**Dragon Souls** Cree Storm, 2017-12-05 A serial arsonist has just burned down Jude Riddle's family home, and is now trying to burn the people of D.O.A. out of Texas. Jude wants answers and is willing to work with anyone to get them, even if help comes in the form of century-year-old men with dragons as partners. Especially if one of those agents is Rance "Casper" Caldwell and his soul binding dragon, Smoky. Casper has never accepted his maharishi in his renewed life. His beliefs were cut and dry. Death was final, and dragons were demons. However, since Casper had already died once and now walked the earth and was joined with a dragon by a higher power, did this mean he was an evil demon now, or was everything taught to him as a child a lie. Discovering Jude to be his and Rance's mate brought a light into what had been a dark, lonely existence to Smoky. He wanted nothing more than to claim what fate had gifted him, but to do so, meant he also had to strengthen his bond with Casper. Could he do this after all the hurt the man had caused him for centuries? Well, he better decide quick, because time is running out for him and Casper and an arsonist is nipping at their mates heels.

**Dragon Spirit** Cree Storm, 2018-06-30 Rylee had no idea where his life was going. He had a job he hated, a mate that wouldn't make the move to claim him, a dragon that seemed to dislike him immensely, and his brothers were so busy with their own mates he had no one to talk to about any of it. Instead, Rylee made some hard decisions on his own. One of which could cause him to lose everyone he holds dear...including his own life. Taj had no idea what was going to become of his mate and himself. Rylee still had not said he wanted to make their mating official, his maharishi wasn't helping him woo Rylee in that direction, and now Rylee decided to defend a member of a rival biker gang accused of murder. Spirit had no idea how to talk to a human but knew he had to figure it out quickly. He had Taj's dragon heat getting worse every day, Rylee putting his life in danger trying to prove himself to no one but himself, and he had to do everything he could to keep both men alive so they could become one. Will these three find the answers to their dilemmas, or will they take too long and lose whatever chance they have to become one?

Soon after teaming up with fellow Zeros Gil and Finch, Dylan and the gang receive their first case together: a young woman in trouble. Enter Willa Bascombe, a woman stricken with premonitions, terrible visions of a murder... her own murder, in fact. And at the hands of her darling husband, nonetheless!
