The Gift Inside the Box Adam Grant, Allison Sweet Grant, 2019-10-01 Adam Grant, the bestselling author of Give and Take, teams with his wife, Allison, to share the lighthearted tale of a gift in search of a giver--a classic in the making and the perfect conversation starter about thoughtfulness. This delightful book--one of Amazon's 2019 Holiday Gift Picks and Most Anticipated Books--is designed to start conversations with kids about generosity. In the tradition of Goodnight Gorilla, the words are intentionally spare. The book is meant to be read interactively, with adults posing questions so kids can guess what's happening (and why). Praised by both parents and teachers for sparking imagination and eliciting discussion, the story can be interpreted differently in every family, by every child, and reinterpreted many times over. Give the gift of this clever, earnest book about generosity--a new and nourishing fable for every child's library (and one that includes a delightfully innovative cover approach that requires the reader to unfasten the Velcroed cover for a fun unboxing effect!). It's a gift that keeps on giving. Truly phenomenal . . . Kristen [Bell]'s favorite book we've read to the kids in a year. --Dax Shepard of the podcast Armchair Expert

The Tail of Emily Windsnap Liz Kessler,2010-05-11 A young girl learns she's half mermaid and plunges into a scheme to reunite with her father in this entrancing, satisfying tale that beckons readers far below the waves. For as long as she can remember, twelve-

year-old Emily Windsnap has lived on a boat. And, oddly enough, for just as long, her mother has seemed anxious to keep Emily away from the water. But when Mom finally agrees to let her take swimming lessons, Emily makes a startling discovery — about her own identity, the mysterious father she's never met, and the thrilling possibilities and perils shimmering deep below the water's surface. With a sure sense of suspense and richly imaginative details, first-time author Liz Kessler lures us into a glorious undersea world where mermaids study shipwrecks at school and Neptune rules with an iron trident — an enchanting fantasy about family secrets, loyal friendship, and the convention-defying power of love.
