Dead Giveaway Charles Ramsey,2014-05-01 From dishwasher to international celebrity in one afternoon . . . Charles Ramsey gives a roller coaster account of his life before, during, and after the dramatic rescue of three kidnapped women in Cleveland . . . Global news media declared him a hero. Well-wishers mobbed him. The Internet made him a viral sensation. It couldn't have happened to a less likely guy. Now, read how it all went down. Ramsey was in the wrong place at the right time when he answered a young woman's cry for help, kicked in his neighbor's locked front door, and got her the hell out of there—leading to the astonishing rescue of three young women—Amanda Berry, Gina DeJesus, and Michelle Knight—who had been missing for a decade. Reporters and TV cameras flocked to a neighborhood—and a man—they otherwise would have ignored. Ramsey was ready, with plenty to say. “Bro, I knew something was wrong when a little pretty white girl ran into a black man's arms . . . Dead giveaway.” It was a quote that launched a thousand Internet memes . . . In this book Ramsey walks us step-by-step through the day of the rescue and talks about living right next door to Ariel Castro—outwardly charming, secretly a monster. He tells about life before the rescue—growing up a privileged black kid in a white suburb, seeking out trouble over and over, getting kicked out of school, selling drugs, going to prison, and ultimately finding work as a dishwasher and landing by chance on gritty Seymour Avenue. And he shares what it's like to become an instant celebrity, when suddenly everybody wants a piece of you. (For example, he learned the hard way that when a big TV network flies you to New York City for an interview, that doesn't mean they also bought you a ticket back home to Cleveland!) This is a wild, eye-opening tale told with a sharp sense of humor.

*Dead Giveaway* Joanne Fluke,2014-04-29 Death stalks the wealthy residents of a secluded condominium complex in the form of a sly killer who takes advantage of an avalanche to pick off the trapped residents one by one.

Life's Golden Ticket Brendon Burchard,2012-08-06 A fictionalized account on one man's journey through a theme park of life after being implored by his dying fiancée to go and discover... Trapped in a prison of his past so he can't see the possibilities, the gifts and the choices available to him, his journey is our journey. Based on Brendon's experience teaching and coaching, he realizes that people never transform the quality of their lives unless their hearts and minds are truly engaged in changing - they need to have a deep, emotional reason to change. This beautiful, engaging story of love, loss and redemption will connect with people immediately. It will also cause readers to think and reflect on their lives more deeply, become more aware of their own life stories, accept their authentic selves, and become accountable for who they are. Brendon reaches out to engage hearts and minds in transforming lives with emotional edge and mental clarity. What is this golden ticket? And what kind of life does it really gain us admission to? The chapters are arranged into life lessons around 4 gates to transformation: Awareness, Acceptance, Accountability, and Action. Whatever you do, pay the price of admission for Life's Golden Ticket! This book is entertaining, provocative and loaded with wisdom. Honestly, this is the most original book I've read in years! (Bill Treasurer, CEO, Giant Leap Consulting and author of Right Risk - Ten Powerful Principles for Taking Giant Leaps with Your Life) I read the story in one sitting, I just couldn't put it down. I cried, I laughed, I cheered, I wondered where it was all going - and when I finished, I was so thankful for the journey (K C George, Corporate Program Manager, VISA USA) Life's Golden Ticket is wise without being preachy, inspiring without forgetting insight, entertaining without sacrificing empowerment. Brendon Burchard shows incredible depth, compassion, and wisdom on every page. He has given us a true gift. (Kelley Graham, Director, Levi Strauss & Co)

*Sea of Tranquility* Emily St. John Mandel,2022-04-05 NEW YORK TIMES BESTSELLER • The award-winning, best-selling author of Station Eleven and The Glass Hotel returns with a novel of art, time travel, love, and plague that takes the reader from Vancouver Island in 1912 to a dark colony on the moon five hundred years later, unfurling a story of humanity across centuries and space. One of the Best Books of the Year: The New York Times, NPR, GoodReads “One of [Mandel's] finest novels and one of her most satisfying forays into the arena of speculative fiction yet.” —The New York Times Edwin St. Andrew is eighteen years old when he crosses the Atlantic by steamship, exiled from polite society following an ill-conceived diatribe at a dinner party. He enters the forest, spellbound by the beauty of the Canadian wilderness, and suddenly hears the notes of a violin echoing in an airship terminal—an experience that shocks him to his core. Two centuries later a famous writer named Olive Llewellyn is on a book tour. She's traveling all over Earth, but her home is the second moon colony, a place of white stone, spired towers, and artificial beauty. Within the text of Olive's best-selling pandemic novel lies a strange passage: a man plays his violin for change in the echoing corridor of an airship terminal as the trees of a forest rise around him. When Gaspéry-Jacques Roberts, a detective in the black-skied Night City, is hired to investigate an anomaly in the North American wilderness, he uncovers a series of lives upended: The exiled son of an earl driven to madness, a writer trapped far from home as a pandemic ravages Earth, and a childhood friend from the Night City who, like Gaspéry himself, has glimpsed the chance to do something extraordinary that will disrupt the timeline of the universe. A virtuoso performance that is as human and tender as it is intellectually playful, *Sea of Tranquility* is a novel of time travel and metaphysics that precisely captures the reality of our current moment.

*Dead Giveaway* Brenda Novak,2016-06-13 New York Times-Bestselling Author: A police detective comes home to Mississippi to make a new start—but soon finds herself pulled into an old mystery . . . Every town has its secrets—and Stillwater, Mississippi, has more than most. Starting with the disappearance of the Reverend Lee Barker nineteen years ago. The locals are convinced he was murdered by his stepson, Clay Montgomery. But only Clay—and his mother and sisters—can say for sure. They were the only ones there that fateful night, the only ones who know what really happened. And they're not talking. Allie McCormick is a cold-case detective from Chicago. After a particularly difficult divorce, she's returned to Stillwater with her six-year-old daughter to find the peace she once knew in her hometown, and to work for the local police force while she's starting over. But when Clay's powerful enemies join forces to put him behind bars, Allie feels duty bound to uncover the truth. Her instincts tell her he didn't murder the Reverend Lee Barker. Clay may be a dark and brooding man, but he was just sixteen at the time. And he's not a cold-blooded killer. At least, that's what Allie believes—until she learns that behind the preacher's pious demeanor lurked the heart of a monster. Then she has to ask herself whether justice has already been done . . . Praise for the Stillwater Trilogy “Strong characters bring the escalating suspense to life, and the mystery is skillfully played out. Novak's smooth plotting makes for a great read.” —Publishers Weekly “A compelling new series . . . Novak expertly mixes her usual superior characterization with a chilling sense of evil.” —Booklist “A taut, spine-tingling story.” —Christine Feehan

**Necromancer Awakening** Nat Russo,2016-05-28 Knowledge in the absence of wisdom is a dangerous thing. Texas archaeology student Nicolas Murray has an ironic fear of the dead. A latent power connecting him to an ancient order of Necromancers floods his mind with impossible images of battle among hive-mind predators and philosopher fishmen. When a funeral service leaves him shaken and questioning his sanity, the insidious power strands him in a land where the sky kills and earthquakes level cities. A land where the undead serve the living, and Necromancers summon warriors from ancient graves to fight in a war that spans life and afterlife. If Nicolas masters the Three Laws of Necromancy, he can use them to get home. But as he learns to raise and purify the dead-a process that makes him relive entire lifetimes in the span of a moment-the very power that could bring him home may also prevent his return. For the supreme religious leader, the Archmage Kagan, has outlawed Necromancy, and its practitioners risk torture and execution. As warring nations hunt Necromancers to extinction, countless dead in limbo await a purification that may never come. Nicolas's power could be his way home... Or it could save a world that wants him dead.

This book shares the step-by-step process to setting up a Book Giveaway, which is one of the most cost-effective and easy ways to grow your book sales. Successful authors have one thing in common. They have a direct mailing list.. You don't really sell to your list. Your list is far more important than full-cost sales of your book. This book shares what most successful authors do with their database of readers. There are different types of giveaways, some more successful than others. What you do with the participants who enter the giveaway are the determining factors which can help your book reach best seller's status. This non-technical book shares the step by step process to grow your reader database and how to use that database to spike and improve your rankings on Amazon. It doesn't take thousands of loyal readers. Success is a system and this is one of the cheapest and most cost effective book marketing systems.
