The Prayer Chest August Gold,Joel Fotinos,2011-08-31 Since the beginning of time men and women everywhere have prayed — millions of prayers daily. Why, then, are only a handful answered? What roles do luck, chance, and fate play in our lives? How can we discover and live our destiny? Rich in romance, mystery, and spiritual insight, this wise and warm parable will revolutionize everything you’ve ever thought about prayer. Joseph Hutchinson’s life has been filled with misfortune and adversity. A widowed father of two living on a farm that is about to be taken from him, Joseph embarks on a mission to save his children and himself. This quest brings him face-to-face with his greatest fears and ultimately leads him to his greatest discovery — a mysterious wooden box that has been hidden in his attic for more than one hundred years. This box, the Prayer Chest, contains secrets that will change Joseph’s — and your — life. This inspirational story speaks to everyone who has ever struggled and despaired, everyone who has prayed without receiving an obvious answer, and everyone who wonders about the true meaning and ultimate destiny of their life — in short, everyone.

Dead Man's Chest Roger L. Johnson,2010 Dead Man's Chest is a classic pirate yarn that begins with long John Silver's escape from the merchantman Hispaniola at Peurta Plata and culminates with the American Revolution more than a decade later. It describes in rich detail the unholy alliance formed between this soft-hearted cut-throat, his teenage nephew, David Noble, and the slaver-turned-merchant captain, John Paul Jones to retrieve a king's ransom of Spanish gold and jewels from Dead Man's Chest; the other two-thirds of the treasure described in Stevenson's novel, and the inspiration for the sailor's ballad by the same name. Dead Man's Chest explains how the Scottish fugitive John Paul Jones earned a naval commission. More importantly, the novel illuminates a hitherto unknown thirty-month period in John Paul's career. From November 1773 when he killed a mutineer to June 1775 when he received his naval commission in Philadelphia from Thomas Jefferson. Learn how the contract that he and John Silver made with the American founding fathers impacted the lives of the Colonists and ultimately helped win America's freedom from Mother England.
