Damned Busters Matthew Hughes,2011-05-31 The Actionary Saves the Day! When mild-mannered Chesney Arnstruther accidentally summons a demon and causes Hell to go on strike, he doesn't expect to wind up as what he had always dreamed of being: the Actionary, a costumed crimefighter with a weasel-headed fiend for a sidekick. But that's just the beginning of a journey that will see the "high-functioning" autistic actuary enmeshed in the schemes of a greedy televangelist, romancing a pepper-spray-wielding manicurist, and sitting down to a poker game with the Devil where the stakes include his immortal soul. No stress, no tension, aaah, this is the life! Stress has always been an important part and parcel of the human condition. That is why the old cliché was coined – All Work and No Play Makes Jack a Dull Boy. That was because man understood that fact that if he did not have any source with which he could relax and unwind, he would soon find himself gloomy, dull, lethargic and absolutely no interest in life, because for him, life would be bound to be full of just hard work and absolutely nothing else for which to look forward, at the end of the day. And that is why he began to look at other options like singing, dancing, drama, painting, art forms in order to relax himself and forget about the stress, worry and tension in his life.
