*The Ghost Princess* M Walsh, 2015-04-14 Sometimes ... Destiny isn't all it's cracked up to be ... Graylands is where people go when they don't want to be found. A neutral, mostly frontier country between two opposing empires, it is a haven for drifters, pilgrims, outlaws, and everything in between hoping to build a new life, find adventure, or just disappear. Katrina Lamont is one such individual. Once upon a time, she was the Chosen One—a warrior charged with a great and heroic destiny. But when she finished her journey, there was no happy ending waiting for her. Now she lives as an embittered, alcoholic drifter, haunted by the ghosts of her past. But when an evil sorcerer, Jacob Daredin, seeks to fulfill an ancient prophecy that may grant him god-like power, Katrina will have to take up the sword once again as she finds herself caught in a race to find the young woman whose sacrifice is the key to Daredin's mad dream. Along the way, she will contend with Krutch Leeroy—an infamous outlaw who is not all he seems—and cross paths with Lily Blackthorn—a perky, but mysterious woman with a dark secret of her own. As Daredin's forces close in, they will traverse a haunted landscape of pirates, demons, killers, con-men, an immortal juggernaut, and worse in an adventure where the line between destiny and plain bad luck is razor thin.

The Ghost Princess Compilation Phil Stone, 2018 Authors Note: THIS IS AN ADULT ADVENTURE FOR AGES 18 and up. This module starts as a campaign setting. It is a place, with certain situations that could happen, or not. It is up to the players and the Game Master how the story will turn out. There is no linear story line to follow. The setting will eventually become a dungeon crawl with a goal in mind but never the final outcome. It needs to be said that this module, and the parts to follow, contain graphic imagery and adult situations. It is up to the players and the Game Master on how far it will go. Please keep that in mind, and most of all, have fun! The Kingdom was plagued by raiding troll parties. Simple farming homes outside of the secure walls of the City were invaded in the middle of the night by malicious creatures with foul intent. The young were killed and eaten, sometimes right there as the parents watched helplessly in horror. Most of the men and women were killed, those that were spared were dragged back to the mountain cave 50 miles across the wilderness. The monarch, after some time, had an outpost constructed to monitor the raiding parties and keep them at bay, away from the kingdom walls. Soon everything quieted down and the trolls became managed. The monarch then reduced the amount of troops from 50 stationed guards to only 30. These men became bored and a tavern was later constructed, owned and operated by an elderly couple named Marta and Henry. Marta had become afflicted with a recurring vision of a captured princess within the halls of the mountain cave, the trolls her captors. Many an adventurer has entered that cave in search of this ghostly princess that visits Marta's dreams, but none have come back. Only exaggerated tales that grow exponentially through bored and drunken lips can be heard in the Xanthanian tavern and inn. No one really knows if the tales to be true, but a high priced bounty is now placed on her ghostly head and a new set of adventurers are ready for the task at hand..... This module is compatible with the PATHFINDER core rules and any D20 system

Okay, so it's not exactly summer, since the magical kingdom of Palacyndra has seasons that change at the drop of a tiara. And it's not exactly camp, since the princesses stay in fully furnished turrets, complete with chambermaids. But it is a chance to get away from home and enjoy activities such as arts and crafts (with diamonds, of course) and moat swimming (bathing tiara required!). It's a place where Princess Alicia makes real friends, Princesses Kristen and Gunder-snap. And for Alicia, Camp Princess becomes much more. A place of mystery. Her turret seems to be haunted, and the golden bird that she captured for the songbird contest refuses to sing a note! It's

all utterly frustrating -- until one shadowy night, when Alicia feels a ghostly presence in her room and begins to discover a destiny far more exciting than anything she could have imagined.

*Unsettling Assumptions* Pauline Greenhill, Diane Tye, 2014-10-15 In *Unsettling Assumptions*, editors Pauline Greenhill and Diane Tye examine how tradition and gender come together to unsettle assumptions about culture and its study. Contributors explore the intersections of traditional expressive culture and sex/gender systems to question, investigate, or upset concepts like family, ethics, and authenticity. Individual essays consider myriad topics such as Thanksgiving turkeys, rockabilly and bar fights, Chinese tales of female ghosts, selkie stories, a noisy Mennonite New Year's celebration, the Distaff Gospels, Kentucky tobacco farmers, international adoptions, and more. In *Unsettling Assumptions*, folkloric forms express but also counteract negative aspects of culture like misogyny, homophobia, and racism. But expressive culture also emerges as fundamental to our sense of belonging to a family, an occupation, or friendship group and, most notably, to identity performativity and the construction and negotiation of power.
