*Glass Sword* Victoria Aveyard,2016 Mare's blood is red -- the colour of common folk -- but her Silver ability, the power to control lightning, has turned her into a weapon that the royal court tries to control. The crown calls her an impossibility, a fake, but as she makes her escape from the prince and friend who betrayed her, Mare uncovers something startling: she is not the only one of her kind. Pursued by the Silver king, Mare sets out to find and recruit other Red and Silver fighters to join in the struggle against her oppressors. But Mare finds herself on a deadly path, at risk of becoming exactly the kind of monster she is trying to defeat. Will she shatter under the weight of the lives that are the cost of rebellion? Or have treachery and betrayal hardened her forever?

Fear sweeps through the court of Queen Elizabeth, for in Dee's possession is an obsidian mirror, an object of great power which legend says could set the world afire. And so the call goes out to celebrated swordsman, adventurer and rake Will Swyfte: find Dee and his feared looking-glass and return them to London before disaster strikes. But when Will learns that the mirror may help him solve the mystery that has haunted him for years, the stakes become acutely personal. With a frozen London under siege by supernatural powers, time is running out. Will is left with no alternative but to pursue the alchemist to the devil-haunted lands of the New World and the terrifying fortress home of mankind's ancient enemy, the Unseelie Court. Facing an army of these unearthly fiends, with only his sword and a few brave friends at his back, the realm's greatest spy must be prepared to make the ultimate sacrifice - or see all he loves destroyed.
