What Others are Saying About God and Money This is one of the most thoughtful and well researched books on giving that I have had the pleasure of reading. The frameworks presented in the book can be used by people at all stages of experiencing the joy of generosity. —Waters Davis, President of National Christian Foundation Houston. With uncommon transparency, John and Greg provide a Gospel-centered and practical perspective on wealth. Through a leveling critique of comfortable Christianity, they challenge us to wholeheartedly pursue the joy of generosity. Read this book and you will be inspired, convicted and thinking differently about using what God has given you for Kingdom impact. —Peter Greer, President & CEO of HOPE International and coauthor of Mission Drift In God and Money, Baumer and Cortines challenge Christian readers to consider afresh what generosity looks like in light of the Scripture's radical teaching and the day of affluence in which we live. Whether or not you agree with all their conclusions or personal practices, you will be challenged and inspired. —Robert L. Plummer, Ph.D., Professor of New Testament Interpretation, The Southern Baptist Theological Seminary I greatly enjoyed reading God and Money! God used the framework Greg and John described to challenge my perspective and practice of generosity. I realized in reading their book that my personal bias is more saver and spender than servant. What I truly desire to be is a fully surrendered servant of Jesus. This book gave me practical frameworks to move in that direction. —Todd Harper, President, Generous Giving The mission of Harvard Business School is to educate leaders who make a difference in the world, and in John and Greg that mission has been fulfilled abundantly. It has been my privilege to be their teacher, their colleague and now their friend; and I wish them Godspeed as they take the transformative message found in God and Money out to their community and to the world beyond. I have learned to expect great things from them, and they have yet to disappoint. —Derek van Bever, Senior Lecturer in Business Administration; Director, Forum for Growth and Innovation, Harvard Business School Preview God and Money Table of Contents Part I: Foundations Chapter 1: Wealth and Giving in the Bible Chapter 2: Seven Core Principles for Biblical Wealth and Giving Chapter 3: Motivations for Giving Chapter 4: Trends and Movements in Generosity Part II: Frameworks Chapter 5: The Three S's Framework: Spender, Saver, or Servant? The Good of Affluence John R. Schneider,2002 wealth incompatible with true Christianity? In The Good of Affluence John R. Schneider reopens the debate over the proper Christian attitude toward money, arguing, ultimately, that Scripture does indeed provide support for the responsible possession of wealth. This is a provocative book of Christian theology, written to help people seeking God in a culture that has grown from modern capitalism. By comparing classic Christian teaching on wealth with the realities of our modern economic world, Schneider challenges the common presumption that material affluence is inherently bad. Careful interpretation of Scripture narratives -- creation, exodus, exile, and more -- also shows that abundance is the condition that God

envisions for all human beings and that faithful persons of wealth are part of this plan. Schneider believes that the wealth-as-blessing themes of the Old Testament are not to be spiritualized and do not run contrary to New Testament teachings but provide exactly the frame of reference for the incarnate identity, life, and teaching of Jesus, who came to make real the messianic feast, both in this age and in the age to come. Through insightful engagement with the biblical text Schneider overturns some of the most cherished and unquestioned assumptions of influential Christian writers (particularly Ronald Sider) on modern capitalist affluence. Yet Schneider's message is also finely balanced with the need for responsible Christian living. He offers rich Christians biblical affirmation but also challenges them to a life shaped by an uncommon sense of stewardship and compassion. Incisive, thought provoking, and biblically grounded, *The Good of Affluence* is a superb resource for anyone -- students, professors, businesspeople, general readers, discussion groups -- wishing to grapple seriously with the subject of faith and wealth.

Supernatural Prosperity Isaiah MacWealth, God wants you to prosper and it is He who gives the power to get wealth. But thou shalt remember the LORD thy God: for it is he that giveth thee power to get wealth, that he may establish his covenant which he swore unto thy fathers, as it is this day. Deuteronomy 8:18 So if God gives the power to get wealth as the scripture above shows, then he must have principles that we can seek to understand and engage to get wealth. Unlike the natural ways of acquiring wealth, God's principles are built on His integrity hence they are unchanging and cannot fail. The people of this world practice only the natural principles but these can work today and fail tomorrow depending on the economic situation. This explains why someone may be so rich today and become so poor and helpless tomorrow. The recent crash of Wall Street and the more recent devaluation of some global currencies are pure examples of how fickle and unstable the natural principles of wealth are. We therefore cannot rely on natural ways of getting wealth alone, we need to understand supernatural principles and how they work. Our primary focus in this book would be on how you can prosper by seeking the kingdom of God and his righteousness and how to prosper by the covenant of prosperity.

Gods of Money William Engdahl, 2010-05 The dollar financial system of Wall Street was born not at a conference in Bretton Woods New Hampshire in 1944. It was born in the first days of August, 1945 with the dropping of the atomic bomb on Hiroshima and Nagasaki. After that point the world was in no doubt who was the power to reckon with. This book is no ordinary book about money and finance. Rather it traces the history of money as an instrument of power; it traces the evolution of that power in the hands of a tiny elite that regards themselves as, quite literally, gods-The Gods of Money. How these gods abused their power and how they systematically set out to control the entire world is the subject.

Poverty, Riches and Wealth Kris Vallotton, 2018-04-03 Overcoming the Never-Enough Mentality to Experience True Kingdom Abundance Prosperity. It's one of the most dividing words in the church. Some pastors use it to tell their congregations that God will make them all rich, rich, rich! Others spurn the word and insist that true Christlikeness is found in forsaking all worldly riches and possessions. The truth is, both are right--and both are wrong. With refreshing honesty, humor, and keen insight, bestselling author and pastor Kris Vallotton mines the Scriptures in an eye-opening study of what the Bible really says about money, poverty, riches, and wealth. And what he finds is sure to shake up what you thought you knew--including these surprising truths: · Jesus was not poor and homeless · Heaven is described in the language of wealth · Poverty is a mindset that holds us back from true wealth · You determine your wealth based on how much, and how well, you love yourself · God wants all his children to be wealthy, though not everyone should be rich Kingdom prosperity begins from the inside out. When you learn to cultivate a mindset of abundance, no matter your circumstances, you will begin to experience the wealth of heaven in every area of your life.

Wealth and the Will of God Paul G. Schervish, Albert Keith Whitaker, 2010-03-22 *Wealth and the Will of God* looks at some of the spiritual resources of the Christian tradition that can aid serious reflection on wealth and giving. Beginning with Aristotle—who is crucial for understanding later Christian thought—the book discusses Aquinas, Ignatius, Luther, Calvin, and Jonathan Edwards. Though the ideas vary greatly, the chapters are organized to facilitate comparisons among these thinkers on issues of ultimate purposes or aspirations of human life; on the penultimate purposes of love, charity, friendship, and care; on the resources available to human beings in this life; and finally on ways to connect and implement in practice our identified resources with our ultimate ends.

The Great Transfer of Wealth C. Peter Wagner, 2014-11-25 You Can Be a Part of God's Great Release of Wealth! The Bible proclaims a coming day when God will release a great transfer of the world's wealth into the hands of His people. Why would God divert the world's wealth in such a manner? Wouldn't such an enterprise be driven by greed or the evil spirit of mammon? Or might there be a higher purpose? Revered author C. Peter Wagner delves deeply into this amazing prophecy, showing how God will bring about a miraculous, worldwide financial transformation so that the Great Commission will be fulfilled and His kingdom will be established on earth. And these things will be witnessed by this generation! With great wisdom and clarity, Wagner describes... The proper uses of this wealth The mechanism of its distribution The goals it is intended to achieve How the newly financed church will use its "seven mountains of influence" to change the world God is poised to shake the world's financial foundations to their core. All Bible-believing Christians need to take steps to be prepared, for they will be the ones God uses to receive this blessing, influence the world, and help to fulfill Jesus's Great Commission.

Big Money Energy Directly from God Mike McArthur,2021-01-18 You will realize that money is energy Everything in our world consists of energy, because energy is everything that surrounds us. Everyone has heard about the energy of love, but does everyone know that the energy of money also exists?Money is also energy, but it functions according to its own laws. Money is a material representation of energy. In fact, God invented and created money. Some deify money, some take it easily, some try to save it, and some live one day at a time and spend every penny made. Everyone treats money differently, but you must admit that money plays some role in each person's life, sometimes the main one, and sometimes secondary. And the amount that each person considers enough for happiness differs from person to person. You will see that money is creation of God Money always existed and will exist forever. Because money was created by God. During our life, we always interact with each other. Two things in this are always true: nothing is free, and nothing goes unnoticed. If you go to the grocery store to buy some milk, you must pay some money. If money didn't exist, this simple transaction of buying milk would be very hard to solve. In that case you, would interact with many others like farmers who produced this milk, sellers who sell the milk, etc. You would need to do chores and help them in order to get some milk from them. How could you get a milk in this situation? That's why God created money as a universal solution where you can get what you need and keep going. Your income depends on how you treat money If you treat money as something negative, if you think that money is the root of all evil or that huge amounts of money will poison your life, you will not become rich.Life is a reflection of your mindset. And negative attitudes towards money stop you from running into a money flow from God. For example, can you become a good football player who earns tens of millions of dollars if you hate football? Fat chance. If, in your conscious mind, money is a negative, then subconsciously you will do everything you can to avoid contact with this negative energy You will learn how to interact with energy of money, and you will know Three main aspects of money The energy of money can be viewed as three main aspects. Just like a person, money can manifest itself on the physical, emotional, and mental levels.Money should be considered as an instrument. It should be considered as a tool, not a goal. But the vast majority of people do not understand this concept. For them, money is a measurement for pretty much everything. But money is a tool of life. The amount of money you have should be enough to achieve your goals, matching what you plan to do. Furthermore, in these pages, through plain English and inspiring stories, you'll discover:- The amount of money people have is always enough- Money is a tool, not a goal and you will know career advices from God- Energy is a cause, and money is an effect, a reflection of this energy.- 3 things for your business to be successful and how to gain willpower to always get your work done. Master the mindset of true wealth and experience the fulfillment you deserve today.

MAKING MONEY SENSE: GOD'S TRUTH David Wong,2011-11-02 God’s Promise of Wealth “If you fully obey the LORD your GOD and carefully follow all his commands I give you today, the LORD your God will set you high above all the nations on earth. All these blessings will come upon you and accompany you if you obey the LORD your God... “The LORD will send a blessing on your barns and on everything you put your hand to. The LORD your God will bless you in the land he is giving you.” Deuteronomy 28:1-2,8

Sacred Angels of Abundant Wealth Gedaliah Shay,2020-12-30 When the angels of abundance are on assignment in your life, everything you touch will manifest abundantly; there is nothing that the enemy or devil can do to rob you of your finances and prosperity, neither can they touch your harvest. Malachi 3: 11 “And I will rebuke the devourer for your sakes, and he shall not destroy the fruits of your ground; neither shall your vine cast her fruit before the time in the field, saith the Lord of hosts.” When you become a Christian believer, you are entitled to the riches that come from heaven, and you begin to attract angels of money to work in your life. There’s also nothing wrong with wanting more abundance while also counting your current blessings. God already knows what you need before you even ask him, and he is ready to provide all you need beyond your wildest imagination. Angels go on assignment from God to bring you money when you put God and his eternal kingdom priority in your life. There are a few Angels you can call on to invite more money and abundance into your life, and they are ready to respond to your request for help. It is to this effect that this powerful guide, Sacred Angels of Abundant wealth is provided. In this book, Christians are more assured of a workable pattern through which their needs will be met. A channel through which intercessors mediate to our heavenly father to provide for our needs. Thus, emphasis in this book is made on 'the nature of the angels, the different angels of abundance and the designated areas they function in, the intercessory roles of angels, the form angels of abundance can take, and lastly, how to get angels of abundance to help us. This book is a must-read for all Christians as it clears the air of doubt surrounding 'the communion of angels'. Get a copy today!
