God's Hand on America Michael Medved,2019-11-26 The national radio host and bestselling author of The American Miracle reveals the happy accidents, bizarre coincidences, and flat-out miracles that continue to shape America's destiny. "A hopeful message for our troubled times . . . Michael Medved has an eye for a story, and a preternatural gift for telling it in beguiling ways."—Joseph J. Ellis, Pulitzer Prize and National Book Award-winning author of Founding Brothers Has God withdrawn his special blessing from the United States? Americans ponder that painful question in troubled times, as we did during the devastation of the Civil War and after the assassinations of the '60s, and as we do in our present polarization. Yet somehow—on battlefields, across western wilderness, and in raucous convention halls—astounding events have reliably advanced America, restoring faith in the Republic's providential protection. In this provocative historical narrative, Michael Medved brings to life ten haunting tales that reveal this purposeful pattern, including: • A near-fatal carriage accident forces Lincoln's secretary of state into a canvas-and-steel neck brace that protects him from a would-be assassin's knife thrusts, allowing him two years later to acquire Alaska for the United States. • A sudden tidal wave of Russian Jewish immigration, beginning in 1881, coincides with America's rise to world leadership, fulfilling a biblical promise that those blessing Abraham's children will themselves be blessed. • Campaigning for president, Theodore Roosevelt takes a bullet in the chest, but a folded speech in his jacket pocket slows its progress and saves his life. • At the Battle of Midway, U.S. planes get lost over empty ocean and then miraculously reconnect for five minutes of dive-bombing that wrecks Japan's fleet, convincing even enemy commanders that higher powers intervened against them. • A behind-the-scenes "conspiracy of the pure of heart" by Democratic leaders forces a gravely ill FDR to replace his sitting vice president—an unstable Stalinist—with future White House great Harry Truman. These and other little-known stories build on themes of The American Miracle, Medved's bestseller about America's remarkable rise. The confident heroes and stubborn misfits in these pages shared a common faith in a master plan, which continues to unfold in our time. God's Hand on America confirms that the founders were right about America's destiny to lead and enlighten the world.

Forcing God's Hand Grace Halsell,2003 The book explores the danger posed by Christian fundamentalism - a doctrine that is sweeping America. Leaders of the doctrine proclaim that God wants - even demands - that Planet Earth be destroyed in our generation. Adherents to this doctrine are said to constitute the fastest growing movement in Christianity today. Fundamentalist Evangelicals believe there will be catastrophic events on earth, some occurring already, including the turmoil in the Middle East, culminating in the Battle of Armageddon in which Christ will triumph and begin ruling the earth. At this point, they believe, non-believers will be destroyed, good Christians saved and any remaining Jews converted to Christianity. By praying for their Rapture and the End of Time, might they Force the Hand of God -- to bring it about? The book also includes CBS 60 Minutes program, Zion's Christian Soldiers and an interview with Jerry Falwell. Grace Halsell (1923-2000) served President Lyndon Johnson as his speech writer for three years. She covered both Korea and Vietnam as a journalist and wrote for newspapers in the U.S., South America, Europe, Russia, China, Japan and the Middle East. She wrote fourteen books among them the well-received Soul Sister, Prophecy and Politics: Militant Evangelists on the Road to Nuclear War, Journey to Jerusalem and The Illegals. An emergency skeleton crew sees only one chance for survival: to create an artificial consciousness in the Earthling's primary computer, which could guide them to their destination . . . or could destroy the human race. God's Hand on America Michael Medved,2019 In The American Miracle- Divine Providence in the Rise of the Republic, Michael Medved uncovered a pattern of extraordinary and improbable turns in the young nation's ascent to power. Now, in the anticipated second volume, the nation's epic tale enters the modern era. As the civil war comes to an end and reconstruction begins, the Union is narrowly saved from total demise. But contempt still runs hot through the battered nation, and the future of the United States is still at stake. In This Favored Land, Medved reveals the instruments of fate that took the bedraggled country from its lowest point to her dominant role on the world stage today. Following the paths of American heroes and the little known figures who played indispensable roles in the unfolding of the nation's freakishly fortunate destiny, This Favored Land proves that the founding fathers were right- God has always been--and continues to be--at work in shaping the fate of the nation.

God's Hand, My Choices Robert Coombs,2020-03-23 The drive from Texas to Florida, without God's hand, would not have happened. My choices showed me it was not just about me but about my mom and dad too. My mother instinctively knew her son was spiraling out of control. The automobile crash brought him to the brink of death. God showed him heaven and then sent him back to give this testament. God watches over us, giving us free will to choose. This is about my choices and the miracles from God. The 240Z flipped three times crushing down on my visibly dead body. I was pinned between the console and roof. The crash results: three skull fractures, an induced stroke, partial paralysis on my left side, and permanent deafness in my left ear. After a mastoidectomy surgery in Paris, Texas, things did not improve. Talking and walking were difficult, and each day of my recovery had my mother getting more distraught. With each troubled conversation, she sensed my frustrations. Mom was stressed with me and at home. She did the only thing she could do. She called me in an uncharacteristic panic telling I had to come home. My normally stoic father was worried about her, so I had to make a choice: stay or go to Florida. God gives us choices all our lives. I had been making the wrong choices, but it was time for God to intervene. My first good choice was to give up almost all I had in Texas and go home to be with my mother and father. I am human, so there was doubt when it seemed hopeless. Pushing doubt aside and trusting God, this trip was filled with miracles others would consider luck or coincidences.

God's Hand on A Saved Sinner Douglas Nielsen,2023-02-25 I have written this book to show God's hand on a saved sinner. As I have gotten older and looking back on some things in my life, I now see God's hand. This is just a closer look back at some of the instances where God has stepped in and protected me. You will see the intervention of God when my life could have ended. I know that God has a plan for me. I do not know what it is, but God knows everything. I have also written this to show that God's hand is on all. He will protect his people or give them the grace to endure through the situation they are in. I will also try to show that there is no one who is too filthy or too far from the saving grace of Jesus and the salvation they can have through him.
