**Forbidden Ground** Karen Harper, 2014-10-28 From the New York Times—bestselling author of *Shattered Secrets*: “Great characterization and suspenseful storylines keep the reader turning pages.” —RT Book Reviews Let the dead stay dead . . . Despite a traumatic childhood in Cold Creek, Ohio, the Lockwood sisters have reunited there for the wedding of youngest sister Tess to the town’s sheriff. Maid of honor Kate Lockwood is determined to break through best man Grant Mason’s defenses. An anthropologist, Kate makes her living studying the dead. She is particularly interested in the prehistoric Adena civilization that once called the area home. A large burial mound sits on Mason family land, and Kate wants permission to excavate. But Grant refuses and tells Kate to stay away from the mound. Kate respects Grant’s desire to honor his grandfather’s belief that the dead should not be disturbed. However, the more she researches the more it becomes clear that Grant is hiding something. When one of Grant’s friends is killed—and the sheriff is away on his honeymoon—the couple joins forces to assist the deputy in the investigation. When Kate comes under attack she is certain it is connected to the burial mound. Grant seems concerned for Kate’s safety, but despite their explosive attraction she can’t help but be suspicious of his motives. Can Kate trust the man she’s come to love, or will the wrong decision be her final act?

**Gone Too Far: 3 Psychological Thrillers about Taboo** Charles Jay Harwood, 2013-03-03 The hostage and the captor; the voyeur and the performer; the teacher and the pupil. Here exists a line that should never be crossed – but what if it were? Three full-length thrillers about the boundary of where shame and love lie. Note: these novels can now be found within a larger anthology: *Eclipse Quartet: 4 Psychological Thrillers*. **THE SHUTTERED ROOM** Little do they know their captive holds a deadly secret. Jess is taken hostage and incarcerated in an upstairs room by three thugs demanding a huge ransom from her rich father. In a bid to escape, she cuts a hole in the bedroom floor with a cutlery knife. From there, Jess observes the three of them going about their business. That’s when she starts playing games with them. That’s when her spying pulls her into a treacherous psychological game involving a twisted version of Stockholm syndrome. If only they knew what their captive was up to. What would they do to her? **FALLING AWAKE** “People would do anything for money,” spits a sinister moneylender, to the distaste of Gemma, a single mother facing homelessness. Thus begins a menacing tale about the uneasy chemistry between an unseen voyeur and a reluctant exhibitionist. If only she knew the sort of man her voyeur was. She wouldn’t perform for him. **Insomnia** can have the most sinister causes. **A HARD LESSON** Sarah thought she was teaching a schoolchild a little English.

How wrong she was. Not only is her subject a full-grown thug, he is dyslexic and part of a criminal clique headed by a psychopath. And this psychopath doesn't like people interfering with his business. Soon, she will learn the meaning of treachery. And fear.

**Twenty to Make** Judy Balchin,2010-04-14 Learn to make a party mask for any occasion.

Renowned craft author, Judy Balchin has created twenty great designs for masks that you can make using ready available materials. There are easy to follow instructions.

**Locusts, Hollywood, and the Valley of Ashes: Individualism Versus Collectivism** David Sinclair, They are the cheated, they are the crushed, they are the cursed. They pray for the Day of the Locust when the Swarm will deliver them. The sirens are sounding. The locusts are coming. Where will you hide? The world is full of the cheated. That's why the world is about to blow up. Nearly everyone belongs to the cheated. Who's doing the cheating? It's the 1%. Why do the 99% endure it? They always have. That's the great mystery. Get out of the way of the Swarm. No one gets out of this alive. When the Swarm arrives, judgment is delivered and the sentence carried out. The locusts are heading to Hollywood to destroy it. That's where the myths are created that keep the 1% in power. That's the laboratory of fraud, the factory of illusions. The locusts will turn it into a Valley of Ashes. Tinseltown will be set on fire. They're gonna burn it down. Shall we all cheer? Locusts start off as individuals before they join the collective. That's when they become powerful, an unstoppable force of nature. Hollywood is the home of liberalism, but is it liberal at all? Isn't it devoted to a narcissistic, super-rich cabal trying to get inside everyone's heads and convert them to the strange religion of celebrity worship? The Beatles said they were more famous than Jesus Christ. Celebrities have displaced the old gods and become the new gods, just as the Olympians pushed the Titans off Mount Olympus and became the new rulers of the world. Come inside and explore the strangest of worlds – the one where you join with the locusts to devour Tinseltown, and, with hope in your heart and a smile on your face, march through the Valley of Ashes.

Feels Like Forever K. L. Cottrell, 2017-10-09 She's afraid to really live because of the pain of the past. Liv-Andria is raising her kid niece on her own, and that's exactly how she wants it. Guarded and disciplined, she's committed to keeping Rae away from the darkness she grew up in herself. It hasn't been easy, but it has paid off; their little life is a safe and happy one. And hell will freeze over before Liv lets anything threaten that. He's trying to really live despite the pain of the present. Landon hasn't been wildly happy lately. But while there's nothing he can do about his heaviest stressor, he's ready to take charge of everything else—time is a gift he's done wasting. One thing that ends up on his to-do list? Attempt friendship with the girls who live next to him, because there's a sweet joy about them that he seriously wants to learn from. They aren't expecting any of what is about to unfold. A cautious girl. A charming guy. A cute kid. And the future they all deserve. \*This story deals with sensitive themes, including brief recollections of sexual abuse, and contains mature content.\*

Itty Bitty Mask Art Baltazar, 2015-06-23 The Mask is back, and it's Herman Shazbert's turn! When the mild-mannered zookeeper buys his wife a strange mask, the whole town wants to try it on! Grandma Shazbert, the Mayor, the animals at the zoo—everyone gets to share in the Mask's wacky powers! Don't miss a single panel of the fun from Aw Yeah Comics! and Itty Bitty Hellboy's Art Baltazar and Franco! Collects Itty Bitty Comics: The Mask #1-#4.

Falling Awake Charles Jay Harwood, 2011-06-22 Insomnia can have the most sinister causes. Gemma's husband vanishes under mysterious circumstances leaving only a black contorted doodle and mysterious debts. But saving her home proves the least of her worries after Gemma earns urgent cash by performing routines for a chronic insomniac. Voyeurism never hurt anybody. The cause of his insomnia is another matter. As the horrifying truth about her husband unfurls, Gemma's paranoia about her voyeur takes its grip. Note: this novel can also be found within two anthologies: Eclipse Quartet: 4 Psychological Thrillers, and Gone Too Far: 3 Psychological Thrillers about Taboo. Now on audio.

Cat in a Neon Nightmare Carole Nelson Douglas, 2003-05-01 Cat in a Neon Nightmare is the fifteenth Midnight Louie mystery, and this tough-talking tomcat is as feisty as ever, raising hell (sometimes literally) in Las Vegas, America's Sin Capital. The lavish hotels and the sham of wholesome fun may soothe the tourists, but sex and greed still fuel this town, and bad guys still abound. And Midnight Louie, the feline Sam Spade has his paws full keeping those he loves safe .

This time Midnight Louie treads the lurid side of mystery's mean streets when a call girl named Vassar is found lying dead on the neon ceiling above a Las Vegas casino. Suicide or homicide? If straight-arrow radio shrink Matt Devine, the man most likely to have been Vassar's unlikely last client, is charged for Vassar's murder, everyone Louie knows is an accessory to the crime . . . except for his ever-loving roommate, PR whiz Temple Barr, who has been kept in the dark by both friends and enemies. To save Matt's future, Temple will have to crack the cover-up with the unsuspected help of Midnight Inc. Investigations, now including a junior partner: Louie's maybe-daughter, Midnight Louise. Meanwhile, a hot new club in town, Neon Nightmare, has links to the mysterious Synth, a sinister association of magicians that may lie behind the string of unsolved deaths that have haunted Louie Company for months. And with the psychotic stalker, Kitty the Cutter, still prowling, death is definitely in the cards for someone Temple knows very well, and not even Louie may be able to stop it. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

2021: a news odyssey Peter Mugavero,2022-11-22 In today's world, news and daily events are reported with sound bites and catchy phrases by the mass media, social media, news outlets, politicians, and political pundits. We hear and see the coverage of these events and in turn disseminate it to our friends and family. Unfortunately, the news and events that we are told may not be as true and honest as we might think. They may be told with a political slant and in some cases, the news and events might even be omitted from the news cycle simply to hold back knowledge from the general public. In writing this book, I have assembled a chronology of the news and events that occurred in President Joe Biden's first year in office. I have documented and compiled events that occurred in 2021 starting with President Joe Biden's Inauguration Day. While reading through each day's events, I am hoping that you will say to yourself, I remember that, or I don't remember hearing that. Why was that news item not mentioned in the nightly news or cable news network? I will also point out the hypocrisy and facts of the news story that has not been properly told until now. While reading the book, feel free to mark up the book and highlight some of the events. Use it as a time capsule. Research an event further and discuss them with friends and family.

**New Theatre Quarterly 79: Volume 20, Part 3** Simon Trussler,Clive Barker,2005-03-21 Provides an international forum where theatrical scholarship and practice can meet.

**Straight Skin, Gay Masks and Pretending to be Gay on Screen** Gilad Padva,2020-05-11 Straight Skin, Gay Masks and Pretending to Be Gay on Screen examines cinematic depictions of pretending-

to-be-gay, assessing performances that not only reflect heteronormative and explicitly homophobic attitudes, but also offer depictions of gay selfhood with more nuanced multidirectional identifications. The case of straight protagonists pretending to be gay on screen is the ideal context in which to study unanticipated progressivity and dissidence in regard to cultural construction of human sexualities in the face of theatricalized epistemological collapse. Teasing apart the dynamics of depictions of both sexual stability and fluidity in cinematic images of men pretending to be gay offers new insights into such salient issues as sexual vulnerability and dynamics and long-term queer visibility in a politically complicated mass culture which is mostly produced in a heteronormative and even hostile cultural environment. Additionally, this book initially examines queer uses of sexuality masquerade in Alternate Gay World Cinema that allegorically features a world pretending to be gay, in which straights are harassed and persecuted, in order to expose the tragic consequences of sexual intolerance. Films and TV series examined as part of the analysis include *The Gay Deceivers*, *Victor/Victoria*, *Happy Texas*, William Friedkin's *Cruising* and many other straight and gay screens. This is a fascinating and important study relevant to students and researchers in Film Studies, Media Studies, Gender Studies, Queer Studies, Sexuality Studies, Communication Studies and Cultural Studies.

**Painting Harlem Modern** Patricia Hills, 2019-01-05 Jacob Lawrence was one of the best-known African American artists of the twentieth century. In *Painting Harlem Modern*, Patricia Hills renders a vivid assessment of Lawrence's long and productive career. She argues that his complex, cubist-based paintings developed out of a vital connection with a modern Harlem that was filled with artists, writers, musicians, and social activists. She also uniquely positions Lawrence alongside such important African American writers as Langston Hughes, Richard Wright, and Ralph Ellison. Drawing from a wide range of archival materials and interviews with artists, Hills interprets Lawrence's art as distilled from a life of struggle and perseverance. She brings insightful analysis to his work, beginning with the 1930s street scenes that provided Harlem with its pictorial image, and follows each decade of Lawrence's work, with accounts that include his impressions of Southern Jim Crow segregation and a groundbreaking discussion of Lawrence's symbolic use of masks and masking during the 1950s Cold War era. *Painting Harlem Modern* is an absorbing book that highlights Lawrence's heroic efforts to meet his many challenges while remaining true to his humanist values and artistic vision.

*Shelley's Textual Seductions* Samuel Lyndon Gladden, 2016-01-08 First published in 2002. This book surveys how and to what effect Shelley uses erotic narratives to mask political rhetoric within his attempts to describe and bring forth utopia. Posing erotic relationships as both an exemplar of the

inequities of power and a paradigm for alternative social orders that dismantle oppressive structures, it argues Shelley's work imagines a space where the rigidity of tyranny succumbs to the liberation of ecstatic union. From the Romantics to the Aesthetes, it argues that this model contributed to a counter-tradition in British literature which situates the erotic as a trope for political discourse. This work will be of interest to students of literature.

**What Hides in the Darkness** K. L. Cottrell, 2014-03-19 Marianne is different from how she used to be. After she recovered from the car wreck that nearly killed her, she withdrew from the life she was leading—not just because her family was destroyed and her friendships broken, but also because she started noticing some very disturbing things about the world around her. These days, along with keeping to herself, she simply endures the horrific monsters she sometimes sees in the place of seemingly normal men. She doesn't know what to do, so she does nothing. Gabe has been Light for eight years. He's accustomed to the unique lifestyle centered on destroying the creatures of darkness that infiltrate the human world to wreak havoc on it. As a Gatherer his job is to find new Light people and introduce them to their new way of existing, but the routine and relatively quiet life he's been leading for so long is interrupted when he encounters Marianne. She's distinctive, and of all the bizarre things he's seen in his life, her unexpected appearance is the one that shocks him the most. But these two strangers are on the brink of something much bigger than simply changing each other's lives. The scale balancing good against evil can only stay steady for so long before it tips toward darkness, and that upset is just around the corner. And Marianne, Gabe and everyone they know—Light or not—will be swept up in the fight to right it. \*\*The Light Trilogy contains adult content.\*\*

**Glitter Lust** Erzabet Bishop, 2019-09-17 Check your inhibitions at the door... Return to the world of Sigil Fire, where dark desires and delights collide with the wild magic of Forbidden Ink, the sensuous wonders of The Violet Hour, and the mysteries of Cirque Nocturne. The price of admission might just be your soul. Complicated love... Reyna is a wolf shifter with relationship issues. Or rather, the lack of them. She's found her mate, or at least she thinks so, but things get more than a little complicated during a zombie apocalypse. When Reyna's past rears its ugly head, will her lost memories be the key to her future—or her undoing? Eternal devotion... Charley is a succubus on a mission. Bound by an oath made long ago, she is torn between her attraction to Reyna and her duty. When Hell and Heaven collide in an all out war, she has a decision to make. If she isn't careful, it could be her last.

**The Mysterious Mask** Jürgen Banscherus, 2007 Klooze could always count on a dish of chocolate and lemon ice cream at his friend Giovanni's shop, Cool Stuff. But ever since Giovanni hung a weird

mask on the wall, nothing is the same. The coffeemaker explodes, the ice crusher breaks, and someone put too much slippery wax on the floor. Is the mask cursed? Will another disaster strike? KlooZ is hot on the Cool Stuff case!
