**The God Book** Rabbi Jack Abramowitz,2017-01-18 From angels and the afterlife to suffering and Divine providence, The God Book addresses all things spiritual through classic works of Jewish philosophy. Works summarized include the Rambams Moreh Nevuchim (Guide for the Perplexed), Ramchals Derech Hashem (Way of God), ibn Pakudas Chovos HaLevavos (Duties of the Heart) and Hilchos Deios from the Rambams Mishneh Torah.

**God** Reza Aslan,2017-11-07 NEW YORK TIMES BESTSELLER • The bestselling author of *Zealot* and host of *Believer* explores humanity's quest to make sense of the divine in this concise and fascinating history of our understanding of God. In *Zealot*, Reza Aslan replaced the staid, well-worn portrayal of Jesus of Nazareth with a startling new image of the man in all his contradictions. In his new book, Aslan takes on a subject even more immense: God, writ large. In layered prose and with thoughtful, accessible scholarship, Aslan narrates the history of religion as a remarkably cohesive attempt to understand the divine by giving it human traits and emotions. According to Aslan, this innate desire to humanize God is hardwired in our brains, making it a central feature of nearly every religious tradition. As Aslan writes, "Whether we are aware of it or not, and regardless of whether we're believers or not, what the vast majority of us think about when we think about God is a divine version of ourselves." But this projection is not without consequences. We bestow upon God not just all that is good in human nature—our compassion, our thirst for justice—but all that is bad in it: our greed, our bigotry, our penchant for violence. All these qualities inform our religions, cultures, and governments. More than just a history of our understanding of God, this book is an attempt to get to the root of this humanizing impulse in order to develop a more universal spirituality. Whether you believe in one God, many gods, or no god at all, *God: A Human History* will challenge the way you think about the divine and its role in our everyday lives. Praise for *God* "Timely, riveting, enlightening and necessary."—HuffPost "Tantalizing . . . Driven by [Reza] Aslan's grace and curiosity, *God* . . . helps us pan out from our troubled times, while asking us to consider a more expansive view of the divine in contemporary life."—The Seattle Times "A fascinating exploration of the interaction of our humanity and God."—Pittsburgh Post-Gazette "[Aslan's] slim, yet ambitious book [is] the story of how humans have created God with a capital G, and it's thoroughly mind-blowing."—Los Angeles Review of Books "Aslan is a born storyteller, and there is much to enjoy in this intelligent survey."—San Francisco Chronicle

*Lies We Believe About God* Wm. Paul Young,2017-03-07 From the author of the bestselling novel *The Shack* and the New York Times bestsellers *Cross Roads* and *Eve* comes a compelling, conversational exploration of twenty-eight assumptions about God—assumptions that just might be keeping us from experiencing His unconditional, all-encompassing love. In his wildly popular novels, Wm. Paul Young portrayed the Triune God in ways that challenged our thinking—sometimes upending long-held beliefs, but always centered in the eternal, all-encompassing nature of God's love. Now, in Wm. Paul Young's first nonfiction book, he invites us to revisit our assumptions about God—this time using the Bible, theological discussion, and personal anecdotes. Paul encourages us to think through beliefs we've presumed to be true and consider whether some might actually be false. Expounding on the compassion fans felt from the "Papa" portrayed in *The Shack*—now a major film starring Sam Worthington and Octavia Spencer—Paul encourages you to think anew about important issues including sin, religion, hell, politics, identity, creation, human rights, and helping us discover God's deep and abiding love.

*God: The Failed Hypothesis* Victor J. Stenger,2010-08-05 Throughout history, arguments for and against the existence of God have been largely confined to philosophy and theology, while science has sat on the sidelines. Despite the fact that science has revolutionized every aspect of human life and greatly clarified our understanding of the world, somehow the notion has arisen that it has nothing to say about the possibility of a supreme being, which much of humanity worships as the source of all reality. This book contends that, if God exists, some evidence for this existence should be detectable by scientific means, especially considering the central role that God is alleged to play in the operation of the universe and the lives of humans. Treating the traditional God concept, as conventionally presented in the Judeo-Christian and Islamic traditions, like any other scientific hypothesis, physicist Stenger examines all of the claims made for God's existence. He considers the latest Intelligent Design arguments as evidence of God's influence in biology. He looks at human behavior for evidence of immaterial souls and the possible effects of prayer. He discusses the findings of physics and astronomy in weighing the suggestions that the universe is the work of a creator and that humans are God's special creation. After evaluating all the scientific evidence, Stenger concludes that beyond a reasonable doubt the universe and life appear exactly as we might expect if there were no God. This paperback edition of the New York Times bestselling hardcover edition contains a new foreword by Christopher Hitchens and a postscript by the author in which he responds to reviewers' criticisms of the original edition.

**Hearing God** Dallas Willard,2021-12-07 Being close to God means communicating with him—telling him what is on our hearts in prayer and hearing, and understanding what he is saying to us. But how do we hear God's voice? How can we be sure that what we think we hear is not our own subconscious? What role does the Bible play? What if what God says to us is not clear? The key, says bestselling author Dallas Willard, is to focus not so much on individual actions and decisions as on building our personal relationship with our Creator. In this beloved classic, you'll gain rich spiritual insight into how we can hear God's voice clearly and develop an intimate partnership with him in the work of his kingdom. *Hearing God* is now available as part of the IVP Signature Collection, which features special editions of iconic books in celebration of the seventy-fifth anniversary of InterVarsity Press. A new companion Bible study guide with contributions from Jan Johnson is also available.

**God and Morality** R. Keith Loftin,2012-08-28 Is morality dependent upon belief in God? Is there more than one way for Christians to understand the nature of morality? Is there any agreement between Christians and atheists or agnostics on this heated issue? In *God and Morality: Four Views* four distinguished voices in moral philosophy articulate and defend their place in the current debate between naturalism and theism. Christian philosophers, Keith Yandell and Mark Linville and two self-identified atheist/agnostics, Evan Fales and Michael Ruse clearly and honestly represent their differing views on the nature of morality. Important differences as well as areas of overlap emerge as each contributor states their case, receives criticism from the others and responds. Of particular value for use as an academic text, these four essays and responses, covering the naturalist moral non-realist, naturalist moral realist, moral essentialist and moral particularist views, will foster critical thinking and contribute to the development of a well-informed position on this very important issue.

*Critiques of God* Peter Adam Angeles,1997 Essays on atheism by Kurt Baier, John Dewey, Paul Edwards, Antony Flew, Sigmund Freud, Erich Fromm, Sidney Hook, Walter Kaufmann, Corliss Lamont, Wallace I. Matson, H.J. McCloskey, Ernest Nagel, Kai Nielsen, Richard Robinson, Bertrand Russell, and Michael Scriven.

**The Global God** Aída Besançon Spencer,William David Spencer,1998-05 A global Christian manifesto in which contributors examine attributes of God--the ones that are most understood in today's culture and the ones that need to be more fully apprehended.

*The Audacity of God's Power* Femi Folorunsho,2009 How much worse could it get for me? After several failed marriages, unemployment, and the threat of losing my house a few years ago, I had to turn to God for a 911 intervention. At that point in time, I just lost my job and my ex-wife had just moved out with all her furniture, including the accessories and mattress. I thought I had reached my limit, but with Gods grace I bounced back and refused to be defeated. One of the greatest lessons learned then is to stay faithful to God, hold on to Him because He's the only one that could help me throughout my days in the wilderness. The Audacity of Gods power shows how toughness of a man or woman cannot be measured through their physical stature, but rather the ability to stay strong and reach-out to God for assistance. Challenges are inevitable, they are like the weather or a season, no matter how undesirable they appear at one point. A better one will surely replace the not too great ones. As for me, it was my willingness to ask for Gods help that ultimately saved me and allowed Him

to go the extra mile for me and my family.

*What Is God Like?* Rachel Held Evans, Matthew Paul Turner, 2021-06-15 #1 NEW YORK TIMES BESTSELLER • The late, beloved Rachel Held Evans answers many children's first question about God in this gorgeous picture book, fully realized by her friend Matthew Paul Turner, the bestselling author of *When God Made You*. Children who are introduced to God, through attending church or having loved ones who speak about God, often have a lot of questions, including this ever-popular one: What is God like? The late Rachel Held Evans loved the Bible and loved showing God's love through the words and pictures found in that ancient text. Through these pictures from the Bible, children see that God is like a shepherd, God is like a star, God is like a gardener, God is like the wind, and more. God is a comforter and support. And whenever a child is unsure, *What Is God Like?* encourages young hearts to "think about what makes you feel safe, what makes you feel loved, and what makes you feel brave. That's what God is like."

*The Story of God with Us* Philip Gregorie, Kenneth Padgett, 2021-12 *The Story of God with Us* is a fully illustrated book that tracks through the Bible following the primary storyline of God's relentless pursuit to be with his people. The story moves from Genesis all the way to Revelation by featuring various mountains that appear throughout the Bible.

*God in the Age of Science?* Herman Philipse, 2012-02-23 Herman Philipse puts forward a powerful new critique of belief in God. He examines the strategies that have been used for the philosophical defence of religious belief, and by careful reasoning casts doubt on the legitimacy of relying on faith instead of evidence, and on probabilistic arguments for the existence of God.

**Conversations with God for Teens** Neale Donald Walsch, 2012-10-01 Suppose you could ask God any question and get an answer. What would it be? Young people all over the world have been asking those questions. So Neale Donald Walsch, author of the internationally bestselling *Conversations with God* series had another conversation. *Conversations with God for Teens* is a simple, clear, straight-to-the-point dialogue that answers teens questions about God, money, sex, love, and more. *Conversations with God for Teens* reads like a rap session at a church youth group, where teenagers discuss everything they ever wanted to know about life but were too afraid to ask God. Walsch acts as the verbal conduit, showing teenagers how easy it is to converse with the divine. When Claudia, age 16, from Perth, Australia, asks, Why can't I just have sex with everybody? What's the big deal?, the answer God offers her is: Nothing you do will ever be okay with everybody. 'Everybody' is a large word. The real question is can you have sex and have it be okay with you? There's no doubt that the casual question-and-answer format will help make God feel welcoming and accessible to teens. *Conversations with God for Teens* is the perfect gift purchase for parents, grandparents, and anyone else who wants to provide accessible spiritual content for the teen(s) in their lives.

*A God for this World* Scott Cowdell, 2000 This is a discussion of how God became remote from the world, with consequences for belief, and how God is today being reimagined as being at home in the world and at work in natural and human events. Beyond classical theism and modern atheism, traditions of God at home in the world are recovered and holistic images of God explored - old and new. Incorporating insights from quantum physics, postmodern theory, chaos theory and evolutionary biology, the book recaptures the sense of God as soul of the world, commending a secular mysticism of God in, with and under all the struggles of matter, life and consciousness. This reinvigorated tradition of divine action is brought into respectful dialogue with the undeniable challenges to faith which evil and suffering pose.

*Time for God* Jacques Philippe, 2017-03-29 Many people today are thirsty for God and feel a desire for an intense, personal prayer life that is deep and ongoing. But they encounter obstacles that prevent them from following the path seriously, and especially from persevering on it. *Time for God* was written with these desires and difficulties in mind. In *Time for God*, author Jacques Philippe mainly concentrates on mental prayer: prayer that consists of facing God in solitude and silence for a time in order to enter into intimate, loving communion with him. Practicing this kind of prayer regularly is considered by all spiritual masters to be an indispensable path that gives access to genuine Christian life—a path to knowing and loving God that empowers us to respond to his call to holiness addressed to each individual. Philippe draws on years of experience as a spiritual guide to illuminate the fundamental principles of mental prayer and describes some common mistakes and misconceptions that can lead it astray. With simplicity and clarity he explains the foundational principles for a healthy prayer life and gives advice for overcoming the various obstacles that arise when one sets off on the path of interior prayer.

*A Metaphorical God* Gail Ramshaw, 1995-03 A collection of 26 thought-provoking meditations on the name of God.

**Who Is God?** Richard Bauckham, 2020-07-21 Internationally respected scholar Richard Bauckham offers a brief, engaging study of divine revelation in Scripture. He probes the deep meaning of well-known moments in the biblical story in order to address the key question the Bible is designed to answer: Who is God? Accessible for laypeople and important to scholars, this volume begins by exploring three key events in the Bible in which God is revealed: Jacob's dream at Bethel (the revelation of the divine presence), Moses at the burning bush (the revelation of the divine Name), and Moses on Mount Sinai (the revelation of the divine character). In each case, Bauckham traces these themes through the rest of Scripture. He then shows how the New Testament builds on the Old by exploring three revelatory events in Mark's Gospel, events that reveal the Trinity: Jesus's baptism, transfiguration, and crucifixion. This book is based on the Frumentius Lectures for 2015 at the Ethiopian Graduate School of Theology in Addis Ababa and on the Hayward Lectures for 2018 at Acadia Divinity College, Nova Scotia.

**Chosen by God** R. C. Sproul, 2011-02-18 Nearly 200,000 copies sold! *Chosen by God* by Dr. R. C. Sproul is a contemporary classic on predestination, a doctrine that isn't just for Calvinists. It is a doctrine for all biblical Christians. In this updated and expanded edition of *Chosen by God*, Sproul shows that the doctrine of predestination doesn't create a whimsical or spiteful picture of God, but rather paints a portrait of a loving God who provides redemption for radically corrupt humans. We choose God because he has opened our eyes to see his beauty; we love him because he first loved us. There is mystery in God's ways, but not contradiction.
