Dictionary of Jamaican English Frederic G.

Cassidy, Robert Brock Le Page, 2002 The method and plan of this dictionary of Jamaican English are basically the same as those of the Oxford English Dictionary, but oral sources have been extensively tapped in addition to detailed coverage of literature published in or about Jamaica since 1655. It contains information about the Caribbean and its dialects, and about Creole languages and general linguistic processes. Entries give the pronunciation, part-of-speech and usage of labels, spelling variants, etymologies and dated citations, as well as definitions. Systematic indexing indicates the extent to which the lexis is shared with other Caribbean countries.

Skits and Activities for Children on Sunday Mornings Captain Sean, 2015-05-30 Skits and Activities for Children on Sunday Mornings is a book designed to share tested and well-received skits, games, and craft activity plans aimed at elementary school age children in church-based programs. In addition: there are also several brief devotionals for both leaders and students present. The purpose behind this book however is not to present church leaders with a full-fledged season's worth of curriculum. Rather, the goal behind this book is to present church leaders with additional and alternative methods to teach scripture-based messages to their already existing curriculum. So if you're searching for fun and creatively different methods to share the Bible's messages on forgiveness, patience, kindness, faith, love, obeying Gods' will, and more with children, then look no further. This is the ultimate alternative for all churches to check out!

Say That To My Face: Fiction David Prete, 2003-09-17 Yonkers, New York, finds its place on the literary map of America. Transcending all the limitations of ethnic literature and mobster stereotyping, David Prete flawlessly (and seemingly effortlessly) nails Italian-American life to the page and elevates it to a new place in American writing. Say That to My Face introduces us to Joey Frascione and his family and friends in

the tense, violent, racially divided Yonkers of the Seventies and Eighties. His childhood segmented between four homes and his teenage dreams pulling him towards the challenge and excitement of New York City, Joey is a handsome kid whose intense and conflicting loyalties threaten to tear him apart. Whether responding to the crush of a motherless girl whose sister he adores; flirting with danger during the terrifying summer of mass-murderer Son of Sam; cheating his teammates of a victory to save a friend on the ballfield; watching his mother play softball against his father (in her lovely red dress, she pretended to fix her crotch and spit out a wad of chewing tobacco... With one shake of her ass in the batter's box of a church parking lot, my mother dropped thirty years); or struggling with the mind-blowing high of a lifetime while running drugs from Jamaica, Frascone wins the reader's steadfast allegiance as he tries to figure out where his own truest loyalties lie. Capturing people in flux between their better and worse selves, David Prete is one outstanding storyteller. With hilarious, thrilling, and painful accuracy, he evokes the color and poignancy and humor of Italian-American speech and the characters who use it. Like barman Frank Gianguzzi, whose favorite term of affection is coog, from the Italian cugino, or cousin, or any of its variations: coog-o, coogini, coogette, coogie coog, coog a'bell, coog a'brut. Or Benny Colangelo, the quintessential neighborhood guy, emanating his future. A future of work, neighborhood, family, and the beautiful poetry of

routine. Or Joey's butcher grandfather, scratching his grandson's back with his thick, heavy butcher's nails, as he yells, Look at the prince here. Or his Uncle Gingy, whose motto – the one thing you don't mess with is family-doesn't seem to apply to how he treats his wife. Having come of age among characters as memorable as any in Faulkner's Mississippi, Joey finds that even when he escapes Yonkers for the sophisticated city sparkling at the other side of the bridge, his past isn't forgotten: the past isn't even past.

The Young Hyenas Blake Pitcher, 2018-01-01 Chelsey and her faithful dog, Dixie, are on a mission—until they fall prey to the Hyenas, wild youths who answer to nothing but their own passions. Will Chelsey survive, or become the thing she fears? A novella set in the world of Letters from the Apocalypse and Return from the Apocalypse.

One Step Sideways, Three Steps Forward B. Rosemary Grant, 2024-06-04 The story of the unorthodox and inspiring life and career of a pioneering biologist Scientist Rosemary Grant's journey in life has involved detours and sidesteps—not the shortest or the straightest of

paths, but one that has led her to the top of evolutionary biology. In this engaging and moving book, Grant tells the story of her life and career—from her childhood love of nature in England’s Lake District to an undergraduate education at the University of Edinburgh through a swerve to Canada and teaching, followed by marriage, children, a PhD at age forty-nine, and her life’s work with Darwin’s finches in the Galápagos islands. Grant’s unorthodox career is one woman’s solution to the problem of combining professional life as a field biologist with raising a family. Grant describes her youthful interest in fossils, which inspired her to imagine another world, distant yet connected in time—and which anticipated her later work in evolutionary biology. She and her husband, Peter Grant, visited the Galápagos archipelago annually for forty years, tracking the fates of the finches on the small, uninhabited island of Daphne Major. Their work has profoundly altered our understanding of how a group of eighteen species has diversified from a single ancestral species, demonstrating that evolution by natural selection can be observed and interpreted in an entirely natural environment. Grant’s story shows the rewards of following a winding path and the joy of working closely with a partner, sharing ideas, disappointments, and successes.

Israel is later forced to defend itself against a surprise attack from Egypt in 1973, and the Israeli defense minister, Moshe Dayan, decides the country needs a more secure southern border. Meanwhile, in the United States, twenty-four-year-old Danielle Katz has survived the unimaginable. As she boards a plane to begin a new life in Israel, Danielle is haunted by horrific memories of her brutal rape. Now as she arrives in a strange country, knowing no one but her self-absorbed sister, Danielle knows it is up to her to turn her life around. Through her belief in the

War Trials Will Yates, 2021-05-12 *War Trials* tells the gripping and in-depth true story of a British soldier's role in the drowning of an Iraqi teenager in May 2003, the devastating investigation and resulting court martial. This narrative non-fiction tracks the soldier's life from tight-knit broken family home in Merseyside through deadly urban conflict in the Middle East, to a different battle fought against PTSD while he awaited a military tribunal back in the UK. The military court case in 2006 marked the first of its kind relating to the Iraq war and a case that opened the flood gates of multiple investigations and inquiries into the conduct of soldiers overseas. Based upon rigorous new research, this book's untold personal story explores the horrors of battle and the chaos of a post-war city and a young soldier's struggle against depression, suicide attempts and deep sense of being let down by the army he sought to serve. This soldier would eventually endure numerous investigations and face

the threat of the International Criminal Court for war crimes but these are the shocking events that started it all. It is the compelling story of a contentious military campaign with little preparation for the disastrous fall out; the soldiers pushed to the limit who maintained a wall of a silence after doing the unthinkable; and a floating body of dead child who came to symbolize a generation lost to war.

Cat Ears on Elizabeth Rachel Vail, 2020-05-05 Cat Ears on Elizabeth is the third in Rachel Vail's A Is for Elizabeth chapter book series--featuring illustrations by Paige Keiser. Cat ears on your headband is not the only way to look great. But it is a very good way. Mallory has glitter folders and bright orange sneakers and a huge pink eraser. And Mallory has cat ears on her headband. Then Anna comes to school with cat ears on her headband, too. Everybody loves how they look in those cat-ear headbands. Especially Elizabeth. Elizabeth doesn't have cat ears on her anything. She doesn't even have any headband at all anymore. (They squish her head too much). Elizabeth needs a cat-ears headband! It's an emergency! Maybe a surprise I Love You present from her grandparents will fix everything. Or maybe Elizabeth doesn't need to be fixed at all.

Under The Shade of The Cherry Blossom Tree Kubra Yavuz, 2019-08-30 The story book contains fifteen miniature paintings and their stories written in the themes of human love, divine love and adventures intertwined with nature, history, passion, intense emotions, humanity, spirituality and benevolence. In the stories, the focus is on

the detailed observation of the main characters towards all the tangible and abstract things that flow around them. The characters give prominence to their emotions as much as possible upon the events and situations they find themselves in. Most of the characters are interpreting and seeking the quest for meaning. This story book will take you to a small journey into yourself and disconnect you from the world for a while with the suggested background music for the stories, and when you get back, you may become a new observer looking into the world from a pair of colorful spectacles.

Justin Case: Shells, Smells, and the Horrible Flip-Flops of Doom Rachel Vail, 2014-06-10 Justin is going to start fourth grade—but first, he has to survive the summer. He gets to go to camp every day on a bus. He gets to experience all sorts of new things: Bugs. Mess hall food. Flip-flops (they hurt the space between his toes and they're hard to walk in). And (gulp!) swimming. Justin's little sister, Elizabeth, seems to deal with camp just fine. So do his friends. Justin is trying very hard not to be a worried kid anymore, especially when it comes to making friends at camp, including a new kid who is kind of . . . rough. After all, Justin is going to be in fourth grade. It's time to be brave. Right?
