Ismaili Hymns from South Asia Zawahir Moir, Christopher Shackle, 2013-07-04 The Aga Khans have long played a prominent part on the international stage, but much less tends to be understood about the most important group of their followers, the Khoja Ismailis of South Asia, who are now also settled in many other parts of the world. Even less is generally known about the hymns, called ginans, which have historically formed so central an element in the religious life and rituals of the Ismaili community. The principal aim of this anthology is to fill this gap by providing a sympathetic introduction to this still largely unexplored tradition of South Asian devotional literature, and to draw attention to the many features of remarkable interest which it contains.

Gināns Zawahir Moir, 2010 Composed in Indian languages and idioms, the Ginans have been sung for many centuries in the daily rituals of the Shia community, specifically the Satpanth Ismaili Muslims of South Asia. This volume on the Ginans illustrates how Muslims were influenced by the surrounding cultures and philosophies, and evolved/created new ways of expressing their beliefs and values.

A Scent of Sandalwood Aziz Esmail, 2014-06-03 The Ginans are religious lyrics which have long been a central part of the religious life of the Indian Mizari Ismaili community (known as Khojas), and continue to form their living poetic tradition. Aziz Esmail's translation is suggestive of the depth of religious thought, feeling and imagination out of which this poetry was born, and the lyrical beauty of the form in which this experience found a voice. The poetry of the Ginans illustrates an historically and culturally specific conception of the world, and of the norms peculiar to that culture, as well as a religious perception that forms a significant part of the religious experience of mankind. This volume will appeal both to specialists and more general readers, including Indologists, scholars of Islam in the Subcontinent, students of Comparative Religion, Comparative Literature, and those with an interest in mystical or devotional poetry.

The Foundations of the Composite Culture in India Malik Mohamed, 2023-12-01 In *The Foundations of the Composite Culture in India*, the focus of the author is the process of establishment of Hindu-Muslim unity as a result of historical, social and cultural factors over a period of ten centuries. Traversing this era, he reveals how the Muslim rulers contributed to such harmony and how the two cultures exchanged and accepted each other's tenets to enrich and formulate a composite Indian culture. To explore the foundations on which the complex culture of India rests, the author examines

the contribution of Sufism which inherently connotes syncretism and tolerance, as well as the simultaneous rise of the Bhakti movement in medieval India. This title is co-published with Aakar Books. Lines in Water Eliza F. Kent,Tazim R. Kassam,2013-07-12 When asked to distinguish between different faiths, Mughal prince Dara Shikoh is said to have replied, How do you draw a line in water? Inspired by this question, the essays in this volume illustrate how ordinary people in South Asia and the diaspora negotiate their religious identities and encounters in creative, complex, and diverse ways. Taking the approach that narratives from below provide the richest insight into the dynamics of religious pluralism, the authors examine life histories, oral traditions, cartographic practices, pilgrimage rites, and devotional music and songs. Drawing on both ethnographic and historical data, they illuminate how, like lines in water, religious boundaries are dynamic, fluid, flexible, and permeable rather than permanently fixed, frozen, and inviolable. A distinct feature of the volume is its proposition of a fresh and innovative typology of boundary dynamics. Boundaries may be attractive or porous, firmly drawn or transcended. Attractive boundaries invite confluence while affirming the differences between self and other, whereas permeable boundaries facilitate exchanges that create new identities and in turn form new lines. Although people may recognize the significance of religious borders, they can choose to transcend them. Throughout this volume, the authors highlight the fascinating range of South Asian religious and cultural traditions.

Short History of the Ismailis Farhad Daftary,2020-03-31 Despite being one of the key Shi'i Muslim communities, the Ismailis were until recently studied primarily on the basis of the accounts of their enemies. This new introduction is the first to be based on modern scholarship, taking account of recently recovered Ismaili texts. It covers all the main developments in the major phases of Ismaili history, from the early formative period, through the Fatamid golden age and the Alamut and post-Alamut periods, to more recent history. Dealing only with the most important historical developments, this is a comprehensive and accessible survey for all newcomers to the subject.

Constructing Islam on the Indus Hasan Ali Khan,2016-08-08 This book represents the first serious consideration of Ismaili-Shia esotericism in material and architectural terms, as well as of pre-modern conceptions of religious plurality in rituals and astrology. Sufism has long been reckoned to have connections to Shi'ism, but without any concrete proof. The book shows this connection in light of current scholarly work on the subject, historical sources, and most importantly, metaphysics and archaeological evidence. The monuments of the Suhrawardi Order, which are derived from the basic lodges set up by Pir Shams in the region, constitute a unique building archetype. The book's greatest strength lies in its archaeological evidence and in showing the metaphysical commonalities between Shi'ism/Isma'ilism and the Suhrawardi Sufi Order, both of which complement each other. In addition, working on premise and supposition, certain reanalysed historical periods and events in Indian Muslim history serve as added proof for the author's argument.

The television audience for the 2010 World Cup included nearly half of the world's population, with viewers in nearly every country. As a reflection of soccer's significance, the sport impacts countless aspects of the world's culture, from politics and religion to business and the arts. In *The World through Soccer: The Cultural Impact of a Global Sport*, Tamir Bar-On utilizes soccer to provide insights into worldwide politics, religion, ethics, marketing, business, leadership, philosophy, and the arts. Nine Ginans of Nine Ismaili Pirs Zahir Dhalla, 2015-04-02

Songs of Wisdom and Circles of Dance Tazim R. Kassam, 1995-08-17 Coursing through cultures and time, tuneful verse has given moving expression to the human longing for the divine. As poetry strung on sweet melodies, hymns bear testimony to the religious life of the devout, and to the inspiring teachings of minstrels and saints. Such is the gnan tradition of the Satpanth Isma'ilis, Indian successors of the Fatimid Nizari Isma'ili sect of the Shi'ah Muslims. Traditionally recited during daily ritual prayers, ginans have been revered for generations among the Satpanth Isma'ilis as sacred compositions. This work offers for the first time an extensive translation of hymns attributed to the Isma'ili saint-composer, Pir Shams (ca. 13th century), who is at once one of the most pivotal and yet most enigmatic figures of this literary tradition. It also presents a cogent historical reconstruction of the beginnings of Satpanth Isma'ilism--a phase of Isma'ili history that has spanned over eight centuries.

Memories of a Ugandan Refugee Jalal Jaffer, 2022-03-14 Forced to flee from one's homeland with only a few suitcases, most would be bitter. However, *Memories of a Ugandan Refugee* is a story of gratitude for a country that opened its arms to those needing a safe harbour. Within its pages, Jalal Jaffer tells his story of growing up in Uganda and his dangerous escape from his country with his wife, Shamsad, when they and thousands of other Asians are forcibly expelled by Idi Amin in 1972. Feeling blessed with the "warm embrace" offered them in Canada, Jalal and his wife quickly adapt to their new country and eventually settle in Vancouver. After completing a law degree and being called to the Bar in British Columbia in 1978, Jalal balances his work and family life with service to the Canadian Ismaili Muslim community. Taking on increasing senior leadership roles in the community, Jalal serves two terms as Chairman of the Ismaili Tariqah & Religious Education Board for Canada (ITREB) and is named the Mukhi of Darkhana of Canada in 2002. As he documents the blessings he receives through service, he also captures important history of the growth of Ismaili Muslim institutions both in Canada and internationally. Filled with recollections and anecdotes – some meaningful and some humorous – of fascinating times, events, and people, as well as interesting reflections and moving poetry, *Memories of a Ugandan Refugee* is ultimately about one man's journey on this planet as he seeks to live life well and serve family and community.
