The Legend of Zelda Encyclopedia Deluxe Edition Nintendo,2018-06-19 The Legend of Zelda(TM) is one of the most successful franchises of all time with nearly twenty video games and thirty years of history, but it all started with a gold cartridge... The Legend of Zelda Encyclopedia Deluxe Edition honors the game that started it all by recreating the original gold cartridge as faithfully as possible. The book comes with a black polypropylene sleeve, lined with velvet flocking, and a scale instruction booklet with fun, theme-appropriate material inside. The cover is a gold foil paper with gloss lamination and a spot gritty varnish. The details are embossed and debossed. It has gold gilding on the top and foredge, with black gilding on the bottom. This book looks and feels so much like the original cartridge you might find yourself blowing into the bottom before you open it! This 328-page book is an exhaustive guide to The Legend of Zelda, from the original The Legend of Zelda to Twilight Princess HD. A comprehensive collection of enemies and items, potions to poes, an expansion of the lore touched upon in Hyrule Historia, concept art, screencaps, maps, main characters and how they relate, languages, and much, more, including an exclusive interview with Series Producer, Eiji Aonuma! This, the last of The Goddess Collection trilogy, which includes Hyrule Historia and Art & Artifacts, is a treasure trove of explanations and information about every aspect of The Legend of Zelda universe! Celebrate over thirty years of The Legend of Zelda with a heartfelt homage to the origins of this legendary franchise!

Nightstalkers Keith B. Darrell,2022-05-16 First introduced in the Halos and Horns fantasy saga, these vampires and lycanthropes have their own stories to tell. Pandora's a carefree party girl who just happens to be a vampire. With her best friend Sharon Mordecai, a hybrid vampire; her boyfriend Cody Fenris, a werewolf; and Cody's sister Lupe, who transforms into a wolf, they run Nightstalkers, Inc., a private detective agency in Las Vegas. Pandora and Sharon also belong to Nosferatu, Inc., a worldwide corporation set up to provide relocation services for vampires, who cannot remain in one place indefinitely, lest the “breathers” question why they never age. When a Grigori unwittingly entrusts trouble-prone vampire Pandora with an ancient leather-bound box containing primordial evil, what could possibly go wrong? At least Pandora doesn't know her best friend slept with her boyfriend. Or that her werewolf beau has been targeted for revenge by one of his victims. Her BFF Sharon — the hybrid vampire infused with an angelic life force — has enough to worry about now that a deranged scientist/occultist is creating his own Frankenstein monster and requires an angelic life force to animate it. He's resurrected the spirit of Jack the Ripper to supply the body parts he needs from Las Vegas prostitutes. Should Kennedy be worried to walk the city streets? After a Valkyrie whisks the Nightstalkers, Inc. team of private eyes — vampires Sharon and Pandora, and lycanthrope siblings Cody and Lupe Fenris — off to the Otherworld dimension of the Fae to recover Thor's golden gauntlets from the Dark Fae's leader, the Morrigan, the team will be forever changed. And how does that tie in with their new landlord Kitty Bast, an Egyptian cat goddess?

Bryst Lloyd Jones,2010-05-06 A young man is trying to find a mystical sword to turn back time. His family and village were slaughtered leaving him to survive on the land. If he can find this blade of time he can go back and save everyone from the horrible fate they where given. On his journey he stumbles upon unlikely comrades and finds his own fate to be more than he could have ever imagined. Strange, dangerous, odd, humorous, and serious creatures riddle his journey and prophecy is fulfilled without the young man even knowing his fate is already written, to a point anyway.

Cultures at War Tony Day,Maya Hian Ting Liem,2010 These innovative essays compel us to reevaluate our understanding of the Cold War as a predominantly political and military event. Their consideration of a broad range of cultural forms---from literature and film to glossy magazines and body-building---reminds us that the Cold War's influence on culture and its producers was as varied and complex as the Southeast Asian countries it touched. Lively and insightful, this rich collection is a valuable contribution to both Cold War studies and the modern histories of Southeast Asia.--- Richard A. Ruth, Ph.D., Department of History, U.S. Naval Academy; and author of In Buddha's Company: Thai Soldiers in the Vietnam War --

Snake Of The Nile E.A. Jackson,2022-05-17 History isn't always written as it truly happened . . . In all four corners of the ancient world, growing threats assemble into a storm of carnage, as the Roman eagle seeks to seize all who will not kneel before it in its golden talons. In the colossal palace of Pharoah Ptolemy XII Auletes, his youngest daughter, sweet Kleopatra VII, and her dearest friend, Akela, daughter of the pharaoh's favorite general, are only vaguely aware of the dark currents swirling under the surface of their world, and dangerously unaware of a dark prophecy concerning them both that will be set in motion by the arrival of a mysterious visitor from foreign lands. On Krete, the last Spartan princess is humiliated and imprisoned after being pulled from a city in flames, fighting to keep some vestige of her people's legendary spirit alive. In Rome, the quietly troubled Julius Caesar mourns lost love even as he solidifies his rule with the crucifixion of the slave rebel Spartacus and all who followed him. And on the far-away shores of the Aegean, the last remaining tribes of ferocious Amazons struggle to avoid extinction as they battle forces from all sides and

alliances amongst enemies are forged out of necessity. In this first book of The Aegean series, a deadly secret born of vengeance and fear, known only by Kleopatra and her childhood companion, threatens to rock the foundations of a powerful empire and discredit the lineage of the last Egyptian dynasty. With hungry eyes set only on revenge, the whispered words of lustful, power-hungry men nurture the viper sleeping in Kleopatra’s heart like venom infiltrating the bloodstream of history.

Odysseys & the Rejoining of the Shards Melvin Karew,2012-12-01 In a world of fantasy, two enemies square off against one another: Grimlindus, the general, necromancer and suave lord of evil; and Ariadne, young princess and refugee from the invasion of her homeland and the murder of her family. Ariadne has completed her worldly quests, has read the Book of Kazlos, drunk from the well of the dead god and been bitten by the serpent from the Amazon Continent. She is returning home but is still overwhelmed by the poison of the serpent. Grimlindus and his minions rush to intercept her, to destroy her before she is grown to full power. Meanwhile, her companions are spread all over the world, from the deserts to the jungles the ocean-floor. They all have their own journeys, their own odysseys, to take in order to return. On these journeys, they will collect various shards of knowledge, magic and authority that will assist in the overthrow of Grimlindus’s empire. It is only by avoiding the machinations of Grimlindus and by joining all the shards together, that Ariadne and her friends will finally triumph.

Chaos: Order Unseen Edgar Rodriguez,2006-08 What if you were a loner? What if allies were forced upon you? What if your decisions determined the fate of a town? It was a quarter of an hour before the pale man stopped at the fountain in the village square. He looked about as he touched one of the stones. Come. Silas recognized the voice from his earlier venture upon the rooftops near the healer woman's house. A few minutes later, the soft clicking warned of the giant fenri's approach. Six terrible lupine forms trotted from the southern end of the town, their heavy muscles causing their black fur to ripple with each bounce. The creatures came before the pale man and sat on their haunches obediently. The pale man moved toward the fountain and placed his hand upon an oblong stone. A grating sound announced a passageway opening. He began his descent and then stopped. Stillness filled the night. There were no sounds from nature, not even the chirp of a cricket. The man turned to the fenri, and they shrank back. Silas heard an ethereal voice. Kill the watcher, and the fenri bounded in Silas' direction as the pale man disappeared within the fountain.
