"A Hero Will Endure": Essays at the Twentieth Anniversary of 'Gladiator' Rachel L. Carazo,2023-05-16 This volume adds to previous historical and political studies about 'Gladiator' with essays about the movie's relation to pop culture and contemporary discourses. It not only relates 'Gladiator' to traditional cinema aspects such as heroism, music, acting, studio culture, and visual effects, but it also connects the film to sports, religion, and the environment, expanding the ways in which the film can be evaluated by modern audiences. The volume can be read by individuals or in classroom settings, especially as a recommended text for students studying the ancient world in film.

'We Are Going to Pick Potatoes' Irene Levin Berman,2010-03-16 Irene Levin Berman was born, raised, and educated in Norway. Her first conscious recollection of life goes back to 1942, when as a young child she escaped to Sweden, a neutral country during World War II, to avoid annihilation. Germany had invaded Norway and the persecution of two thousand Norwegian Jews had begun. Seven members of her father's family were among the seven hundred and seventy-one unfortunate persons who were deported and sent to Auschwitz. In 2005, Irene was forced to examine the label of being a Holocaust survivor. Her strong dual identity as a Norwegian and a Jew led her to explore previously unopened doors in her mind. This is not a narrative of the Holocaust alone, but the remembrance of growing up Jewish in Norway during and after WWII. In addition to the richness of both her Norwegian and Jewish cultures, she ultimately acquired yet another identity as an American.

Cruel Stakes Nina Walker, 2021-07-08 Cross your heart and hope to live. I should leave them alone and be done with vampires. I finally have my mother back, I'm dating the perfect guy, and I've parted ways with Adrian Teresi. But I have an opportunity to help the hunters and hopefully learn something that could save more humans. Not to mention, I need answers about the venom burning through my veins. So I go back to The Alabaster Heart to strike another deal with the vampire prince. The game of cat and mouse that follows is expected, and maybe even a little fun, but nothing prepares me for the day that our games end—and the consequences begin. From USA Today Bestselling author Nina Walker comes the second installment of the Vampires & Vices series. Be warned, once you start you won't be able to stop.
