Soga Atsushi,Tomino Yoshiyuki,Yadate Hajime

Mobile Suit Gundam 00 Kozo Omori, Hajime Yada, Yoshiyuki Tomino, 2009 To end the war among the three major world powers, a private organization called Celestial Being dispatches four war machines piloted by teenagers who systematically attack each nation.

Mobile Suit Gundam: Char's Counterattack, Volume 1 Takayuki Yanase, 2023-08 The legend of Amuro Ray and Char Aznable continues in a new adaptation of Tomino's groundbreaking film. Their first battle changed the tone of the One Year War. Their last battle could be believed as the end of that war. Now more than a dozen years later, Aznable has emerged to lead a Neo Zeon and Amuro is ready to confront his rival once again. Created twenty-five years after Yoshiyuki Tomino's original novels, *Beltorchika's Children* is an alternative telling of the legendary film.

Gundam Capture Noboru Kimura,2010-03 The novelization of the hit anime series! The year is 2307 A.D. Although fossil fuels have been depleted, humanity has obtained a new source of energy to replace them in the form of a large-scale solar power generation system based on three huge, orbital elevators. However, the benefits of this system are available only to a handful of major powers and their allies. These are the Union, led by the United States of America; the Human Reform League, led by

China, Russia, and India; and the AEU, led by Europe. These superpower blocs continue to play a grand zero-sum game for the sake of their own prestige and prosperity. In this world of never-ending conflict, a private armed organization appears, dedicated to the elimination of war through armed force. Its name is Celestial Being, and it is in possession of Gundam mobile suits. With these Gundams, it begins armed intervention into all acts of war.
