009-07-21 Filled with revelations about the origins and making of American Graffiti, Star Wars, The Empire Strikes Back, Raiders of the Lost Ark, and Return of the Jedi, this only full-length biography of filmmaker and cinematic visionary George Lucas has been updated with a substantial new chapter that discusses the revamped Star Wars Trilogy Special Edition, the Star Wars prequels, the filming of the first installment, and the controversial ways in which Lucas's approach and success continue to alter the landscape of the film industry.

The Cinema of George Lucas Marcus Hearn,2005-03 Destined to be the classic illustrated survey of Lucas's career, the book is sure to fascinate not only die-hard fans but also general film and popular culture enthusiasts.

George Lucas: A Biography (Text Only Edition) John Baxter,2012-10-11 The first major biography (since 1983) of the great movie mogul George Lucas, whose marketing techniques have

transformed the film business. His fourth Star Wars film, *The Phantom Menace*, released in 1999, was perhaps the most eagerly awaited cinematic event of all time.

George Lucas George Lucas, 1999 A director, producer, and writer, George Lucas is the power behind *The Force*. The son of a conservative small-town businessman, he grew up to become arguably the most identifiable and popular filmmaker in the history of the medium. Yet unlike his more publicly engaged contemporaries, Lucas rarely grants reporters an audience. This first book of Lucas's interviews affords fans and students of film and science fiction a rare opportunity. Editor Sally Kline collects conversations from the reticent director spanning Lucas's entire career, from the making of his first film, 1971's *THX-1138*, through *American Graffiti*, the triumph of the Star Wars trilogy, and even a 1999 interview given while awaiting the release of *Star Wars: Episode One--The Phantom Menace*. In interviews from venues such as *Rolling Stone*, *Playboy*, and *American Film*, Lucas reveals his distrust of the Hollywood establishment, his love for making movies, and his unambiguous values and how those values translate into the epic clash between good and evil created when he explores characters like Darth Vader and Luke Skywalker. Lucas revolutionized the movie industry and created the most successful film series of all time. Along with films of his close friend Steven Spielberg, Lucas's releases invented the notion of blockbuster movies. Before the end of the millennium, he could count the loyal fans of the Star Wars trilogy in the millions. Sally Kline is film critic for *The Journal* newspapers. She has worked as a film commentator on a number of Washington, D.C. radio stations and as a guest lecturer at George Washington University. A freelance writer and researcher, she has contributed to two books, including a biography of Robert F. Kennedy.

I Am George Lucas (I Am #7) Grace Norwich, 2013-07-30 I created the Star Wars franchise. I

am George Lucas. Learn all about this remarkable man, whose accomplishments are truly inspiring, in the continuation of the I AM series. I AM GEORGE LUCAS will follow one man's journey to become the most famous filmmaker in the world. Discover everything you wanted to know about this celebrated movie guru and creator of Star Wars. This book will feature a full-color illustrated cover, one-color illustrations throughout, a detailed time line, introductions to other notable people from the story, sidebars, and a top-ten list of important things to know about George Lucas.

George Lucas Dana Meachen Rau, Christopher Rau, 1999 Traces the life of the film maker who directed such movies as American Graffiti and Star Wars

George Lucas Jim Smith, 2003 The step-by-step companion to the work of George Lucas. George Lucas has directed only five full-length pictures in thirty years, and yet he is one of the most influential of all contemporary filmmakers: not simply a director, he's also a writer, a producer and an unparalleled technical pioneer, responsible for advances in digital projection, CGI and quality cinema sound. Yet he remains defiantly outside the Hollywood system, financing his - and other people's - pictures out of his own funds, creatively answerable to no one but himself. Starting with his time as a film student, this is a critical journey through the films Lucas has directed and actively produced. It encompasses his abstract early works such as Look at Life and 6.18.67, the mainstream successes of American Graffiti, Star Wars and Indiana Jones and the record selling Star Wars prequel trilogy. There is also an extensive section detailing other projects in which he has had a hand, such as Paul Schraeder's Mishima, Haskell Wexler's controversial Latino and Francis Ford Coppola's Tucker: The Man and His Dream. This is an indispensable reference to the work of George Lucas- the mogul, the mythmaker, the one man brand and the most successful independent filmmaker who has ever lived.

George Lucas D. L. Mabery,1987 Traces the life of the film maker who directed such movies as American Graffiti and Star Wars.

George Lucas Adam Woog,2000 Examines the personal life, career, and success of the creator of the Star Wars and Indiana Jones movies, whose technological innovations have had a major impact on the film industry.

George Lucas Janet Riehecky,2001 Profiles the life and career of film maker George Lucas.

Mythmaker John Baxter,2000-10 These days it's hard to find someone who hasn't seen the Star Wars and Indiana Jones trilogies. Now the man behind those epic movies and numerous other blockbuster hits comes alive in this definitive biography that traces a shy, ambitious film student's transformation into one of the industry's most influential leaders. Acclaimed biographer John Baxter uncovers the roots of Lucas's enigmatic genius and independent spirit and shows how he joined with other idealists to found the new Hollywood, an effort that paved the way for the event picture, the phenomenon of product licensing, and ultimately the finest visual effects studio in the world. Drawing upon voluminous research and interviews with Lucas's friends and colleagues, Baxter gives us the clearest picture yet of an icon of popular culture who is recognized by many but understood by precious few.

Empire Strikes Back No 1. George LUCAS,1993

Star Wars Episode 6 James Kahn,George Lucas,2003 Rescuing Han Solo from the clutches of the bounty hunter Jabba the Hutt, Luke and his companions race to join the massing rebel forces preparing to attack the Empire's new and deadly Death Star. Solo and Leia lead a strike team to the forest moon of Endor and win the aid of the tribal Ewoks in their attempts to shut off the force-field that protects the Empire's vast space station. But Han's band are falling into a trap - as are the

Rebel space fleet lead by Lando Calrissian. For the Emperor himself is aboard the Death Star and his plans to capture Skywalker and destroy all who oppose him are approaching fruition.

Star Wars®: Episode VI: Return of the Jedi Ryder Windham, George Lucas, 2012-04-01 The Emperor. The Ewoks. Jabba the Hutt. The climactic lightsaber battle . . . an amazing all-new novelization tying into the massive DVD release of the classic Star Wars movies. The Emperor. The Ewoks. Jabba the Hutt. The climactic lightsaber battle . . . an amazing all-new novelization tying into the massive DVD release of the classic Star Wars movies.

The Lucas Effect: George Lucas and the New Hollywood Patti J. McCarthy, 2014-10-25 A filmmaker, visionary, and entrepreneur, George Lucas has not only changed the way we experience film and filmmaking, but also revolutionized film industry practices and standards. George Lucas, on an economic, aesthetic, and cultural level, has contributed more than any other individual to the shaping of the New Hollywood and is one of the most important figures in film history. His contribution to the film industry and our culture can be defined as the Lucas Effect. Until now Lucas' work has been studied categorically. That is, popular books have been written that focus specifically on his life, his marketing skills, his films, his fans, or his various business accomplishments and practices. This is the first book to weave these threads together into a cohesive, rigorous study that illustrates the far reaching impact and importance of his creative genius. This book is important not only for film academics, students of film criticism and theory, popular culture scholars, and film devotees, but also for industry power brokers, Lucas fans and anyone who is interested in the work, life, and legacy of one of film's most important visionaries, George Lucas.

George Lucas Charles Champlin, 1992-09 Discusses the films of George Lucas, from THX 1138 to the adventures of Indiana Jones; looks at the activities of Lucasfilm and LucasArts; includes

behind-the-scenes photographs of the films; and more
