Gnome and Garden Marcus Mennes,2004

Gnomes Wil Huygen,2023-09-05 A newly reissued edition of the beloved illustrated survey of gnome life, history, and lore, which has sold astronomically since its original publication in 1977 Did you know that gnome couples always have twin children? Or that a gnome is seven times as strong as a human? Do you want to hear some gossip from the gnome who knew Rembrandt? Dutch artist Rien Poortvliet's charming illustrations and physician Wil Huygen's detailed observations of the gnomes' habits, anatomy, and lifestyle are a delight for readers of all ages. Children will adore the gnome family's underground home and the constant interaction with animals; adults will appreciate the tongue-in-cheek scientific data. Gnomebody is immune to the gnomes' tremendous appeal--and a whole new generation is waiting to love them for the first time!

The Little Gnome Sheri Fink,2020-05-14 Adaptability Book about Dealing with Change and the Seasons Set in a Victorian garden, The Little Gnome is a heartwarming tale about an adorable garden gnome experiencing the wonder of the four seasons for the first time. When summer changes to Fall and then to Winter, the Little Gnome learns to look for the good in change. The enchanting story helps kids of all ages embrace change while learning about the seasons. The Little Gnome is the perfect gift for the special children in your life who are facing changes such as moving, starting a new school, marriage, divorce, new siblings, struggling with peer pressure, and more. The Little Gnome won a Gold Medal for Best K-3rd Fable in the Readers Favorite International Book Awards and was awarded the Gold Mom's Choice Award honoring the best in family friendly entertainment.

The Gnome Lexicon Marcia Lewandowski,Nathan Vieland,Kelly Lincoln,2011 The Gnome Lexicon is a comprehensive study on gnome lore. Altogether there are seventy plus gnomes that represent fifty-nine cultures included in the book. They are divided up into twelve chapters according to where they reside, for example, Hearth and Home, Forest and Jungle, and Sea, Stream, and Swamp. Each gnome has at least one page-some have up to four-so the reader can be introduced to each one in detail; what they look like, what corner of the world they live in, and how they interact with people. Some are well-known-such as the brownie and the leprechaun-but also included are more obscure gnomes such as the little-known Egber (Nigeria) and the Bwbach (Wales). A few have never before been in print; others have received just a mention in passing. The gnomes are a fascinating mix of merry, incurable tricksters; dour, hardworking companions; and shy, elusive loners. There are also three small sections that cover other gnome essentials: ways to see a gnome, their relationship with cats, and why gnomes would rather you not know their names.

Fang, the Gnome Michael G. Coney,2013-04-29 There was a time when the Earth had three moons, and when the seductive sorceress Avalona could alter futures and bend happentracks with her spells. Indeed, in this vast chaotic universe called the Greataway, with its many imaginable futures, anything is possible. Especially when Nyneve, Avalona's bewitching human disciple, conjures up the complete legend of Camelot and when the roguish gnome Fang, slayer of the dread daggertooth, stumbles into the human happentrack, causing human and gnome worlds to overlap. For then the moons begin to disappear one by one, and Fang, Nyneve, and all their comrades find themselves caught in a happentrack from which there is no escape, a happentrack in which the legend of Arthur might prove their only salvation...

Game of Gnomes M. J. Northwood,2021-08-06 Intrigue. Explosions. Illicit Magic Abuse. These morally questionable ingredients make up another

outrageous adventure from Gassy, Borty, and Turdlet. With the Crimicon long in the past, the gnomes find themselves bouncing from one criminal caper to another until an encounter with a familiar face reveals a nobler path. Will they answer the righteous call and save the day? Or will emotionally scarring misadventures lead them astray? The stakes are higher, the story's bigger, but our heroes are just as small.

Gnome Fred Blunt,2020-08-01 Mr. Gnome is a grumpy little fellow. He's really quite rude and he is definitely NOT cute. So when Miss Witch asks him to kindly stop fishing in her pond, Mr. Gnome is in danger of finding out exactly what happens to gnomes who say NO! From author illustrator Fred Blunt comes this laugh-out-loud cautionary tale, told in a wonderfully conversational style.

I'm a Gnome! Jessica Peill-Meininghaus,2019-08-13 Fans of Mo Willems and Dev Petty's I Don't Want to Be a Frog will love this humorous tale about one gnome's journey to prove he is unlike the other magical creatures in the forest. Join Gnome (that's spelled G-N-O-M-E--don't ask why the G is silent!) as he travels through the magical forest to attend the annual Gnome Festival. Along the way he encounters elves, dwarves, trolls, and fairies. But don't be mistaken. He is NOTHING like those magical creatures. Well, maybe he is . . . but only a little bit! When Gnome finally arrives at the festival, he realizes that all the traits he thought made gnomes different from the others actually made them alike--and that's just fine.

The One Great Gnome Jeff Dinardo,2020-09-01 In the spirit of Alice in Wonderland and The Wizard of Oz, this story introduces readers to the hidden magical—and mysterious—world of gnomes, elves, and trolls. Eleven-year-old Sarah moves with her family from New York City to rural Hadley, Connecticut. She's eager to explore her new home and meet new friends, but she never expected to befriend an old garden gnome. Readers join Sarah as she is drawn into a secret world under our feet. Sarah uses her instincts to calm old rivalries and help the underworld elves, gnomes, and more join her in the upperworld.

The Little Winter Book of Gnomes Kirsten Sevig,2019-10-29 A cozy book of gnomes (and gnomes), just in time for the holidays Kirsten Sevig grew up hearing about little gnomes in great Nordic folktales. When she realized that a “gnome” was also another word for a proverb, she brought the two together. The result is a charming collection of Scandinavian wisdom accented by whimsical illustrations. There are gnome women chopping wood (“chop your own wood and it will warm you twice”), men surreptitiously knitting (“two balls of yarn are better than one”), and gnome kids making snow angels, skiing, and more. In The Little Winter Book of Gnomes, Sevig invites readers into a cozy wonderland of her own prolific imagination. With recipes for holiday favorites like mulled cider and gingerbread, this book is the perfect gift to inspire readers to take joy in all of winter's little happy-makers.

Gnome Life Hugh Huygen,1999-11-01 The life and activities of gnomes throughout each month of the year.

Conversations with a Gnome M.E. Brinton,2015-10-27 This tale is woven in imagination yet reality of how an invisible kingdom helped me get through a tough decade of family life, career, and keeping up personal creativity. At the end of each day I simply sat back and used fantasy to see what it might be like for invisible gnomes, the Little People, as my Irish granny called them, to view us human beings. Or so-called humanwhat is that?

Go BIG Or Go Gnome! Kirsten Mayer,2017-03-14 Although unable to grow a beard, Al the garden gnome, after discovering his talent for barbering, wins a special award at the beard contest.

A Gnome'S Winter Solstice Tale Amma Sharon,2017-06-05 In the wooded dell of Happy Hollow, Snappy, the woodland gnome and his merry band of woodland friends celebrate the winter solstice, the longest night of the year, in this uplifting, heartwarming story for children of all ages. It touches my heart to read a story wherein the characters listen to one another, respect and love each other and live in a uniquely positive, inspiring atmosphere for learning, loving and transforming. Joya Loveday Birns, Co-author of Parenting with Spirit and The Joy of Parenting Written in musical rhyme and illustrated in felted wool, A Gnomes Winter Solstice Tale features lively and whimsical characters. It shares a story that fosters childrens creativity, curiosity, and possibility.

Pip the Gnome Admar Kwant,2021-04-15 A gentle board book with soft illustrations and simple words, conveying respect for the natural world

The Gnome from Nome Stephen Cosgrove,1979 A gnome in Alaska desperately tries to find a way to get warm from the inside out.

Game of Gnomes M. J. Northwood,2020-05-15 'As creative as it is absurd, Game of Gnomes is a wonderfully funny, fantasy adventure for adults.' Life for a gnome isn't easy. Every hurdle in a gnome's life is just a little bit too big. After years apart, the three gnomes, Gassy, Borty, and Turdlet, plan to scale the tallest challenge a thief can face: The Crimicompetition. As they fight for the clout, against MagInc—a corporation of unimaginable influence—the gnomes are about to discover how small honour amongst thieves can get. And so begins the Game of Gnomes.

The Gnome Stories Ander Monson,2020-02-04 An unsettling, wildly imaginative collection of stories The Gnome Stories focuses on characters who are loners in the truest sense; who are in the process of recovering from mental, physical, or emotional trauma; and who find solace—or at least a sense of purpose—in peculiar jobs and pursuits. A man whose wife has left him is robbed, so he decides to start doing his own breaking and entering, into his neighbors' homes. When another man's girlfriend is cryogenically frozen by her family after a car accident, he becomes a maintenance worker at the cryogenic facility, eavesdropping on visitors as they whisper secrets to their frozen loved ones. A woman serves as an assistant to the Starvationist, whose methods to help clients lose large amounts of weight are unorthodox, sadistic—and utterly failproof. Another woman and her robot assistant have been hired to tinker with the troubling memories inside a celebrity's brain. With The Gnome Stories, Ander Monson presents eleven unforgettable stories about oddly American situations: as surreal as an urban legend and at the same time perfectly mundane.
