Globetrotter Ian Boudreault, 2021-12-01 e; In the pre-Covid-19 era, being a digital globetrotter and getting to every country on earth seemed to be all the go, so Ian is certainly on to a trend; - Tony Wheeler, co-founder of Lonely Planet The Christopher Columbus of the 2000s. - A true and breathtaking story of dedication, perseverance, and innovation in entrepreneurship and alternative living. A testimony of how to push the limits of human curiosity to new boundaries. What could you possibly learn from over twenty years spent circling around the globe, seventeen of them non-stop as a self-made digital entrepreneur? How much could your life change from exploring every single country of the world, a total of 230 countries including every single one of the 195 recognized by the United Nations? This is the account of an incredible journey with twists, turns, and perpetual adventures! Seventeen years living and working from a carry-on backpack, having only the bare essentials to live comfortably, along with a home office to fund travels through the wonder of passive income. The story of how a man destined to a promising engineering career became troubled by the prospect of living the rat race through a nine to five routine, triggering his nomadic instincts to choose a life where he dedicated every single day of his existence to living, breathing and experiencing freedom, adventure and wonder. An inspiring testimony of alternative ways to live life outside the beaten track that we've always known. A reflection on the level of freedom one can enjoy when granting himself the right to do so. A thirst for knowledge guided by a desire to encounter fellow citizens of the world, from tribesmen to royalty, from Afghanistan to Zimbabwe, by means of land, sea and air. A journey motivated by only one desire; discover the unknown and to live every single day as if it was the last. Giving up the security and comfort of western civilization is not the most intuitive thing to do. This is the story of a lifetime wanderlust dreamer who decides to throw away his freshly earned engineering diploma to risk an extraordinary path through life. The concept of online entrepreneurship was still unknown at the time, when this dreamer decided to pioneer a new lifestyle and go e; all ine; with a digital nomad set-up to fund his love of traveling. A journey that would slowly but surely guide him to and through every country of the world. A long voyage that invariably brought a catalog of juicy unexpected anecdotes. His habit to always test the territory and socialize in the most diverse situations brought him to infiltrate tribes in Africa, the Middle East and the Pacific Islands, join the ranks of surf communities on the most remote seas, and even share meals with Mongolian Nomads as well as Afghan ministers. His unorthodox style of traveling brought him to navigate the seven seas from cargo ships to yachts, crossing international borders through Jungles on motorbikes, and even boarding intercontinental trains through tens of thousands of kilometers, many times bringing him face to face with the reality of the world such as the horrors of war in Syria, Yemen, and Iraq, while escaping the hands of terrorism on several occasions. This is the story of a restless adventurer with a zest for life.

An Accidental Globetrotter Jeff Martindale, 2013-02-13 Like many who are introverted and cautious, Jeff Martindale had only read about those who traveled the world. Then his employer sent him on two international business trips, which became dream voyages to some of the world's most glamorous locales steeped in history and grandeur. The result is *An Accidental Globetrotter*, a refreshingly humorous and fact-filled journey by a writer whose sharp prose combines wit, attention to detail, and surprising courage.

Globetrotter Diaries Michael Clinton (M.B.A.), 2013 The perfect book for both aspiring and armchair world travellers to see the globe.

The Brazilian Jiu Jitsu Globetrotter Christian Graugart, 2012-11-13 I didn't care about what would happen. He might win the match, but he could never beat me. I was living my dream, traveling the world with complete freedom. Nothing could put me down. The play button was pressed again. My opponent took my back and I tapped to a bow and arrow choke. I laughed and shook his hand, as I stood back up. I was out of the competition. Everything was perfect. Life couldn't be better. After a training partner commits suicide, Christian Graugart feels obliged to do something with his life. Starting his own gym, dedicating almost all his time to the art of BJJ, alters everything, including the way he sees himself. The Brazilian Jiu Jitsu Globetrotter is not only a story about traveling and training in martial arts. It's about all the things that can happen to you if you choose to truly stay alive until you actually die.

Globetrotter David Albahari, 2014-08-28 Displaced from his home more than twenty years ago as Bosnia, Croatia, and Serbia descended into war, Serbian author David Albahari found safety in Canada, where this novel was written. In *Globetrotter*, Albahari deals with the bewilderments of exile and lost identity, themes he has investigated in earlier works. But in this unsettling experimental book he also enters new arenas, where sexual identity and the nature of blame and guilt attract his scrutiny. Narrated in a single uninterrupted paragraph, the novel takes place in the late 1990s at the Banff Art Centre in the Canadian Rockies. Three men—a painter from Saskatchewan and the narrator of the tale, a writer from Serbia, and a man whose traveling Croatian grandfather long ago jotted his name in a local museum's guest book—become acquainted, then attached, then fatally entangled. On a climactic mountain hike that seethes with jealousy, desire, shame, and guilt, each man must engage in a final struggle. Albahari seizes his reader's attention and never yields it in this remarkable, gripping tale.

Buddy the Globetrotter Robert Burke, 2020-03-14 *Adventure in the Enchanted Islands* is the second book in a series of Buddy the Globetrotter travel tales. This is a delightful blend of a sense of adventure with beautiful prose depicting the evolutionary treasures found in the Galapagos. Middle school and older readers will join Buddy as he explores the lush vegetation, barren moonscapes, and a mesmerizing undersea world. They will discover giant tortoises, fascinating birds, and bizarre behaviors. Buddy's sixth sense puts him on a mission to protect his fellow travelers from unbeknownst dangers.

Globetrotter Dogma Bruce Northam, 2011-02-08 In *Globetrotter Dogma*, travel writer Bruce Northam entertains, educates, and motivates readers to hit the road through an idiosyncratic mix of travel lore, humor, shock, story, and practical advice. Employing a rambling résumé that touches two-thirds of the planet, Northam shares wisdom from his far-flung adventures: drifting with Burma's nomadic sea gypsies; walking coast-to-coast across northern England with Dad; shepherding in Morocco; pogo-sticking with Bulgarian gypsies, just to name a few. This timeless, illustrated compendium of roving bliss provides 100 reasons to keep exploring our wild and ever-changing world.
