Iron Goddess of Mercy Larissa Lai,2021-04-13 Iron Goddess of Mercyby Lambda Literary Award winner Larissa Lai (for the novel The Tiger Flu) is a long poem that captures the vengeful yet hopeful movement of the Furies mid-whirl and dance with them through the horror of the long now. Inspired by the tumultuous history of Hong Kong, from the Japanese and British occupations to the ongoing pro-democracy protests, the poem interrogates the complicated notion of identity, offering a prism through which the term “Asian” can be understood to make sense of a complex set of relations. The self crystallizes in moments of solidity, only to dissolve and whirl away again. The poet is a windsock, catching all the affect that blows at her and ballooning to fullness, only to empty again when the wind changes direction. Iron Goddess of Mercy is a game of mah jong played deep into the night, an endless gamble. Presented in sixty-four fragments to honor the sixty-four hexagrams of the I Ching, Iron Goddess of Mercy also borrows from haibun, a traditional Japanese form of travel writing in which each diary entry closes with a haiku. The poem dizzies, turns on itself. It rants, it curses, it writes love letters, but as the Iron Goddess is ever changing, so is the object of her address: a maenad, Kool-Aid, Chiang Kai-shek, the economy, a clown, freedom of speech, a brother, a bother, a typist, a monster, a machine, Iris Chang, Hannah Arendt, the Greek warrior Achilles, or a deer caught in the headlights. Finally, a balm to the poem’s devastating passion and fury, Iron Goddess of Mercy is also a type of oolong tea, a most fragrant infusion said to have been a gift from the compassionate bodhisattva Guan Yin. Summoning the ghosts of history and politics, Iron Goddess of Mercy explores the complexities of identity through the lens of rage and empowerment. The Kwan Yin (goddess of Mercy and Knowledge) Book of Changes Diane Stein,1985 A modern reclaiming of the ancient Chinese I Ching. Kwan Yin, the Chinese Goddess of Mercy & Knowledge, is evoked in this adaptation of the ancient divinatory system. This book returns the I Ching to women's use and is a simple-to-use tool of great power. The book stands the I Ching side by side with the Tarot as an aspect of women's spirituality, and it is a remembering of the submerged skills of women's patriarchy.

Kuan-yin Chün-fang Yü,2001-03-22 By far one of the most important objects of worship in the Buddhist traditions, the bodhisattva Avalokitesvara is regarded as the embodiment of compassion. He has been widely revered throughout the Buddhist countries of Asia since the early centuries of the Common Era. While he was closely identified with the royalty in South and Southeast Asia, and the Tibetans continue to this day to view the Dalai Lamas as his incarnations, in China he became a she—Kuan-yin, the Goddess of Mercy—and has a very different history. The causes and processes of this metamorphosis have perplexed Buddhist scholars for centuries. In this groundbreaking, comprehensive study, Chün-fang Yü discusses this dramatic transformation of the (male) Indian bodhisattva Avalokitesvara into the (female) Chinese Kuan-yin—from a relatively minor figure in the Buddha's retinue to a universal savior and one of the most popular deities in Chinese religion. Focusing on the various media through which the feminine Kuan-yin became constructed and domesticated in China, Yü thoroughly examines Buddhist scriptures, miracle stories, pilgrimages, popular literature, and monastic and local gazetteers—as well as the changing iconography reflected in Kuan-yin's images and artistic representations—to determine the role this material played in this amazing transformation. The book eloquently depicts the domestication of Kuan-yin as a case study of the indigenization of Buddhism in China and illuminates the ways this beloved deity has affected the lives of all Chinese people down the ages.

Praying to the Goddess Mahita Vas,2012-09-01 When Mahita was 15, a teacher at her Catholic school in Singapore said she could see the devil in her eyes. While growing up, then raising a family of her own, she constantly fought to understand and control this ‘devil’ inside her. Born to Indian parents in Singapore and raised by a Chinese amah, Mahita Vas struggled to fit into a conservative society where exuberance is frowned upon and conformity is a tradition. She spent a significant part of life feeling different, being different. Throughout her career with Singapore Airlines, then as an advertising industry executive, she led a volatile life – sometimes blissfully and enviably contented, at other times wishing she was dead. No one, least of all Mahita, suspected she was mentally ill ... until the day her sister suggested she had ‘inherited Daddy’s illness’. This epiphanic revelation led to a bipolar disorder diagnosis at age 41, followed by a suicide attempt where she

narrowly escaped death. Praying to the Goddess of Mercy charts Mahita's journey from chaos to stability. It offers insights into an illness for which there is no known cause, no cure and no immunity. It will inspire and enlighten people with mental disorders and the loved ones who suffer with them. Ultimately, it is about being true to oneself and having the courage to take charge in the pursuit of happiness.

Becoming Guanyin Yuhang Li, 2020-02-18 Winner, 2024 Geiss-Hsu Book Prize for Best First Book, Society for Ming Studies The goddess Guanyin began in India as the bodhisattva Avalokiteśvara, originally a male deity. He gradually became indigenized as a female deity in China over the span of nearly a millennium. By the Ming (1358–1644) and Qing (1644–1911) periods, Guanyin had become the most popular female deity in China. In *Becoming Guanyin*, Yuhang Li examines how lay Buddhist women in late imperial China forged a connection with the subject of their devotion, arguing that women used their own bodies to echo that of Guanyin. Li focuses on the power of material things to enable women to access religious experience and transcendence. In particular, she examines how secular Buddhist women expressed mimetic devotion and pursued religious salvation through creative depictions of Guanyin in different media such as painting and embroidery and through bodily portrayals of the deity using jewelry and dance. These material displays expressed a worldview that differed from yet fit within the Confucian patriarchal system. Attending to the fabrication and use of “women's things” by secular women, Li offers new insight into the relationships between worshipped and worshipper in Buddhist practice. Combining empirical research with theoretical insights from both art history and Buddhist studies, *Becoming Guanyin* is a field-changing analysis that reveals the interplay between material culture, religion, and their gendered transformations.

From Kuan Yin to Chairman Mao Xueting Christine Ni, 2018-06-01 “Luminous and detailed, this is an encyclopedic treasure trove that now renders the gods and goddesses of Eastern lore accessible to the West.” –Benebell Wen, author of *Holistic Tarot China* is an immense land with a history spanning thousands of years, and its needs and problems are perhaps too many for a single deity to watch over. This book begins to explore the veritable army of gods, immortals, and deities to whom the Chinese have turned for help, support, and intervention—not just in the annals of history but also in the bustling modern world. *From Kuan Yin to Chairman Mao* offers fascinating insight into the complex interweaving of China's main religions and folklore and the way the gods themselves have evolved to meet changing challenges, finding their way from scriptures and statues to vouchers and videogames. Author Xueting Christine Ni recounts the stories of sixty Chinese gods and goddesses, selected from across the spectrum of China's mythical beings, deified heroes, gods, goddesses, and immortals. They derive from Taoism, Buddhism, Confucianism, and folklore, as well as revered sages and protective deities from other traditions. Get to know Kuan Yin, the goddess of mercy; Zhong Ku, the demon slayer; Tian Hou, the goddess of the sea; the beloved Monkey King, and a host of other Chinese deities, both ancient and modern. In addition to exploring the origins and rituals of this eclectic pantheon, this book also looks at how, in a country that has undergone a myriad of changes and upheavals, its gods and goddesses have never been more than a whisper away.

GODDESS of MERCY comprises three seasons: LIMBO, PURGATORY, and HELL, available in English and Spanish (DIOSA de MISERICORDIA). GODDESS of MERCY weaves together the threads of love, technology, dissent, emotional manipulation, and the age-old quest for everlasting life. Embark on a thrilling adventure with a hacker who engages in dialogue with Death, a fervent blue-blood activist married to an AI, a quirky roboticist (the famous Silken Mother), and a reserved software architect who controls emotions. Together, they combat a covert menace, unwittingly catalyzing the destiny they wish to avoid—while a privileged few achieve eternal existence. In a world on the brink of technological and moral upheaval, this is a countdown to the end of civilization. It's the story of those who fight for justice and democracy, showcasing the indomitable spirit of ordinary people from diverse backgrounds. Dive into parallel romances that transport you from the icy Siberia to the vibrant Osaka and the pristine Lapland, all while indulging in a culinary journey of caviar, sushi, and aquavit. Can love transcend culture and nationality? LIMBO - The Countdown Begins Amidst Russia's resurgence as a technological powerhouse, a young hacker stumbles upon a mysterious menace with the potential to devastate humankind. Motivated by guilt over her mother's demise, she strives to unravel the government's plot, intending to warn the world—but ends up falling prey to a white trafficking ring. A disparate trio emerges, uniting a disillusioned aristocratic leader of a Russian dissident group, a brilliant roboticist from Hong Kong (with her mechanical offspring), and a Japanese PhD. Their mission is to rescue the hacker. This enigmatic character takes center stage, her life marked by a connection to the ancient musketeers of the Czar, resentment against authority, and the existence of a peculiar symbol that she believes will shape her destiny. PURGATORY - Rise of an Empire Bearing an induced fatal ailment and chased by the establishment, our snobby activist engages in a struggle for both survival and self-discovery. She confronts the highest echelons of Russian officialdom and is eventually reduced to destitution, ending up married to an artificial intelligence. In Japan, her Hong Kong companion ascends within the realm of robotics, courtesy of her groundbreaking inventions. Yet, this is not before facilitating technological espionage that arms Russia with a revolutionary tool for emotional manipulation. In the meantime, the now-free multifaceted hacker—harboring her own Dantean secrets—deftly sidesteps close calls with death, also doggedly resisting the clutches of romance. Ultimately, she exposes the Motherland's scheme to the world, leading her to capital punishment. HELL - Beyond Immortality The global community finds itself stratified by classes and vital privileges—literally. Pursued by the formidable FSB yet harnessing the latest multi-billion-dollar technologies, our rebels set out to save the day. However, before even realizing it, they themselves become the great threat, igniting a nuclear conflict. Neither biological immortality nor the frozen confines of a refuge under the Swedish Icehotel offer sanctuary—everyone must confront fate. Is this the end? What does the hacker's symbol represent? Will it save humankind from extinction? - † -

The Tiger Flu Larissa Lai, 2018-09 A stunning novel about a community of parthenogenic women under siege after the end of the world.

God of Mercy Okezie Nwoka,2021-11-02 “Nwoka’s debut feels like a dream, or a fable, or something in between . . . Recommended for fans of Nnedi Okorafor’s Remote Control or Nghi Vo’s The Empress of Salt and Fortune.” –Ashley Rayner, Booklist [God of Mercy] owes a debt to Chinua Achebe’s Things Fall Apart, revising that novel's message for the recent past . . . A well-turned dramatization of spiritual and social culture clashes. –Kirkus Reviews Homegoing meets Black Leopard, Red Wolf, Okezie Nwoka’s debut novel is a powerful reimagining of a history erased. God of Mercy is set in Ichulu, an Igbo village where the people’s worship of their gods is absolute. Their adherence to tradition has allowed them to evade the influences of colonialism and globalization. But the village is reckoning with changes, including a war between gods signaled by Ijeoma, a girl who can fly. As tensions grow between Ichulu and its neighboring colonized villages, Ijeoma is forced into exile. Reckoning with her powers and exposed to the world beyond Ichulu, she is imprisoned by a Christian church under the accusation of being a witch. Suffering through isolation, she comes to understand the truth of merciful love. Reimagining the nature of tradition and cultural heritage and establishing a folklore of the uncolonized, God of Mercy is a novel about wrestling with gods, confronting demons, and understanding one's true purpose.

Kwan-yin Stella Benson,2022-06-02 Kwan-yin by Stella Benson is an intense one-act play presenting two acolytes and four priests worshiping before an altar of the Goddess Of Mercy. Do they, however, hear her voice when she answers? Or are they too preoccupied with their very own sound? Excerpt: A woman's voice again sings, unheeded, from behind the veil of smoke. Wherefore plead with death? Who shall soften the terrible heart of death? All, in urgent but slow unison: Kwan-yin. Kwan-yin. Kwan-yin. Kwan-yin. The golden face of Kwan-yin above the altar changes suddenly and terribly, and becomes like a masque of fear. The lanterns flare spasmodically. The voice can now be identified as Kwan-yin's, but still the priests stand unhearing with their heads bowed, and still the passionless bell rings. Kwan-yin, in a screaming voice: Ah, be still, be still.... I am Kwan-yin. I am Mercy. Mercy is defeated. Mercy who battled not, is defeated. She is a captive bound to the chariot of pain. Sorrow has set his foot upon her neck. Sin has mocked her. Turn away thine eyes from Mercy, From poor Mercy. Woo her no more. Cry upon her no more.
