

Golem

Elie Wiesel

Golem David Wisniewski,2007-11-19 Retold from traditional sources and accompanied by David Wisniewski's unique cut-paper illustrations, Golem is a dramatic tale of supernatural forces invoked to save an oppressed people. It also offers a thought-provoking look at the consequences of unleashing power beyond human control. The afterword discusses the legend of the golem and its roots in the history of the Jews. A Caldecott Medal Book.

Golem Maya Barzilai,2016-10-18 Introduction: The Golem condition -- 1. The face of destruction: Paul Wegener's World War I Golem films -- 2. The Golem cult of 1921 New York: between redemption and expulsion -- 3. Our enemies, ourselves: Israel's monsters of 1948 -- 4. Supergolem: revenge after the Holocaust -- 5. Pacifist computers and Jewish cyborgs: fighting for the future

The Golem Gustav Meyrink,1928

The Golem Legend Byron L. Sherwin,1985

Golem Song Marc Estrin,2006 Only Marc Estrin could imagine the line of descent from the Frankensteinian Golem of Rabbi Loew to the outrageous false messiah of the Bronx, Nurse Alan Krieger. Only Marc Estrin could imagine the line of descent from the Frankensteinian Golem of Rabbi Loew to the outrageous false messiah of the Bronx, Nurse Alan Krieger.

The Golem in Jewish American Literature Nicola Morris,2007 The Golem in Jewish American Literature explores the golem in the fiction of Thane Rosenbaum, Nomi Eve and Steve Stern as well as writers such as Michael Chabon. Nicola Morris sees this clay humanoid, created in Jewish legend for practical and spiritual purposes, as a metaphor for power and powerlessness and for the complexities and responsibilities surrounding the act of creation. Further, she employs the golem figure as a device to examine the problematic Holocaust representation in the second generation, the uncertain boundaries between fiction and historiography, the ethics of intertextuality and the writer's responsibility to literary, folkloric and oral sources. Morris concludes with an impassioned plea for the responsible uses of power, technology and language.

The Golem ,2001 THE STORY: Drenched in the magic and mystery of the Kabbala, THE GOLEM retells the legend of a sixteenth-century Rabbi in Prague who defies God when he molds and animates a huge clay figure to defend the Jewish community from attack. Written in Yid

The Golem Barbara Rogasky,1996 The Golem--a creature born of clay that looks like a man but is not a man, that is not exactly alive but neither is he dead.Stories of such nonhuman beings created by men appear again and again throughout the centuries. The Golem here is created by Rabbi Judah Loew to help the Jews of Prague, at a time when their enemies were many and their fate often a bloody one.Barbara Rogasky's version of the old Jewish tale is gripping and suspenseful. She has brought the Golem to dramatic and unforgettable life.Trina Scharf Hyman's stunning illustrations make the Jewish ghetto of sixteenth century Prague as real as yesterday, and the Golem as possible as tomorrow.

The Golem Elie Wiesel,1983 For centuries, Jews have remembered the Golem, a creature of clay said to have been given life by the mystical incantations of the mysterious Maharal, Rabbi Yehuda Loew, leader of the Jewish community of 16th-century Prague. Some versions have the Golem as a lovable, clumsy mute; others as a monster like Frankenstein's who turned against his creator, giving a vivid warning against magic and the occult. In this beautiful book, Elie Wiesel has collected many of the legends associated with this enigmatic and elusive figure and retold them as seen through the eyes of a wizened gravedigger who claims to have witnessed as a child the numerous miracles that legend attributes to the Golem. 'I, Reuven, son of Yaakov,' he begins, 'declare under oath that Yossel the mute, the Golem made of clay, deserves to be remembered by our people, our persecuted and assassinated, and yet immortal people. We owe it to him to evoke his fate with love and gratitude He was a savior, I tell you.' Reuven's Golem is no fool or monster, but a figure of intuition, intelligence, and compassion who may yet return, perhaps in our own generation, to protect the Jews from their enemies. Mark Podwal's highly imaginative drawings recapture the mystery of Gothic Prague, and the elusive Golem is given a shape as the shadow of the Maharal. Thus, two remarkable artists have come together in the creation of a work of rare spiritual beauty which is also a triumph of the bookmaker's art.--Dust jacket.

The Golem Gustav Meyrink,2023-11-06 The Golem is a novel written by the Austrian author Gustav Meyrink. It was first published in 1915 and is considered a classic of early 20th-century horror and supernatural fiction. The novel is set in the Jewish ghetto of Prague and is heavily influenced by the legend of the golem, a creature brought to life through mystical means. The story follows the character of Athanasius Pernath, an alchemist and antiquarian who becomes embroiled in the mysteries of the ghetto, including the enigmatic Rabbi Löw and the legend of the golem. The novel weaves elements of mysticism, the occult, and the supernatural into a dark and atmospheric narrative. Gustav Meyrink was known for his interest in the esoteric and the mystical, and The Golem reflects his fascination with these themes. The novel has had a lasting impact on the horror and supernatural fiction genres and is celebrated for its eerie and atmospheric storytelling. It continues to be a significant work in the realm of early 20th-century horror literature.

Golem Maya Barzilai,2020-04-01 2017 Jordan Schnitzer Book Award in Jewish Literature and Linguistics Honorable Mention, 2016 Baron Book Prize presented by AAJR A monster tour of the Golem narrative across various cultural and historical landscapes In the 1910s and 1920s, a “golem cult” swept across Europe and the U.S., later surfacing in Israel. Why did this story of a powerful clay monster molded and animated by a rabbi to protect his community become so popular and pervasive? The golem has appeared in a remarkable range of popular media: from the Yiddish theater to American comic books, from German silent film to Quentin Tarantino movies. This book showcases how the golem was remolded, throughout the war-torn twentieth century, as a muscular protector, injured combatant, and even murderous avenger. This evolution of the golem narrative is made comprehensible by, and also helps us to better understand, one of the defining aspects of the last one hundred years: mass warfare and its ancillary technologies. In the twentieth century the golem became a figure of war. It represented the chaos of warfare, the automation of war technologies, and the devastation wrought upon soldiers’ bodies and psyches. Golem: Modern Wars and Their Monsters draws on some of the most popular and significant renditions of this story in order to unravel the paradoxical coincidence of wartime destruction and the fantasy of artificial creation. Due to its aggressive and rebellious sides, the golem became a means for reflection about how technological progress has altered human lives, as well as an avenue for experimentation with the media and art forms capable of expressing the monstrosity of war. New Books Network interview with Maya Barzilai on Golem

The Golem Redux Elizabeth R. Baer,2012-04-15 Traces the history of the golem legend and its appropriations in German texts and film as well as in post-Holocaust Jewish-American fiction, comics, graphic novels, and television.

The Golem and the Jinni Helene Wecker,2013-04-23 “An intoxicating fusion of fantasy and historical fiction. . . . Wecker’s storytelling skills dazzle. —Entertainment Weekly A marvelous and absorbing debut novel about a chance meeting between two supernatural creatures in turn-of-the-century immigrant New York. Chava is a golem, a creature made of clay by a disgraced rabbi knowledgeable in the ways of dark Kabbalistic magic. She serves as the wife to a Polish merchant who dies at sea on the voyage to America. As the ship arrives in New York in 1899, Chava is unmoored and adrift until a rabbi on the Lower East Side recognizes her for the creature she is and takes her in. Ahmad is a jinni, a being of fire born in the ancient Syrian desert and trapped centuries ago in an old copper flask by a Bedouin wizard. Released by a Syrian tinsmith in a Manhattan shop, Ahmad appears in human form but is still not free. An iron band around his wrist binds him to the wizard and to the physical world. Chava and Ahmad meet accidentally and become friends and soul mates despite their opposing natures. But when the golem’s violent nature overtakes her one evening, their bond is challenged. An even more powerful threat will emerge, however, and bring Chava and Ahmad together again, challenging their very existence and forcing them to make a fateful choice. Compulsively readable, *The Golem and the Jinni* weaves strands of Yiddish and Middle Eastern literature, historical fiction and magical fable, in a wondrously inventive tale that is mesmerizing and unforgettable.

Joe Golem: Occult Detective Volume 3--The Drowning City Mike Mignola,Christopher Golden,2019-07-09 What truly lurks in the Outer Dark? A chilling new adventure unfolds as Joe Golem investigates the kidnapping of a Conjurer and the strange men who took him. Aided by the victim's ward, a spunky teenage girl, the detective soon finds that otherworldly forces are at work. The only way to stop the madman behind the kidnapping and occult activities is to locate a strange object known as Lector's Pentajulum. But how can they locate it, who else is trying to track it down, and how can it save

both them and the city? Collects Joe Golem: Occult Detective--The Drowning City #1-#5 and bonus material

The Golem Harry M. Collins,Trevor Pinch,2012-03-29 Harry Collins and Trevor Pinch liken science to the Golem, a creature from Jewish mythology, powerful yet potentially dangerous, a gentle, helpful creature that may yet run amok at any moment. Through a series of intriguing case studies the authors debunk the traditional view that science is the straightforward result of competent theorisation, observation and experimentation. The very well-received first edition generated much debate, reflected in a substantial new Afterword in this second edition, which seeks to place the book in what have become known as 'the science wars'.

The Golem of Brooklyn Adam Mansbach,2023-09-26 The dazzlingly imaginative, ferociously funny story of an art teacher, a bodega clerk, and a five-thousand-year-old clay crisis monster, from the author of the #1 New York Times bestseller Go the F**k to Sleep. “A devastating romp through history, a bonkers road trip through America, this novel could not be any funnier—or any more important.”—W. Kamau Bell In Ashkenazi Jewish folklore, a golem is a humanoid being created out of mud or clay and animated through secret prayers. Its sole purpose is to defend the Jewish people against the immediate threat of violence. It is always a rabbi who makes a golem, and always in a time of crisis. But Len Bronstein is no rabbi—he’s a Brooklyn art teacher who steals a large quantity of clay from his school, gets extremely stoned, and manages to bring his creation to life despite knowing little about Judaism and even less about golems. Unable to communicate with his nine-foot-six, four hundred-pound, Yiddish-speaking guest, Len enlists a bodega clerk and ex-Hasid named Miri Apfelbaum to translate. Eventually, The Golem learns English by binge-watching Curb Your Enthusiasm after ingesting a massive amount of LSD and reveals that he is a creature with an ancestral memory; he recalls every previous iteration of himself, making The Golem a repository of Jewish history and trauma. He demands to know what crisis has prompted his re-creation and whom must he destroy. When Miri shows him a video of white nationalists marching and chanting “Jews will not replace us,” the answer becomes clear. The Golem of Brooklyn is an epic romp through Jewish history and the American present that wrestles with the deepest questions of our humanity—the conflicts between faith and skepticism, tribalism and interdependence, and vengeance and healing.

The Golem at Large Harry Collins,Trevor Pinch,2014-05-15 In the very successful and widely discussed first volume in the Golem series, The Golem: What You Should Know about Science, Harry Collins and Trevor Pinch likened science to the Golem, a creature from Jewish mythology, a powerful creature which, while not evil, can be dangerous because it is clumsy. In this second volume, the authors now consider the Golem of technology. In a series of case studies they demonstrate that the imperfections in technology are related to the uncertainties in science described in the first volume. The case studies cover the role of the Patriot anti-missile missile in the Gulf War, the Challenger space shuttle explosion, tests of nuclear fuel flasks and of anti-misting kerosene as a fuel for airplanes, economic modeling, the question of the origins of oil, analysis of the Chernobyl nuclear disaster, and the contribution of lay expertise to the analysis of treatments for AIDS.

The Golem, how He Came Into the World Maya Barzilai,2020 Provides an aesthetic and historical overview of and new critical insights into Paul Wegener's great 1920 film, recognized at the time as a breakthrough in German cinema.

Golem in the Gears Piers Anthony,2002-03-26 A golem to the rescue! Grundy Golem was the size of an inconsequence, and nobody had any respect for him—including Grundy! To prove himself, he volunteered to ride the Monster Under the Bed to the Ivory Tower to find little Ivy’s long-lost dragon, Stanley Steamer. After many adventures, he reached the Tower, to learn that the evil Sea Hag kept lovely Rapunzel imprisoned there, her body destined to be used to maintain the witch’s immortality. Grundy managed to free the damsel, and they fled together. As the descendant of Jordan the Barbarian and Bluebell Elf, Rapunzel could become any size, even that of any Golem’s dreamgirl. But Grundy knew she was surely fated for someone better than he. Besides, the Sea Hag still pursued them to destroy him and get her back. And he still hadn’t found Stanley Steamer.

The Golem's Mighty Swing James Sturm,2021-04-16 A new edition of the classic tale of a barnstorming Jewish baseball team during the Great Depression Before penning his acclaimed graphic novel Market Day and founding the Center for Cartoon Studies, James Sturm proved his worth as a master cartoonist with the eloquent graphic novel, The Golem’s Mighty Swing, one of the first breakout graphic novel hits of the twenty-first century. Sturm’s fascination with the invisible America has been the crux of his comics work, exploring the rarely-told or oft-forgotten bits of history that define a country. By reuniting America’s greatest pastime with its hidden history, the graphic novel tells the story of the Stars of David, a barnstorming Jewish baseball team of the depression era. Led by its manager and third baseman, the nomadic team travels from small town to small town providing the thrill of the sport while playing up their religious exoticism as a curio for people to gawk at, heckle, and taunt. When the team’s fortunes fall, the players are presented a plan to get people in the stands. But by placing their fortunes in the hands of a promoter, the Stars of David find themselves fanning the flames of ethnic tensions. Sturm’s nuanced composition is on full display as he deftly builds the climax of the game against the rising anti-semitic fervor of the crowd. Baseball, small towns, racial tensions, and the desperate grasp for the American Dream: The Golem’s Mighty Swing is a classic American novel.

Golem Book Review: Unveiling the Power of Words

In a world driven by information and connectivity, the energy of words has be evident than ever. They have the ability to inspire, provoke, and ignite change. Such is the essence of the book **Golem**, a literary masterpiece that delves deep into the significance of words and their impact on our lives. Written by a renowned author, this captivating work takes readers on a transformative journey, unraveling the secrets and potential behind every word. In this review, we will explore the book is key themes, examine its writing style, and analyze its overall impact on readers.
