Out of the Gobi Weijian Shan, 2019-01-17 Foreword by Janet Yellen Weijian Shan's *Out of the Gobi* is a powerful memoir and commentary that will be one of the most important books on China of our time, one with the potential to re-shape how Americans view China, and how the Chinese view life in America. Shan, a former hard laborer who is now one of Asia's best-known financiers, is thoughtful, observant, eloquent, and brutally honest, making him well-positioned to tell the story of a life that is a microcosm of modern China, and of how, improbably, that life became intertwined with America. *Out of the Gobi* draws a vivid picture of the raw human energy and the will to succeed against all odds. Shan only finished elementary school when Mao Zedong's Cultural Revolution tore his country apart. He was a witness to the brutality and absurdity of Mao's policies during one of the most tumultuous eras in China's history. Exiled to the Gobi Desert at age 15 and denied schooling for 10 years, he endured untold hardships without ever giving up his dream for an education. Shan's improbable journey, from the Gobi to the "People's Republic of Berkeley" and far beyond, is a uniquely American success story – told with a splash of humor, deep insight and rich and engaging detail. This powerful and personal perspective on China and America will inform Americans' view of China, humanizing the country, while providing a rare view of America from the prism of a keen foreign observer who lived the American dream. Says former Federal Reserve chair Janet Yellen: "Shan's life provides a demonstration of what is possible when China and the United States come together, even by happenstance. It is not only Shan's personal history that makes this book so interesting but also how the stories of China and America merge in just one moment in time to create an

inspired individual so unique and driven, and so representative of the true spirits of both countries.”

Gobi John Man,1999-01-01 In intelligent, jargon-free prose, the author takes readers on a colorful tour of the Gobi Desert, from its natural wonders to its conflicts with society. Illustrations.

Walking the Gobi Helen Thayer,2008 In 2001, at the age of sixty-three, renowned adventurer Helen Thayer fulfilled her lifelong dream of crossing Mongolia's Gobi Desert. Accompanied by her seventy-four-year-old husband, Bill, and two camels, Tom and Jerry, Thayer walked 1600 miles in 126-degree temperatures, encountering fierce sandstorms, dehydration, dangerous drug smugglers, and ubiquitous scorpions. For more than sixty days Helen struggled to keep moving through some of the most inhospitable terrain on Earth, despite a severe leg injury. Without sponsors, a support team, or radio contact, hers is a

journey of pure discovery and adventure. Walking the Gobi takes readers on a trip through a little-known landscape and introduces them to the culture of the nomadic people whose ancestors have eked out an existence in the Gobi for thousands of years. Thayer's respect and admiration for the culture of the Gobi and her gentle weaving in of natural history shine throughout this remarkable story.

The Girl with Ghost Eyes M. H. Boroson, 2015-11-03 “The Girl with Ghost Eyes is a fun, fun read. Martial arts and Asian magic set in Old San Francisco make for a fresh take on urban fantasy, a wonderful story that kept me up late to finish.” —#1 New York Times bestselling author Patricia Briggs It’s the end of the nineteenth century in San Francisco’s Chinatown, and ghost hunters from the Maoshan traditions of Daoism keep malevolent spiritual forces at bay. Li-lin, the daughter of a renowned Daoshi exorcist, is a young widow burdened with yin eyes—the unique ability to see the spirit world. Her spiritual visions and the death of her husband bring shame to Li-lin and her father—and shame is not something this immigrant family can afford. When a sorcerer cripples her father, terrible plans are set in motion, and only Li-lin can stop them. To aid her are her martial arts and a peachwood sword, her burning paper talismans, and a wisecracking spirit in the form of a human eyeball tucked away in her pocket. Navigating the dangerous alleys and backrooms of a male-dominated Chinatown, Li-lin must confront evil spirits, gangsters, and soulstealers before the sorcerer’s ritual summons an ancient evil that could burn Chinatown to the ground. With a rich and inventive historical setting, nonstop martial arts action, authentic Chinese magic, and bizarre monsters from Asian folklore, *The Girl with Ghost Eyes* is also the poignant story of a young immigrant searching to find her place beside the long shadow of a demanding father and the stigma of

widowhood. In a Chinatown caught between tradition and modernity, one woman may be the key to holding everything together. Skyhorse Publishing, under our Night Shade and Talos imprints, is proud to publish a broad range of titles for readers interested in science fiction (space opera, time travel, hard SF, alien invasion, near-future dystopia), fantasy (grimdark, sword and sorcery, contemporary urban fantasy, steampunk, alternative history), and horror (zombies, vampires, and the occult and supernatural), and much more. While not every title we publish becomes a New York Times bestseller, a national bestseller, or a Hugo or Nebula award-winner, we are committed to publishing quality books from a diverse group of authors.

Tracking Gobi Grizzlies, 2016-12-13 In the tradition of Douglas Chadwick's best-selling adventure memoir, *The Wolverine Way*, *Tracking Gobi Grizzlies* creates a portrait of these rarest of bears' fight for survival in one of the toughest, most remote settings on Earth. He demonstrates why saving this endangered animal supports an entire ecosystem made up of hundreds of interconnected plants and animals, from desert roses to Asiatic lynx and wild double-humped camels, all adapting as best they can to the effects of climate change. A parable of environmental stewardship in a legendary realm.

Gobi's Adventure Brandon Erricson, 2021-03-12 Gobi is a little goblin who lives with her mom and dad in a village, deep in the woods. One night, while exploring the forest, she takes a wrong turn and accidentally gets lost. As the sun goes down, she realizes her problem and begins trying to find her way home. Through wandering all over the forest and to places she's never seen before, Gobi meets unique and

interesting friends along her way who do their best to help her find her way home. By overcoming obstacles and challenges she has to face, Gobi realizes that life is bigger than she's ever dreamed of while living in the village, calling for the greatest adventure in her young life.

Mysteries of the Gobi John Hare, 2008-12-08 John Hare is a star author and one of the most well-known explorers of his generation. The Gobi is a perennially fascinating part of the world - a desert that people love to read about. China, the environment/natural world, exploration and discovery: broad and topical appeal. The Gobi is the largest, coldest and driest desert in Asia. Its shifting sands conceal ancient cities, 3,000-year-old mummies, dinosaur bones and areas where no man has set foot. It is also the last place on earth where the wild Bactrian camel clings to survival, its fragile habitat threatened by poachers and development. With the conservation of this elusive creature in mind, John Hare was inspired to venture into the wildest parts of the Chinese Gobi on an expedition during which they crossed a hundred miles of sand dunes, unexplored in recorded history. Several weeks into the journey, Hare and the team

discovered, in two unmapped valleys, a population of wildlife with no experience of man. Interwoven with the account of his remarkable journey, Hare tells, for the first time, the story of an epic migration made by Kazakh nomads in flight from Chinese communists and describes the historic and current tensions between the Chinese and the indigenous Uighur population of Xinjiang. A blend of history and high adventure, discovery and conservation, *Mysteries of the Gobi* is a unique and compelling account of modern-day exploration.

The Gobi Desert Molly Aloian, 2012-09-24 Describes the geology & history of the Gobi Desert in Central Asia. The Gobi lies in the immense rain shadow of the Himalayas. It offers a wide variety of habitats, including large expanses of bare rock rather than sand. It is a cold desert and snow falls from time to time. This has led to the evolution of a unique ecology.

Lama of the Gobi Michael Kohn, 2010-11-16 Danzan Ravjaa (1803-1856), officially known as the Fifth Noyon Incarnate Lama of the Gobi Desert, is perhaps Mongolia's most beloved saint. The Fourth had caused so many scandals that the Manchu Emperor banned his reincarnation. Consequently, when the young child was enthroned as the Fifth, the Emperor issued an edict of execution on the boy and all associated with the event. The child was only saved by the personal intervention of the Fourth Panchen Lama and a letter of appeal from the young Ninth Dalai Lama, Luntok Gyatso. Their efforts proved well worthwhile, for the boy went on to become one of the greatest mystics and creative geniuses of 19th-century Mongolia. *Lama of the Gobi* is an investigative account of the life and times of this extraordinary man. It takes the reader on a journey through Mongolian history, Tibetan Buddhism and the traditions of nomadic culture to generate

an appreciation of both the man and the many legends that surround him. This revealing story winds its way from Danzan Ravjaa's mythic past until the present day - as the people of the Gobi Desert still faithfully maintain his cult-like status. Book jacket.
