Dryden Road Gary L. GILBERT,2019-01-30 The setting is Northern Ontario during the 1950's and 1960's. The small village of Wahnapiatae was located about 20 km east of Sudbury. This is a story of a boy who experiences early family loss and learns to adjust to many hardships. This book is really a good example of life during this era. It was a time when life was more black and white with very few grey areas to contend with. The radio and record player still ruled. There were no computers or cell phones to distract. A time of exciting changes, fantastic music and very little crime.

Battleground Prussia Prit Buttar,2012-02-20 An engrossing history of the last year of the Second World War, charting the battles fought between the Soviet Red Army and the Nazis across German soil. The terrible months between the arrival of the Red Army on German soil and the final collapse of Hitler's regime were like no other in the Second World War. The Soviet Army's intent to take revenge for the horror that the Nazis had wreaked on their people produced a conflict of implacable brutality in which millions perished. From the great battles that marked the Soviet conquest of East and West Prussia to the final surrender in the Vistula estuary, this book recounts in chilling detail the desperate struggle of soldiers and civilians alike. These brutal campaigns are brought vividly to life by a combination of previously untold testimony and astute strategic analysis recognising a conflict of unprecedented horror and suffering.

Altina the Sword Princess: Volume 1 Yukiya Murasaki,2019-11-23 Inept with a sword, unable to ride a horse, and apathetic toward the empire he serves, Regis Aurick is a hopeless soldier who spends his days buried in books. Banished to the borderlands, he encounters a stirring young woman with red hair and ruby eyes. She is Fourth Princess Marie Quatre Argentina de Belgaria, known simply to Regis as Altina. "...Do you want to become my tactician or not?" Having sought him for his rumored strategic prowess, she aspires to reform an empire led by self-seeking nobles and driven to pointless wars, the legendary blade of an emperor, the Grand Tonnerre Quatre, at her hip. Continuously underestimated by her regiment, including her would-be tactician, the princess resolves to prove her worth beyond a shadow of a doubt--no matter the risk. Here is a tale of war, love, and politics, woven by the bookworm and the sword princess.
