In-cor-ri-gible: Impervious to Constraints Mamie Anne Adams,2021-08-20 Lucille Carmichael loves no-barriers fucking, and this is her voyage of discovery. It’s often softly romantic, but always with plenty of hot sexy action. Follow her both in business and pleasure, into a world of private jets, expensive cars, and photo shoots, from Hawaii and San Francisco to Greece and France. And back again, all the while nurturing and growing her love of life and her exuberant and untamed self. Her preference for the finesse of older experienced men leads her into entrepreneurship and tremendous financial success in the intimates field. When Lu’s remaining aunt passes away, she inherits an old Victorian mansion – a former bordello in San Francisco's Pacific Heights. Weekends are often spent hosting soirees upstairs on the mansion’s restored third floor. The combination of her loves, a passionate lifestyle, business endeavors, and the old house develop into parties and sexual scenes, all graphically detailed.
